LARA DISTRICT COMMUNITY DIRECTORY

This **Community Directory** is a quick and easy reference guide to share the wonderful community groups and clubs we have in our district should people wish to join a new group, volunteer their time, try something new or expand their social network.

Community Bank Lara District opened in 2009 and over 14 years, we've been able to put over \$2.5 million back into the Lara, Little River and Anakie district.

This has only been possible due to the support of our customers and shareholders. The community banking model is very simple; you bank with us and the profits we generate are distributed back into our community to the benefit of all.

The Board of Community Bank Lara District have developed the "Say Hello Lara" initiative to promote a culture of care within our community. To find out more visit www.sayhellolara.au

An initiative of

Scouting is a youth lead organisation that opens opportunities for youth in an encouraging and supportive environment for ages 5 to 25. It provides opportunities to learn and practice teamwork, leadership, resourcefulness, and resilience, on top of all the adventurous activity skills and experiences.

The scout program is hands-on; we learn by doing and are encouraged to do our best, free from judgment and reflect on what we have achieved and look to learn from our experiences.

2nd Lara is an active group that gets out and about as often as possible, contributing to the community where possible, and encouraging youth to think of others before themselves. Our leaders are volunteers, so we encourage family involvement in the program.

Athletes are judged on the number of repetitions they can perform of various Kettlebell lifts (i.e. Snatch, Jerk and Long Cycle) in a set period of time. We welcome all levels to come try out the training for Kettlebell sport in our non-judgmental and friendly community of lifters. If you need something different or new, then this is for you. Lara Care Group Inc. is an incorporated community organisation founded in early 2004 as a not for profit, apolitical, community action group working with elected officials and council on local and regional planning affairs. The Group's initial focus was to protect the state wildlife sanctuary at Serendip on Windermere Road in Lara from what a majority of the town saw as inappropriate and out of character residential development plans in the surrounding area. Serendip Sanctuary, and its future, remains a priority for the group. It has played a central role in the development of the You Yangs Precinct Master Plan and Serendip's role in it.

LCG has provided a platform for the community to raise planning and development concerns and initiated development of a Lara Traffic Management Plan. It continues to advocate on environmental management issues for the community and protection of Lara's unique rural character.

The 1969 fires in Lara underlined the need for a service group in what was then a small rural town. Starting in 1970, during our years of activity we have expanded into a diverse community service group of all ages, interests and backgrounds and we welcome like-minded people committed to making a difference not just where they live, but sometimes, beyond as well.

We raise funds for many local programs, Lions Foundations and also provide physical and material assistance to community members and other organisations.

As a service organisation, our primary focus is on the wide range of activities we conduct in the community; committee members for Australia Day, Christmas in Lara, Lara Network Group (a Lions initiative), running the camp ground for the International Air Show, the Community Raffle, providing specially trained dogs to assist hearing impaired people, free vision screening for children in local schools and much, much more!

The aim of our community junior soccer (U12 – U18) and Miniroos program (U5 – U11) is to provide a positive, fun, safe environment for our junior footballers so they can nurture a love for the game, develop their physical and social skills, enjoy healthy competition in a positive environment, make lifetime friendships and become part of our football community.

Our Pre-NPL development program for U12 & U13 aims to support passionate and skilled players to transition from Geelong Community or Miniroos competitions to the stronger statewide JBNPL competition at U14. Our Pre-NPL development program is aligned with our NPL program including pre-season kick-off, practice matches and a commitment to player development.

Our senior team plays in the National Premier League (Victoria) and our Junior boys (U14 -U18) play in the JBNPL (Junior Boys National Premier League) – the top level of junior competition in the state.

There is a place for everyone and every level of development from social playing through to NPL level.
