FREQUENTLY ASKED QUESTIONS (FAQs) – Round 2
BUILDING OUR CHILDREN’S RESILIENCE GRANTS PROGRAM

Is my organisation eligible for funding?
Applicants must come from an organisation with an Australian Business Number (ABN) or be auspiced by an organisation with an ABN.
Individuals are not eligible for funding.
Also, make sure your organisation has acquitted previously funded sponsorships / grants from the Maldon & District Community Bank® Branch.

How much money can I ask for?
You can apply for the amount required for the project or activity up to a maximum of $20,000 per application.
There is a total funding pool of $20,000 available in round 2 of the grants program.
Be realistic about what you want to achieve. Don’t build your project or application around the maximum amount available – make sure your budget is genuine and achievable.

I require more funds than the maximum grant limit. Can I request more than this?
Don’t ask for more than $20,000, as this is the maximum available in round 2. If you require more funding, consider approaching other funding bodies and partners, such as your local Council, state and/or federal government and philanthropic organisations. Let us know if you receive funding from other sources.

How do I apply for a grant?
Step 1: Contact our Executive Officer Karly Smith to discuss your project. She can be contacted via executiveofficer@mdcb.com.au or 0478 435 110
Please refer to the Building Our Children’s Resilience Grant Program guidelines at www.mdcb.com.au
Step 2: Complete application form including a project budget. Application forms are available from www.mdcb.com.au. Contact the Executive Officer if you would like an application form emailed or posted to you.
Step 3: Gather supporting documents – these could be reports demonstrating need, letters of support from groups / agencies / schools / parents / community.
Step 4: Get the head of your organisation or project to sign the application.
Step 5: Submit your application form by midnight, Sunday 12 November 2017.

Is there a word limit?
We have not specified word limits for our questions, but short, clear answers are usually the best. Feel free to use dot points, or write in sentences.

Do I need to type my answers?
Applications can be hand-written or typed. Just make sure we can read your writing if you are hand-writing it.
If I have been unsuccessful can I re-apply for funding in the next round?
Yes, by all means your organisation can reapply for funding in subsequent funding rounds.
Do contact the Executive Officer for feedback on your application, and how to strengthen your application for the next funding round.

Do you fund wages and operating costs i.e. electricity and administration?
The program does not cover ongoing operating costs such as insurance, rent or electricity.
We recognise that some administrative costs may be directly related to the project being funded, so we will consider funding these expenses to a reasonable level. Please provide details about this in the application and in the budget section.

What geographic region should the project focus on?
The projects or programs must build our children’s resilience in the following region including Maldon, Newstead and Dunolly and surrounding areas including Baringhup, Castlemaine, Harcourt, Eddington, Campbells Creek, Taradale, Bealiba, Guildford, Moliagul, Tarnagulla, Chewton, Lockwood South and Laanecoorie.

When will I find out if I am successful?
The funding recipients will be announced mid-December 2017. All applicants will receive notification of their grant application.

What are my obligations if I am successful and receive funding?
If successful you will be expected to sign a funding agreement that outlines the conditions of funding. Your organisation (or the auspice organisation) will need to provide an invoice for the grant money. A funding acquittal form must be completed by 15 December 2018.

Does our organisation need to have working with children policies and procedures?
If your project involves working directly with children, then your organisation must have policies and procedures around working with children, including Working with Children Checks and the handling of child abuse complaints.

What can’t be funded
