6. Acknowledgment & Customer Authorisation

I acknowledge and agree that:

The Bank will not make any payment pursuant to this Authority if there are insufficient funds available for the withdrawal in the account(s) to be debited on the due payment date. Although the Bank will endeavour to effect periodical payments in accordance with this Authority, it accepts no responsibility to make the payments and accordingly the Bank shall not incur liability in respect of, or arising from, any refusal or omission to make all or any of the payments, and delay or loss of payments in transit, or any error, delay, neglect or default in performing this Authority.

In the case of Credit Card repayments, payments will be made on the 'payment due by' date shown on my/our credit card statement. After one unsuccessful attempt to make this payment a processing fee will be incurred (refer to current copy of 'Schedule of Fees, Charges and Transaction Account Rebates'). A processing fee will be incurred for all other periodical payments after four (4) unsuccessful attempts to make the payment.

Should four (4) consecutive cyclic payments be missed, my/our authority in relation to that periodical payment will be automatically cancelled and I must contact the Bank if other arrangements are to be made.

Any special arrangements I have made with the Bank to make payments from an account with insufficient available funds can be revoked by the Bank at its discretion.

The Bank may terminate this Authority at any time, by notice in writing to me/us, or after being advised by the payee that no further payment is required.

The Bank may, in its absolute discretion, conclusively determine the order of priority of payment by it for any monies pursuant to this or any other Authority, or request which I have given or made or may at a later date give or make to the Bank.

The Bank may delay processing periodical payments on weekends and/or public holidays until the next business day.

The Bank may following notification to me/us, levy charges for this service and, from time to time, vary the charges during the continuance of this Authority and, without further authority from me/us, debit my/our account with such charges (refer to current copy of 'Schedule of Fees, Charges and Transaction Account Rebates').

This Authority will remain effective in respect of payments made in good faith, notwithstanding my/our death or bankruptcy or the revocation of the Authority by me/us, until notice of my/our death or bankruptcy or written notice of any revocation is received by the Bank, and the Bank shall be under no obligation to recover any such payment from the payee.

Subject to these conditions, payments made by the Bank pursuant to the Authority are governed by all terms and conditions applicable from time to time to my/our account(s).

Where a Periodical Payment relates to a loan repayment the following conditions apply:

In the event of a change in interest rate on my loan account, the Bank will automatically notify me/us of the new repayment amount. I am then responsible for providing authorisation for the Bank to adjust this Authority.
