## Key features

A Foreign Currency At Call Deposit Account (FCACD Account) is a bank account that is denominated in a foreign currency.

It is an "at call" account which means that you have daily access to your funds and the ability to withdraw your foreign currency from your account on any day provided you do so prior to the relevant "cut off" time. The cut-off time relevant to each foreign currency is set out in Part 2 of the PDS - Schedule for Bendigo Foreign Currency At Call Deposit Account. "At call" accounts can assist with day to day liquidity management.

You should select the account which most closely suits your needs. We also have a Foreign Currency Term Deposit Account, which does not give you daily access to your foreign currency. Our PDS for this type of account is available by contacting us on 1300 236 344.

We offer FCACD Accounts in certain currencies only. The currencies in which we offer these accounts are set out in Part 2 of the PDS - Schedule for Bendigo Foreign Currency At Call Deposit Account.

Set out below is a summary of the main features of, and restrictions applying to, an FCACD Account.

Foreign Currency At Call Deposit Account - Key Features Table	
<b>Minimum to open (for business and international trade purposes)*</b>	The equivalent in the relevant foreign currency on the day of opening of A\$10,000.00
<b>Funds Availability</b>	At Call
<b>Interest Calculated</b>	Daily
<b>Interest Credited</b>	Monthly (credited first business day of each month)
<b>Interest Payment Method</b>	Credited to your Foreign Currency At Call Deposit Account or to another eligible account held with us. See clause 5.2 and clause 5.3 of the Terms and Conditions below.
<b>Additional Deposits</b>	Yes on any business day in the foreign currency in which your FCACD Account is denominated.

The terms and conditions beginning on page 5 explain the way in which the account operates.

\*The Bank offers FCACD Accounts primarily to businesses that deal regularly in foreign currency, for international trade needs. The Bank does not typically offer these accounts for retail customers, and reserves the right to apply a higher minimum opening balance for retail applicants, depending on market conditions. In most circumstances this product is unsuitable for retail/consumer banking, given the highly risky nature of foreign exchange markets.

## Significant benefits and risks

### The benefits include:

- You will earn interest on the money deposited into your account. You will receive returns linked to the prevailing interest rate for the particular foreign currency you have deposited. For more information about interest, see clauses 4 and 5 of the terms and conditions below.
- You can make additional deposits of foreign currency into your FCACD Account at any time provided the deposits are in the same currency in which your FCACD Account is denominated.
- You can withdraw money out of your FCACD Account on any business day and get fast and easy access to your money when you need it.

### The risks include:

- Foreign exchange markets are inherently risky and unpredictable. There is a risk that movements in exchange rates may adversely affect the holder of the account. For example, if your FCACD Account has a credit balance of US\$25,000, an upward movement in the A\$ (relative to the US\$) during the term of the deposit, will mean that in A\$ terms, the US\$ funds in your account are worth less than they previously were in Australian Dollars. For example:
  - Day 1, your account has a US\$25,000 credit balance, the exchange rate is 0.6555, and the A\$ equivalent value of the US\$25,000 is A\$38,138.82.
  - Day 2, your account has a US\$25,000 credit balance, the exchange rate is .6700, and the A\$ equivalent value of the US\$25,000 is A\$37,313.43.

The difference between the two amounts is \$825.39, and this represents a loss to you in A\$ terms.

- As with many investment products, you are also reliant on the issuer's ability, in this case, our ability, to meet obligations including payment of your account balance to you. To reduce the risk of this not occurring, financial institutions are prudentially regulated by the Australian Prudential Regulation Authority and must comply with its prudential and reporting requirements, including a standard that aims to ensure that financial institutions have sufficient liquidity to meet their obligations to their customers.

## Commissions

We do not currently charge a commission upon establishment of an FCACD Account.

## Costs

No Government charges currently apply to your account.

### However, the following charges are payable:

#### Account keeping fee

A six-monthly fee of A\$50 applies to your FCACD account each March 31 and September 30, if the minimum balance over that period is less than A\$100,000 equivalent.

#### Telegraphic transfers (international)

Issue of telegraphic transfer \$30.00

(unless you are a Bendigo and Adelaide Bank shareholder, in which case the fee is \$15.00)

This fee is payable when you ask us to transfer funds by telegraphic transfer. The accepting bank may charge a handling or acceptance fee which may be deducted from the total of funds on receipt.

Return of telegraphic transfer \$25.00

This is payable when you request the return payment of a telegraphic transfer.

#### Transaction fees

A transaction fee of A\$20 applies to all transfers to and from your FCACD.

#### Overdrawn account fee and interest

Overdrawn account fee \$27.50

This fee is payable where your account is overdrawn or exceeds its credit limit without prior arrangement with us. You will be charged this fee each day you perform a transaction on your account and your account remains overdrawn at the end of the day.

These costs may change (see clause 6 below). You can find out the current costs at any time by contacting your Foreign Exchange Dealer.

## Terms and conditions

Unless you have previously agreed to be bound by these terms and conditions, your first use of an account indicates that you understand and agree to be bound by these terms and conditions.

### 3. Deposit and withdrawals

#### Deposit

- 3.1 You may make deposit into your account by:
- (a) purchasing the relevant foreign currency from us via a foreign exchange contract - our PDS for this product is available by contacting us;
  - (b) a self-initiated transfer of foreign currency into your account from another account held with us or another financial institution;
  - (c) a transfer of foreign currency by another party to your account with us (inward telegraphic transfer); or
  - (d) a bank draft or an international cheque denominated in the relevant foreign currency and made out to the same name / title of your foreign currency account.

#### Deposits may not be made in cash.

- 3.2 Your investment commences from the date the funds are cleared. A bank draft or international cheque will be subject to clearance by us and proceeds will not be available for investment until funds are determined to be "cleared funds" by us. You will be liable for the amount of a bank draft or international cheque if it is subsequently dishonoured and you authorise us to debit the amount of the bank draft or international cheque plus applicable bank charges to your account.
- 3.3 We may not accept any cheque that is not payable to you whether the cheque has been endorsed in your favour or not.

#### Withdrawals

- 3.4 You may make a withdrawal from your account in a number of ways including:
- (a) by requesting us to transfer the funds in the relevant foreign currency to another account held with another financial institution via telegraphic transfer;
  - (b) by using our e-banking Telegraphic Transfer platform;
  - (c) by requesting us to transfer the funds to another account you have with us denominated in the same foreign currency (this can be another FCACD account which will be subject to the same terms and conditions as set out in the PDS or a Foreign Currency Term Deposit Account);
  - (d) by converting the foreign currency balance in your account into Australian dollars via a foreign exchange contract and depositing that Australian dollar equivalent into your

nominated bank account with us (deposits to a third party's bank account with us or another bank are not permitted).

#### Withdrawals may not be made in cash.

- 3.5 We may not allow a withdrawal unless we have proof of your identity that is satisfactory to us.
- 3.6 You must keep a credit balance in your account at all times and must not overdraw your account. If you overdraw your account in breach of these terms and conditions, you must repay the overdrawn amount immediately. An overdrawn account fee (details of which are set out in the section entitled "Costs" in this document) may be charged if you overdraw your account. We will calculate interest (at an interest rate determined on the same basis as set out in clause 4.2 below) on the overdrawn amount on a daily basis and you authorise us to debit it to your account at the same time that we would have credited interest in respect of your account until the amount is repaid. We do not agree to provide you with credit merely because we debit an amount to your account that causes it to be overdrawn.
- 3.7 You authorise us to debit to your account all withdrawals you or an authorised signatory make from that account.
- 3.8 If we receive your instructions to make a withdrawal after the cut-off time relevant to the foreign currency in which your account is denominated, we will not process those instructions until the next business day. The cut-off time relevant to each foreign currency is set out in Part 2 of the PDS - Schedule for Bendigo Foreign Currency At Call Deposit Account.

### 4. Interest rates

- 4.1 We pay interest on your account. Interest rates may vary so that more than one interest rate may apply.

#### Interest rate

- 4.2 The interest rate on your account is based on the prevailing foreign currency market cash rate for the relevant foreign currency which may be either positive or negative. The foreign currency market cash rate is adjusted by a margin that reflects the following factors:
- (a) the amount you are depositing (for the day the account is opened) and the balance of the account (for each day thereafter) and, in particular, the interest tier into which the account falls;
  - (b) an allowance for our business costs;
  - (c) any risks associated with the account; and
  - (d) our profit margin.

The margin may vary from time to time due to changing market conditions and the liquidity of the foreign currency held. The prevailing foreign currency market cash rate may also vary from time to time due to changing market conditions.

- 4.3 The interest tiers for the purpose of clause 4.2(a) are currently:

Australian dollar equivalent of the foreign currency amount

Less than \$9,999.99  
\$10,000 - \$49,999.99  
\$50,000 - \$99,999.99  
\$100,000 - \$249,999.99  
\$250,000 - \$999,999.99  
\$1 million +

- 4.4 We may change the interest rates from time to time at our discretion. This means that the interest rate may increase or decrease. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law. You can find out our current interest rates by contacting your Foreign Exchange Dealer.

## 5. Interest

### Calculation and crediting of interest

- 5.1 We calculate interest by applying the applicable daily percentage rate to the balance of your account at the end of each day. The daily percentage rate is the relevant interest rate divided by the day count convention applicable to the relevant foreign currency in which your account is denominated. The day count convention is set out in Part 2 of the PDS - Schedule for Bendigo Foreign Currency At Call Deposit Account.

The formula is:

Interest per day =

$(\text{Balance of your account} \times \text{interest rate} / 100) / \text{days in year,}$

where days in year = the day count convention for the relevant foreign currency

For example: A deposit of EUR 200,000 for 31 days at 2.25% earns interest of  $200,000 \times 31 \times (2.25/100) / 360 = \text{EUR } 387.50$  (360 being the day count convention for Euros).

- 5.2 You can elect to have interest credited to your account or to another eligible account held with us. An eligible account is either another Foreign Currency At Call Deposit Account with us denominated in the same currency as your account or another Australian dollar denominated account with us. If the interest is to be credited

into another Australian dollar denominated account with us, the interest must first be converted from the relevant foreign currency into Australian dollars through a foreign currency contract with us.

- 5.3 If you wish to change the account to which your interest is credited, you may do so at any time by giving us notice in writing.

- 5.4 Interest will be credited to your account monthly on the first business day of each month.

- 5.5 Outstanding interest for a closed account is payable on the first business day of the next month.

## 6. Fees & charges

- 6.1 Fees and charges apply to your account. Details of current fees and charges are set out in the section entitled "Costs" in this document. You authorise us to debit these fees and charges to your account. You can find out the current fees and charges at any time by contacting your Foreign Exchange Dealer.

- 6.2 We may change the fees and charges from time to time (including introducing new fees and charges) and Government charges may change at any time. There is no maximum limit for the amount of fees and charges we may impose. If the law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law.

## 7. Statements and confirmation of transactions

- 7.1 We will issue you with a statement on a monthly basis. The statement will be issued to you electronically to your nominated email address or postal address and will include all transactions, fees and charges which have been transacted on your account during the statement month. You must check your statement and immediately notify us if you notice an error or possible unauthorised transaction on that statement.

- 7.2 When you make deposits we will provide you with a receipt for each deposit.

- 7.3 We strongly advise you to keep the confirmation letter and all statements and receipts in a safe place for future reference, as you may need them to do things such as complete tax returns. If you misplace any of your account records or need us to provide you with information about your account transactions, such as interest credits for tax purposes, we can help by conducting a search of our records. You may contact your Foreign Exchange Dealer to arrange for this.

- 7.4 You should keep your printed records of transactions to reconcile to your statement.
- 7.5 You agree that confirmation of transactions involving your account may be provided by us to you by you contacting your Foreign Exchange Dealer and requesting confirmation.
- 8. Joint accounts**
- 8.1 This paragraph applies if an account is in two or more names jointly.
- Understanding your obligations**
- 8.2 We may allow you to operate accounts jointly with other persons or entities.
- 8.3 If you do, your liability under these terms and conditions is both joint and several. This means that each of you is liable both on your own and together for the whole of any debit balance on the account. You should carefully consider any arrangement which involves you becoming a joint account holder.
- It is up to you and the other joint account holder(s) to specify how many of you must sign in order to operate a joint account. Account operating instructions are part of your contract with us and may only be altered by written notification to us, signed by each party to the joint account. However, any joint account holder can cancel operating instructions by contacting us which will require that all further instructions be given jointly by all joint account holder(s).
- 8.4 Despite any instructions you may give us to the contrary, we may insist that the joint account only be operated on the signatures of all joint account holders if:
- (a) one of the joint account holders requests us in writing to do so; or
  - (b) we are notified of any dispute between the joint account holders; or
  - (c) we are notified of the death or bankruptcy of any of the joint account holders.
- 8.5 You agree that each of you act as an agent for the other and that we can send a copy of a notice or statement to all or any one of you, except where we are legally obliged to do otherwise.
- 8.6 You agree that each joint account holder may have access to information about the account without the consent of the other joint account holders.
- 8.7 If any of you die, the account will be treated as the account of the surviving account holders only.

**9. Authorised signatories**

- 9.1 You may ask us, in writing, to authorise one or more other people to operate your account. We do not have to agree to your request but if we agree, we can impose conditions. If we do not agree to your request, we will notify you.
- 9.2 A person that is authorised to use your account is called an authorised signatory. You can arrange to have this authority revoked at any time. If you want to revoke the authority of an authorised signatory, you must notify us in writing.
- 9.3 These terms and conditions apply to the authorised signatory in the same way that they apply to you. You should ensure that any authorised signatory has read these terms and conditions and complies with them as if they were you. If the authorised signatory does not comply with these terms and conditions, you will be in default.
- 9.4 When an authorised signatory instructs us to carry out an action, or makes a transaction, we will act on the instructions of that person. We are not required to make any inquiries in relation to any instructions received by an authorised signatory in relation to your account. You are wholly liable for any loss or damage you or a third party suffers as a result of us acting upon those instructions.
- 9.5 You consent to us giving an authorised signatory information about your account.
- 10. Closing your account**
- 10.1 You may close your account only if it is in credit.
- 10.2 You may close the account by:
- (a) speaking to your Foreign Exchange Dealer; or
  - (b) sending a written request to us.
- 10.3 We may close your account at any time, due to unsatisfactory conduct or if we consider it necessary to prevent fraud or other losses to you or us or to protect our legitimate interests by giving you notice that is reasonable in all the relevant circumstances and reimbursing you for any amount outstanding to the credit of your account. If you or an authorised signatory breach any of these terms and conditions, we may close the account without giving you prior notice.
- 10.4 We will give you notice as soon as possible after closing the account (unless we have previously given you notice) and will reimburse you for the amount standing to the credit of your account.

- 10.5 If your account is closed:
- (a) you will be liable for any transactions that were not processed, or that occur, on the account at the time the account is closed; and
  - (b) you must pay to us on demand all unpaid fees and charges prior to closure of the account.
- 10.6 We reserve the right to withdraw any particular type of account or currency from offer without notice.
- 10.7 If we receive notice of a dispute from a third party who has a beneficial interest in the funds held in the account, we may at our discretion freeze the account until the dispute has been resolved.

## 11. Changes

- 11.1 Acting reasonably we may change these terms and conditions at our absolute discretion at any time. If any law regulates that change, we will only make the change to the extent permitted by, and subject to, the requirements of that law.
- 11.2 You agree that we can give notice of changes to these terms and conditions, any material change to, or any significant event that affects any of the matters specified in the PDS (including changes to fees and charges and interest rates) in writing, by an advertisement in a major daily newspaper or in any other way permitted by law.
- 11.3 The Notice of Change table sets out how and when we will notify you of changes.
- 11.4 If a Government charge payable directly or indirectly by you is introduced or varied, we will notify you by advertisement in the national media or local media or in writing unless the introduction or variation is publicised by the Government.

## 12. Tax

- 12.1 The information in this section is general information only.

You should consult your own independent professional adviser regarding the tax consequences of operating the account, to take into account your own personal circumstances.

- 12.2 The interest earned on your account must be included in your assessable income.

### Quotation of Tax File Numbers and/or Australian Business Numbers

- 12.3 If you do not already have a Tax File Number, or if applicable, an Australian Business Number, you may wish to apply for one from the Australian Taxation Office.

When you open an account with us, you have the option of supplying us with your Australian Business Number, or if applicable Tax File Number. If you do not, we are required by law to deduct withholding tax from your interest, at the highest marginal tax rate plus the Medicare Levy and forward it to the Australian Taxation Office.

### Providing your Tax File Number is NOT compulsory, but is advisable

- 12.4 You may be exempt from the withholding rules above, even if you do not provide a Tax File Number or an Australian Business Number. In this case you should advise us of your type of exemption and provide any supporting documentation we may require. Certain groups, clubs and/or organisations who are not required to lodge tax returns, are exempt from giving a Tax File Number or, if applicable, Australian Business Number.

We are required to report annually to the Australian Taxation Office details of interest or income earned by customers, any Tax File Number withholding amounts deducted and Tax File Numbers quoted.

As you may be eligible for a tax refund, you will need to include details of the withholding tax deductions on your taxation form.

Information concerning Australian Business Numbers may be obtained from the Australian Business Registrar (the Commissioner of Taxation). You will find your Tax File Number on your income tax assessment, or you can inquire at your nearest Australian Taxation Office.

- 12.5 Collection of Tax File Number information by us is authorised and its use and disclosure are strictly regulated by tax laws and the Privacy Act. Under the tax laws the Australian Business Registrar

may give access to an entity's Australian Business Number and no privacy provisions apply to the Australian Business Number itself.

More information on Tax File Numbers and Australian Business Numbers is available from the Australian Taxation Office.

### Australian Tax Position of Non-Resident Investors

- 12.6 If you are not an Australian resident (for tax purposes) Australian non-resident withholding tax may be withheld from your distributions at the prescribed rates issued from the Australian Taxation Office unless an exemption applies. You may be entitled to claim a tax credit in your home country for this tax.

### Tax reform

- 12.7 The Australian Commonwealth Parliament has recently enacted legislation which provides for a new taxing regime in relation to foreign exchange gains and losses on transactions entered into from 1 July 2003 for most taxpayers. (Private or domestic transactions require special consideration as those transactions may be exempt from the new foreign exchange rules).

The new legislation also introduces a general translation rule that converts foreign currency denominated amounts (including any interest which is derived in a foreign currency) into Australian dollars. In general terms, the new foreign exchange rules may apply to you if certain events (referred to in the tax legislation as "forex realisation events") happen to you.

Relevantly, the new rules may apply if you dispose of foreign currency or a right to receive foreign currency, you cease to have a right or obligation to receive foreign currency (for example where that right or obligation is satisfied by the payment to you of foreign currency), or you cease to have a right or obligation to pay foreign currency.

Generally, under the new rules, if you make a gain from a forex realisation event, you must include that gain in your assessable income. If you make a loss from a forex realisation event, that loss can be deducted from your assessable income.

- 12.8 You should consult your own independent professional adviser regarding the tax consequences arising from the new rules to take into account your own personal circumstances.
