1. Target market for this product

Target Market

This TMD only concerns one type of borrower who might require this product, i.e. borrowers who are 'retail clients' within the meaning of the Design and Distribution Obligations (DDO) legislation. For the avoidance of doubt, this document does not apply to and may be ignored in respect of other types of borrowers who are not 'retail clients' for the purpose of the DDO legislation, such as borrowers who require credit for business purposes.

The retail clients for whom this product has been designed include small businesses (specifically, companies, partnerships and trusts) who:

- do not propose to use the loan wholly or predominantly for business purposes;
- are able to grant a first-ranking registered real property mortgage in respect of one or more residential real properties to Bendigo Bank to secure the loan;
- want a term loan to finance or refinance the acquisition, renovation and/or improvement of residential or commercial property for the purpose of it being used as an investment;
- want to repay the interest amount only for a specified term (interest only up to a term of generally 5 years);
- want certainty of a fixed interest rate and fixed repayments for a fixed rate period, with no ability to make additional repayments without incurring an extra charge;
- can afford the loan.

The retail clients for whom this product has not been designed are individuals or strata corporations who:

- require credit wholly or predominantly for personal, domestic or household purposes; or
- require credit to finance or refinance the purchase, renovation or improvement of a residential property for investment purposes.

Product Description

Bendigo Bank's Commercial Business Solutions Prepaid Interest (Residential Secured) Interest Only Loan (Fixed Rate) is a term loan (up to a term of generally 5 years) which is used to finance or refinance the acquisition, renovation and/or improvement of a residential or commercial investment property. Retail clients only have to pay interest charges for an initial period (up to 5 years generally). A fixed interest rate also applies to the loan for set period. At the end of that fixed period, the retail client can set a new period (however, if this is not done the loan will automatically convert to a variable interest rate). Retail clients have no ability to make additional repayments without incurring early repayment costs.

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Term loan	Retail clients that want to repay their loan over medium to long term period (up to a term of generally 5 years).
Minimum Loan Amount	Retail clients who want to borrow at least \$20,000 generally.
Residential Investment	This product may not be suitable for retail clients who will use an acquired residential property to live in as a principal place of residence.
Suitable Entity Type	This product may not be suitable for individuals.
Interest only period	Retail clients who want to pay interest only for a specified period (up to generally 5 years). Repayments are made on a monthly frequency.
Fixed interest rate	A fixed interest rate means the interest rate will remain the same for a nominated period. At the end of the period, the retail client can nominate a new fixed interest rate period, capped at no more than five years and within the remaining term of the loan, otherwise the loan will convert to a variable rate loan.
Fixed Rate Lock	A Fixed Rate Lock gives retail clients the option to pay a fee to guarantee the current fixed rate offered to them will still apply to their loan when they first draw down on their loan, provided that is no more than 3 months after the Fixed Rate Lock application, as protection against possible higher fixed rates at that future date.
Early repayments and redraw	Retail clients who do not require the flexibility to make additional repayments of the specified cap without incurring an extra fee or charge. No additional repayments can be made during the fixed rate period. Any additional repayments, or changes to the fixed rate period (eg ending it early), may incur in additional fees or charges (eg break costs). Retail clients cannot access additional repayments during the fixed rate period.
