Product Description

A Family Home Guarantee - Bendigo Complete Principal & Interest Home Loan (Fixed Rate) is a term loan (up to a maximum term of 30 years) which is used to finance the acquisition of residential property. Retail clients must be eligible single parents or eligible single legal guardians of at least one dependent and satisfy the eligibility criteria as specified here <https://www.housingaustralia.gov.au/support-buy-home/family-home-guarantee>. A fixed interest rate applies to the home loan for a fixed period. After the end of the fixed period, the retail client can set a new period (if no new period is selected, the home loan will convert to a variable interest rate). Retail clients have limited ability to make additional repayments without incurring early repayment costs. Retail clients can also access other features. Regular principal and interest repayments are required over the term of the loan.

Early repayments and redraw	Retail clients who do not require the flexibility to make additional repayments of the specified cap without incurring an extra fee or charge. Additional repayments during the fixed rate period are capped at 20% of principal amount at the commencement of a fixed rate period. Retail clients can access additional repayments through the redraw function in internet banking (1 repayment amount is preserved and not accessible).
Access to other features	Retail clients who may want access to other features (including a linked offset account) and are willing to pay additional fees or charges to access them (if applicable).
