## 1. Target market for this product

### Target Market

The retail clients for whom this product has been designed are individuals who:

- want to have an account to have money paid into which is available at call; and
- want to use their account balance to reduce interest charged on an eligible linked Alliance Bank-branded home loan.

### Product Description

An Alliance Bank-branded Offset Account is a multi-purpose transaction account that allows a retail client to use their savings to offset against the interest charged on an eligible Alliance Bank home loan. Deposited funds are available at call with no minimum balance required, accessible via many channels and with no account keeping fees.

### Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Eligibility	This product is only available to retail clients who hold an eligible Alliance Bank-branded home loan to link the account to.
Easy access to funds	Retail clients can make regular transactions like an ordinary savings account and access funds with no minimum balance. Funds are available at call and can be accessed using card, via internet and phone banking and in branch.
No minimum balance	Retail clients who want an account with no minimum balance restrictions.
No monthly account keeping fees	Retail clients can benefit from additional savings with no monthly account keeping fees.
100% interest offset benefit against eligible home loan	Retail clients who have additional savings that they still wish to access can save on the interest charged on their home loan. The account must be linked to an eligible home loan.
