## 1. Target market for this product

### Target Market

The retail clients for whom this product has been designed are non-trading companies or trusts (discretionary or family) with a corporate trustee who:

- want a term loan to finance or refinance the acquisition of residential property for the purpose of it being used as a residential investment;
- want to repay the interest amount only for a specified term (interest only up to 5 years) and then repay the principal balance as well as the interest accrued over the remaining term (maximum total term is 25 years)
- want flexibility to make additional repayments and have access to those early repayments;
- can afford the loan; and
- can provide the residential property as security for the loan

### Product Description

Bendigo Bank's Non-Individual Residential Investment Interest Only Home Loan (Variable Rate) is a variable interest rate term loan (for a term of 25 years) which is used to finance or refinance the acquisition of a residential investment property. Retail clients only have to pay interest charges for an initial period (up to 5 years) after which they then have to pay principal and interest for the remainder of the loan term. This home loan allows retail clients to make additional repayments without incurring early repayment costs and have access to them.

### Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Term loan	Retail clients that want to repay their loan over medium to long term period (up to a maximum of 25 years).
Minimum Loan Amount	Retail clients who want to borrow a minimum amount of \$5,000
Residential Investment	Retail clients who will use the residential property acquired with the loan as a residential investment residence. This product may not be suitable for retail clients who will use the residential property to live in as a principal place of residence.

Attribute	Appropriate for
Suitable Entity Type	<p>Non-trading companies – all directors are to be listed as guarantors of the loan.</p> <p>Family or Discretionary Trusts where there is a corporate trustee – all beneficiaries are natural persons.</p> <p>This product may not be suitable where all parties to the business are individuals, and the business is not a corporate (or company).</p>
Interest only period (prior to regular repayments of principal and interest)	Retail clients who want to pay interest only for a specified period at the start of their home loan (up to 5 years). After which, regular scheduled principal and interest repayments will be required for the remaining loan term. Repayments are made on a monthly frequency.
Variable interest rate	A variable interest rate means the interest rate may increase or decrease over the term of the loan. This product may not be suitable for retail clients who require certainty around repayments by having a fixed interest rate.
Early repayments and redraw	Retail clients who want the flexibility to make additional repayments without incurring early repayment fees, and the ability to access those repayments (1 repayment amount is preserved and not accessible).
Security over residential property	Retail clients that can use the residential property they have acquired with the loan as security for it.
