1. Target market for this product

Target Market

The retail clients for whom this product has been designed are investors who:

- want a regular income;
- want a low risk investment;
- can make an initial investment of at least the minimum investment amount (generally \$1,000);
- want the ability to make additional contributions to their investment (including through regular periodic contributions);
- want a cash solution with capital stability; and
- want access to their funds at call.

Product Description

The SCCF is a managed fund scheme for retail clients seeking a low-risk investment who are looking for a cash solution with capital stability and regular income on an 'at call' basis. Retail clients can access funds through Bendigo Bank's e-banking services. This fund also allows investors to receive quarterly income distributions.

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Eligibility	Retail clients who are Australian residents and retail clients who are non-residents residing in Australia.

Attribute	Appropriate for
Minimum investment	Retail clients who can make an initial investment of at least the minimum investment amount (generally \$1,000). If the current value of the investment falls below the minimum investment balance (generally \$1,000), Sandhurst Trustees may redeem the retail client's interests and pay the proceeds to them.
Additional contributions	Retail clients may also make additional contributions to the fund using cheque, direct debit or other method acceptable to Sandhurst Trustees. Retail clients can make regular periodic contributions.
Access to funds	Retail clients can access their funds through Bendigo Bank's e-banking services. Retail clients may make withdrawals, subject to the fund's constitution. Funds will be payable by cheque or credited to the retail client's nominated account generally on the day of request (although large withdrawals may require advance notice).
Investment risk	Retail clients who want an investment with a low risk profile.
Generate regular income	Retail clients who want a low-risk investment product that is generating a competitive return when compared to other similar style cash savings accounts.
Income distribution	Retail clients who want regular income through quarterly distributions. Retail clients can elect to reinvest distributions or have them paid to them.
