

Adelaide Cash Management Trust

Quarterly fund update - September 2025

The Adelaide Cash Management Trust (Trust) may be the ideal way to consolidate your cash as the central point or 'hub' of your investment portfolio.

Investment objective and return

The objective of the Trust is to meet or exceed the official cash rate set by the Reserve Bank of Australia (performance benchmark) before fees.

Note the benchmark is not a guarantee of Trust performance.

Investment strategy

The Trust invests in cash. 100% cash is invested on deposit with Bendigo and Adelaide Bank (Bank). As the Bank is an authorised deposit-taking institution, these deposits are regulated by APRA, but are not Government guaranteed.

Footnotes

1. Distribution returns are automatically reinvested. Income is calculated daily and distributions are normally paid monthly to investors on the last business day of the month and upon closure of your CMT account.
2. Management fees & costs are based on fees and costs incurred by the Trust in the past financial year and may be different in the current and future financial years. Other fees and costs may apply. See the Product Disclosure Statement for full details.
3. Information including fees and charges and terms and conditions applicable to the Bank's transaction services are set out in the Transaction Services Guide – Adelaide Cash Management Trust ('Guide'), available at www.bendigobank.com.au/managedfundsforms. If you use any of the Bank's transaction services, you do so on the terms and conditions in the Guide.
4. Performance is calculated after fees and costs and assumes reinvestment of income. Past performance is not a reliable indication of future performance.
