- Under the 'Example of annual fees and costs for the Fund' section, the table is deleted and replaced with the following:
This table gives an example of how the fees and costs for the Fund can affect your investment over a one-year period. You should use this table to compare the Fund with other managed investment products.

EXAMPLE: Sandhurst Investment Term Fund		BALANCE OF \$50,000 WITH A CONTRIBUTION OF \$5,000 DURING YEAR
Contribution Fees	Nil	For every additional \$5,000 you put in, you will be charged \$0.
PLUS Management Fees and Costs	1.08% p.a.	And, for every \$50,000 you have in the Sandhurst Investment Term Fund, you will be charged or have deducted from your investment \$540 each year
PLUS Performance Fees	0.25% p.a.	And, you will be charged or have deducted from your investment \$125 in performance fees each year ¹
PLUS Transaction Costs	0.00% p.a.	And, you will be charged or have deducted from your investment \$0 in transaction costs.
EQUALS Cost of Sandhurst Investment Term Fund		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs in the range of: \$665 to \$732 What it costs you will depend on the fees you negotiate.

¹This performance fee represents an amount equal to the income earned by the Fund above the Anticipated Return during the applicable investment term.

The 0.25% presented in this example is calculated based on an average of the performance fees paid to Sandhurst over the previous five financial years.

It is deducted from the Fund's income and not from an investor's capital invested in the Fund, which in this example is an amount equal to \$50,000 with an additional \$5,000 of capital invested during the year.

The performance fee may vary depending on market conditions and the actual performance fee payable may be higher, lower or not payable at all.

"As at 30 September 2024, the management fee actually paid to Sandhurst was 1.03% p.a. (incl. GST) of capital sums invested in the Fund."
