Dear <Client Name>

Notice of fund termination – Bendigo Global Share Fund

Portfolio number: <Client Number>
Portfolio name: <Client Portfolio Name>
Client name: <Client Name>

On 30 October 2020, Sandhurst Trustees Limited (**Sandhurst**) as responsible entity of the fund, has made the decision to terminate the Bendigo Global Share Fund (**Fund**).

In accordance with, and for the purposes of, clause 20 of the Fund's constitution, Sandhurst determines **9 February 2021** as the termination date. The Fund will be wound up in accordance with the Fund's constitution with the net proceeds of the sale of assets distributed to unitholders.

Why have we made this decision?

The Fund was set up in 2006 under the name of Sandhurst Professional GVI Global Industrial Fund. The Fund was one of four in the Professional Series of which three were closed and wound up in October 2016. The Fund was revamped in 2017 as the Bendigo Global Share Fund. Since inception, the Fund has continued to see a decline in new investors and funds under management. After a review into the Fund and its performance over the years, it was determined that we would be unable to keep costs sustainable with declining demand for single asset fund. As such, Sandhurst Board has concluded that, in its opinion, it is in the best interests of unitholders to wind up the Fund.

We have outlined the steps below and key dates to help you make an informed decision about your investment with us.

What does this mean for you?

This notice commences the process of winding up assets in the Fund. Regular Savings Plan will cease prior to the next scheduled deduction in November 2020. From early February 2021, the assets of the Fund will be liquidated into cash. There are 3 options available to you:

1. Switch into an alternate Sandhurst managed fund by withdrawing and purchasing units using our Switch Form. See below for further details. Visit bendigobank.com.au/managedfunds for more information about other Sandhurst managed funds.
2. Withdraw all of your units and close your account prior to 8 February 2021, 12pm Melbourne time. The Withdrawal Form is available on www.bendigobank.com.au/managedfundsforms
3. Do nothing and wait for net proceeds of sale of assets to be deposited into your bank account as shown below.

Withdrawal or switch requests received by us in writing by 8 February 2021, 12pm Melbourne time will be actioned. We will endeavour to pay withdrawal proceeds within five business days of receiving your request. There may be a delay in processing during the December 2020 distribution period. Withdrawals will be processed based on the withdrawal unit price calculated on the day the withdrawal request is received.

From 9 February 2021, the Fund will be closed to any withdrawal or switch requests. During this time you will not be able to access your investment in the Fund. Once the realisation of assets is complete, subject to you being a unitholder as at the close of business on the 9 February 2021, net proceeds will be paid to you on a pro-rata basis on or before the 23 February 2021. We will send you a final confirmation statement and these funds will be transferred to your bank account shown below:

Termination of Bendigo Global Share Fund – Frequently Asked Questions

Questions	Answers
Why did the Sandhurst Board think it was in the best interests of unitholders to wind up the Fund?	<p>The Board was of the view that:</p> <ul style="list-style-type: none"> ▪ Based on feedback and outcome of a review into the Fund, there is lack of demand for a global share fund. ▪ The Fund has also been underperforming when compared to the benchmark since inception. ▪ Due to the decrease in fund size over the years, the management costs would need to increase which will not be sustainable over the longer term.
Does the Sandhurst have the right to terminate the Fund without unitholders approval?	<p>Clause 20 of the Fund's constitution provides Sandhurst the right to terminate the Fund by issuing an advance notice to unitholders. Refer to Notification of termination of fund issued with this FAQ.</p> <p>The termination and wind up process does not require a resolution or approval from unitholders.</p>
What does this mean for the Fund?	<p>Once all accounts have been closed and net proceeds have been distributed, the Fund will be deregistered with the Australian Securities and Investments Commission (ASIC). This means that the Fund will cease to exist as a registered managed investment scheme.</p>
I have a Regular Savings Plan (RSP), what do I do?	<p>The Fund is obliged to cease issuing new units when it is being wound up. All existing RSP's will be stopped prior to the scheduled November 2020 deduction so no action is required from you.</p>
Will I or the Fund lose any money?	<p>Sandhurst will bear the costs in winding up the Fund including costs associated with the selling the assets. Accordingly, the net asset value (NAV) of the Fund will not be impacted by early withdrawals or the wind-up. All unitholders are treated equally regardless of whether they choose to withdraw their units before the termination date or not.</p> <p>Withdrawals will be valued on the date your withdrawal request is received. The final NAV will be determined on the termination date of 9 February 2021.</p> <p>The unit price will vary between now and the early withdrawal date or the termination date, depending on the movement of market value of the investments in the Fund.</p>
Why can't I access my funds during the week 9 February 2021?	<p>The Fund will terminate on 9 February 2021 and then proceed on with completing the wind-up process of the Fund. Accordingly, no access to funds is allowed to ensure the wind-up process is done in an orderly manner.</p> <p>This process is expected to take up to 2 weeks to complete.</p>
What does 'realise the assets' mean?	<p>This process involves Sandhurst converting the Fund's assets to cash and, paying all Fund liabilities and costs.
