If fixed rates are reduced the lower of the two rates applies.	\$600 + 0.15% of the loan amount.

Lenders Mortgage Insurance (LMI) – Insurance offered by an external provider that enables you to buy a home with less than a 20% deposit. This is a fee (or premium) that is paid to the external provider to insure the lender (the bank) against non-payment or default on your home loan and can generally be added on top of your loan amount. If LMI is applicable, your lender will be able to provide a quote during the application process.

Legal Fees – Fees payable to seek legal advice and representation during the process of buying or selling a house.

Consent or Production Fees – Fees payable to another security provider for the consent and/or production of a security. Production fee of \$150 is payable per document we produce to any Land Titles Office. For example, a lender has the 1st mortgage, and you consent to obtaining a 2nd mortgage on your property.

Registration Fees and Stamp Duty – is payable to any government body for registration and/or stamp duty payable. This is debited to your loan account when we become aware that the registration fees and/or stamp duty must be paid and is payable after that as part of your loan account balance.
