A Message from the Chair

As Chair of Adelaide Plains Financial Services Ltd, I am pleased to share recent highlights and provide an update on our continued efforts to support the local community through our Community Bank branches in Virginia and Elizabeth.

One of the highlights of 2025 so far was the Virginia Community Street Party, held on 30 March. The event was a tremendous success, drawing **over 3,000 attendees**. It was a vibrant occasion that brought together families, businesses, and community groups for a day of entertainment, food, and connection.

I extend my sincere thanks to the many volunteers who helped make the day such a memorable occasion. The Street Party also provided an excellent opportunity for our bank to engage with local residents and showcase our commitment to the community we proudly serve.

Our team remains focused on delivering strong financial outcomes, while continuing to reinvest a significant portion of our profits into local projects, organisations, sporting groups and partnerships that make a tangible difference. We are proud to be a bank that not only delivers personal and business banking solutions but also returns value to the community.

Despite global economic uncertainty, rising cost of living pressures and interest rate changes, the Company remains in a strong financial position. We are well placed to manage these external challenges without any disruption to our operations or commitment to the community.

Looking forward, we remain committed to our strategic priorities – delivering exceptional customer service, increasing shareholder value, supporting local economic growth, and strengthening community engagement to create lasting benefits for both our shareholders and the communities we serve.

On behalf of the Board and our team, I thank you for your continued support of our Community Bank. I encourage you to visit our Virginia and Elizabeth branches for a conversation with our friendly staff – we value your feedback and remain committed to serving our community with care and integrity.

Wow! What a celebration!

On 30 March, Community Bank Virginia & Districts marked 25 years of banking service, hosting a fantastic local community street party.

A section of the main street in Virginia was closed off and came alive with locals enjoying free children's entertainment, live music, market stalls, and a wide variety of food vendors. The weather was perfect, and the atmosphere electric – made even more special by our host for the day, Channel 7's very own Rosanna Mangiarelli.

Adding to the day's excitement was a traditional lion dance performed by Phap Hoa Lion Dance in full costume, and the local CFS making children's dreams come true with hands-on fire truck experiences.

Among the honoured guests were Karl Goode (Bendigo Bank State Manager SA/WA/NT), Playford Mayor Mr Glenn Docherty, MP Nick Champion, and MP Tony Zappia – all of whom congratulated Community Bank Virginia & Districts on reaching this significant milestone.

The Board of Directors and staff from Community Bank Virginia and Elizabeth would like to sincerely thank our banking customers, shareholders, and the wider community for attending, and for their support over the past 25 years.

We look forward to continuing to serve your banking needs and supporting the community through sponsorships and partnerships that matter.

North Side Boxing Sponsorship

This year, Community Bank Virginia and Elizabeth are thrilled to throw our support behind Northside Boxing and Jiu Jitsu – a powerhouse not-for-profit club making a real impact in our community.

More than just a boxing gym, Northside is a vibrant, inclusive space where people from all walks of life come together. The club champions diversity and plays a vital role in supporting at-risk youth, individuals living with a disability, and empowers women through self-defence classes.

We were proud to have our very own team members, Candise and Hailey, step into the ring and experience the energy and spirit of a Northside boxing class firsthand!

At Community Bank Virginia and Elizabeth, we are proud to continue backing organisations that make a difference – because supporting our community is what we are all about.
