## Chairman's Message

Welcome to the New Year from all at AGEKOM. We have now been in operation for over 6 months and we have reached a milestone of banking on the books at over \$21 million. It is great to see the support with customers coming into the bank being greeted by our friendly staff.

Our business needs to grow steadily to keep supporting our local clubs and organisations and it is only with your banking that this can be achieved. Come in and ask what we can do for you.

The ATM in Edithvale should be in operation shortly as the new shop front of Cartridge World has been completed and is now awaiting installation of the ATM.

Once again, I would like to thank our share holders, our staff and our customers and ask that you pass on the good message and promote our bank to friends and acquaintances.

Warm wishes,

Ray Smith, Chairman

# Manager's Report

Hello once again! Hope you've had a great start to the New Year. Our branch has been very busy, with business on books now over \$21 million, 1144 accounts and our ATM is doing in excess of 2300 transactions per month.

We have had a couple of staff changes. We said goodbye to Dot, who has retired to spend more time with family and we welcome Matthew as our new full time customer service officer. Pop in to the branch to say hello!

Our branch has also been very active in its support of local organisations. To date, we have sponsored the Aspendale Gardens Primary School's Carnival, the Edithvale and Aspendale Life Saving Club for their Club to Club Open Water Swim event, Rotary Club of Aspendale for their Charity Golf Day, Edithvale Bowling Club for their Gala Day, Patterson River Country Club's Pro Am competition, South Metro Showtime and the Australian Scouting Association- Vic Branch for their Gazebo, totalling almost \$4700.

We can only keep supporting the community if the community keeps supporting us in return.

So come in to our branch and see either myself or the rest of my friendly team to see how we can help you with all your banking needs and experience the customer service we're renowned for.

Till the next issue, happy banking.
