

## Thank you.

Our branch has recently been awarded for outstanding performance – selected from a pool of 12 branches in the Bayside region. Your continued custom and referrals have made this award possible. Our heartfelt thanks for your business.

Above: Our certificates.  
Right: Branch staff with the awards.

Our branch is owned by the local community and we make it our promise to give back to that same community. Did you know that 80% of all our profits are given back to schools, sports groups and other community groups in and around our area? That is what makes us different to other banks. When you bank with us you are also investing back into your community, investing in the employment and skilling of local people, and investing into new facilities, events and other things that make a community a stronger and better place to live.

## Congratulations!

From everyone at Aspendale Gardens-Edithvale **Community Bank**<sup>®</sup> Branch, we would love to congratulate our staff member Brooke and her husband Matt, on the arrival of baby Layne Matthew Arthur! Weighing 8 pounds, 5 and half ounces, Layne was born at 3.26 am on 24 July of this year.

## Camp Awakenings Sponsorship Mount Eliza 2016.

With our Rotary Club partners, we are proud to sponsor secondary school children from diverse backgrounds to attend Camp Awakenings. In a hectic weekend of exhausting and character-building challenges, including abseiling, obstacle courses, night Olympics, barrel rides, zip lines, working blind folded with teams of strangers, dancing and so much more. The difference the camp makes to the kids is amazing!

## Android pay.

We are excited to announce that Bendigo Bank has introduced Android Pay. Forget fumbling through your wallet and handing over a card next time you're in a store. With Android Pay, simply tap your phone on a shop's contactless

card reader to make a payment. Android Pay doesn't send your actual card number with your payment. Instead we use a virtual account number to represent your account information so your card stays safe. Find out more on our website or pop into the branch to discuss.

## Our Community Pitch Competition.

Save the date – In May 2017, we'll be running a competition for community organisations and local businesses/start-ups to pitch for funding. Stay tuned – further details in the next edition.
