Message From Our Branch Manager

Welcome to our first edition of the new financial year. Reflecting on the previous 12 months, it has certainly been a challenging time for everybody.

I am extremely proud of the commitment shown by our staff who have supported our customers throughout the year. Davorin, Nicole and Sonia have gone above and beyond what is expected of them and for that I thank them very much.

For those that don't know, the Community Bank model is based on a 'profit-with-purpose' philosophy.

Our profits are invested back into the community that has generated them via grants, scholarships, and sponsorships.

So, when you move your banking to Community Bank Aspendale Gardens-Edithvale, not only do you get access to a full suite of financial products and great service, but also the satisfaction knowing your banking is making a difference in your local community.

Therefore, to maintain our community support, it is critical that we continue to grow our business.

On behalf of my team, I would like to thank you all for your continued support and look forward to seeing you all in the coming months.

Chairs update

The COVID environment has been very challenging to our community and local businesses. We are committed to support you through these difficult times.

We have invested over \$250,000 back into the local community and stand ready for providing additional support. Applications for grants and sponsorships are open so please reach out to your friendly Aspendale Gardens branch manager for assistance.

The low interest rate environment continues to put pressure on our profitability. However, it has also created a favourable environment for home owners and investors. As you may have seen in recent media coverage, home loan growth has bounced back in the new year and we are cautiously optimistic about this growth trend.

The branch staff has continued providing excellent essential service throughout the year and we thank you for your ongoing support in these difficult times.
