Chairman's report

For year ending 30 June 2011

I have had the honour of being Chairperson since December 2009 following the resignation of Sam Skippen, the inaugural Chairperson of Agnes Water/1770 **Community Bank**[®] Branch.

Our branch faced a challenging time opening its doors amidst a world monetary crisis and council amalgamation, with many local businesses having difficulties; the growth of our branch has been slow. This year those factors have been compounded by a continued impact from the GFC, with statewide and local abysmal wet weather conditions and road closures causing a repeated disappointing tourism trading period for Agnes Water and 1770. While 2009 reporting saw budget targets achieved, 2010 results are regrettably below budget projections. Although the forecast growth in the prospectus set during the boom period pre-2007 has not been achieved, it is estimated that we are only about 12-18 months away from delivering a profit, and that our current footings are comparable to other **Community Bank**[®] branches.

The town's growing understanding and support of such a community oriented enterprise continues to be encouraging, however there remains much scope for growth within shareholder banking. The cornerstone for success of the **Community Bank**[®] model lies within the support of the shareholders and the community being served. As shareholders you should be interested to know that we can achieve profitability simply by more shareholders changing their primary banking to our branch. This in turn would allow a return on investment in the form of dividends to all shareholders.

For the future, we believe that by tapping into the potential of emerging growth opportunities in Gladstone, the Board, together with our Branch Manager, has the ability to create a great banking experience for our shareholders and customers. Our community will have no need to bank anywhere else. The incoming Board members are committed to serving our shareholders and our community members with due diligence and will look forward to working together with you to achieve future success for all.

A significant point of difference with the **Community Bank**[®] model is its philosophy of supporting community organisations. Though still in the development phase we have managed, since opening, to distribute more than \$28,000 to supporting local community groups and projects. This has been possible through Bendigo and Adelaide Bank Ltd's Market Development Fund, which is made available to branches on the basis of new business written and has enable us to develop a positive profile of the kind of benefactor we will become once in profit. Agnes Water/1770 **Community Bank**[®] Branch looks forward to making further significant contributions to community projects in the coming year, on the basis of anticipated new business.

As with every year, we have had our share of personnel changes at both Board and staff levels. On behalf of the Board I sincerely acknowledge the contribution to Agnes Water/ 1770 Community Enterprises Ltd made by Penne Millar the inaugural Branch Manager, who due to ill health resigned her position in November 2010. As in all aspects of her life, she was a dedicated professional and a tireless supporter of the Agnes Water/1770 community and surrounds.

I welcome the appointment of Mark Mooney our new Branch Manager, and recommend that all shareholders and community members take time to familiarise themselves with the expertise that Mark brings to our community. We also saw the staff appointment of Cheryl Murry, who with Shiree, Dianne and Deb continue to provide the professional suite of financial services to our community together with support to numerous community groups.

Chairman's report continued

I also recognise my Board colleagues for their support, contribution and dedication throughout the year. Sheryl Barrett as Secretary and Debra Richards as Treasurer and Renate Konrad with her business experience have stepped down. I would also like to thank Matt Burnett, Eddie Thompson as Treasurer, Julie Cook as Secretary and Susannah Plumridge, our own local Veterinarian who is taking on the role as Chairperson.

Finally I would like to thank you, our shareholders, for your continued support and loyalty which are extremely important to the ongoing growth of Agnes Water/1770 Community Enterprises Ltd and the success of Agnes Water/1770 **Community Bank**® Branch. As shareholders in Agnes Water/1770 Community Enterprises Ltd, you have invested in a Company which supports your community, every day.

Glen Smart
Retiring Chairperson

Manager's report

For year ending 30 June 2011

Agnes Water/1770 **Community Bank**[®] Branch is now 3 years old and continues to grow and support the community. After being appointed the new Branch Manager effective 21 March 2011, it quickly became apparent that the preceding nine months had been difficult for not only the branch but the town and region in general. The impact of the GFC continued to hinder business and this was compounded by the floods and follow on effect for tourism, overall a very difficult year.

Despite all the negatives and a change of Branch Manager during the year, Agnes Water/1770 **Community Bank**[®] Branch continued to show growth for the 3rd consecutive year. Customer numbers increased by 180 to 1,078 and growth in total combined footings (deposits & lending) for the year was 6.7% as at 30 June 2011. Revenue for the year was well under budget however this was offset by sound expense management, the net result being an improvement in the bottom line.

In order to increase revenues, the branch needs the support of the local community and share holders. A look at the business shows that the 1,078 existing customers have on average of 1.6 products; this shows that whilst our customers support the branch, they actually still have the majority of their banking with our competitors. In relation to the shareholders, only 54% actually bank with Agnes Water/1770 **Community Bank**[®] Branch.

As the new Branch Manager, this tells me that there are massive opportunities within our existing customer base and shareholders to grow the business and make an even greater on going contribution to the town and region. I am confident that the changes in staffing, the Board and how the business is now operated will provide sufficient comfort for the people and business's of the region to give Agnes Water/1770 **Community Bank**[®] Branch the opportunity to meet their banking and financial needs in full.

The Board of Directors of Agnes Water/1770 **Community Bank**[®] Branch have seen some big changes and we end the year with a number of new Board Members who will bring experience and further opportunities to the branch. Contributions back to the community continued through out the year with a number of local community groups befitting – Little A's \$3,000, Agnes Water SLSC \$5,454, Rural Fire Service \$2,000, Ambulance \$2,200 and a number of other local organisations including the Lions club, Bowls club, Triathlon committee, 1770 Festival and Arts show. With increased support discussed above, these contribution can and will continue to grow as the bank continues to grow.

With budgets and targets set for the 2011/12 financial year in place it is expected that the Agnes Water/1770 **Community Bank**[®] Branch will reach profitability within 18 months. This can be achieved much sooner but all depends on the level of growth in deposits and lending and this can only be generated from increased support from the community and shareholders.

The branch staff, Shiree, Dianne, Deborah and Cheryl – I personally extend my thanks and gratitude for their efforts, they have risen to the challenges and continue to up skill and demonstrated pride and commitment for the Agnes Water/1770 **Community Bank**[®] Branch.

In closing I would like to thank the staff, Board members, our customers and shareholders for their support and I look forward to seeing the Agnes Water/1770 **Community Bank**[®] Branch continuing grow and give back even more to the local community and district for many years to come.

Mark Mooney
Branch Manager

Bendigo and Adelaide Bank Ltd report

For year ending 30 June 2011

As **Community Bank**[®] shareholders you are part of something special, a unique banking movement which has evolved into a whole new way of thinking about organising and strengthening community.

Together, we have reached new heights and achieved many great successes, all of which has been underpinned by our commitment and dedication to the communities we're a part of.

Together we're making extraordinary progress, with more than \$58.25 million returned to support community groups and endeavours since the network was established in 1998.

The returns grow exponentially each year, with \$469 thousand returned within the first five years, \$8.15 million within the first eight and \$22.58 million by the end of the first decade of operation. Based on this, we can predict the community returns should top \$100 million within the next three years, which equates to new community facilities, better health care, increased transport services and generally speaking, more prosperous communities.

Together, we haven't just returned \$58.25 million; there is also the flow on economic impact to consider. Bendigo and Adelaide Bank is in the process of establishing an evidential basis that captures the complete picture and the economic outcomes these initiatives generate. However, the tangible outcomes are obvious. We see it in tenanted shops, increased consumer traffic, retained local capital and new jobs but we know that there are broader elements of community strength beyond the economic indicators, which demonstrate the power of our community models.

It is now evident that branches go through a clear maturity phase, building customer support, generating surpluses and establishing a sustainable income stream. This enables Boards to focus less on generating business and more on the community's aspirations. Bendigo is facilitating this through Director engagement and education, community consultations and other community solutions (Community Enterprise Foundation[™], Community Sector Banking, Community Telco, Generation Green[™] and Community Enterprises) that will provide Boards with further development options.

In Bendigo, your **Community Bank**[®] Board has a committed and successful partner. Our past efforts and continued commitment to be Australia's leading customer-connected bank, that is relevant, connected and valued, is starting to attract attention and reap rewards.

In January, a Roy Morgan survey into customer satisfaction saw Bendigo Bank achieve an industry leading score among Australian retail banks. This was the first time Bendigo Bank has led the overall results since August 2009.

In May, Fitch Ratings upgraded Bendigo and Adelaide Banks Long-Term Issuer Default Rating (IDR) to A- from BBB+. This announcement saw us become the first Australian bank – and one of the very few banks globally – to receive an upgrade since the Global Financial Crisis.

Standard & Poor's revised credit rating soon followed seeing Bendigo and Adelaide Bank shift from BBB+ stable, to BBB+ positive. These announcements reflect the hard and diligent work by all our staff, our sound risk management practices, low-risk funding and balance sheet structure, sound capital ratios and a sustained improvement in profitability.

The strength of our business model – based on our commitment to our customers and the communities that we operate in – is being recognised by all three ratings agencies.

Bendigo and Adelaide Bank Ltd report continued

Over the past year the bank has also added more than 700 additional ATMs through a network sharing agreement with Suncorp Bank, which further enhances our customers' convenience and expands our footprint across the country. In addition to this a further 16 **Community Bank**[®] branches were opened.

The bank has also had a renewed focus on business banking and re-launched our wealth management services through Bendigo Wealth, which oversees the Adelaide Bank, Leveraged Equities, Sandhurst Trustees and financial planning offering.

The **Community Bank**[®] model is unique and successful, it's one of our major points of difference and it enables us to connect with more than 550,000 customers, in excess of 270 communities and make a difference in the lives of countless people.

We are very proud of the model we have developed and we're very thankful for the opportunity to partner with communities to help build their balance sheets.

We thank you all for the part you play in driving this success.

Russell Jenkins
Executive Customer and Community

Directors' report

For the financial year ended 30 June 2011

Your directors submit the financial statements of the company for the financial year ended 30 June 2011.

Directors

The names and details of the company's directors who held office during or since the end of the financial year:

Susannah Sarah Plumridge

Chairman (Appointed 1 March 2011)

Age: 36

Vet

Susannah has been living and working in Agnes Water as the local vet since March 2008. Her 14 years in the veterinary industry have allowed her to work all along the eastern coast of Australia, all over the UK and to volunteer in Greece and PNG. She was attracted to AW as a beautiful place to live with a friendly small town feel. The **Community Bank®** is a great concept and has the potential to be a financial corner stone and contributor to the local area.

Interests in shares: Nil

Edward James Thomson

Treasurer (Appointed 30 November 2010)

Age: 53

Accountant

Eddie is a qualified accountant (IPA) with experience in the banking industry and a long stint in the fruit & vegetable industry. He has served as a Manager, Financial Controller and Company Secretary of a public company (COD/Sunshine Produce/QFVG) and as a Trustee Director on the Austsafe Superannuation Fund. Over the past 10 years he has operated small businesses - most recently providing bookkeeping services. He grew up in PNG and came to Australia in 1974. He and his wife Sharron moved from Brisbane to Agnes Water in October 2010 to be closer to their daughter and grand children and in search of a better lifestyle.

Interests in shares: Nil

Julia Ann Cook

Secretary (Appointed 19 January 2011)

Age: 48

Real Estate PA

Julia holds a certificate 111 in Education and spent 20 years as a teacher aide in Gladstone & Tannum Sands. During this time she participated on many committees and community organisations, holding various executive positions. After their three sons left home, Julia and her husband John moved to Agnes Water for the quiet life. She has worked for Harcourts Real Estate for nearly 12 months which has enhanced her existing administrative skills.

Interests in shares: 500

Matthew James Burnett

Director (Appointed 18 October 2010)

Age: 36

Councillor/Company Director

Matthew lives in Gladstone and has participated on many community organisations such as Brothers RL Football Club, Wolves Soccer Club, Brothers Cricket, Chamber of Commerce & Industry, Civic Beautification Committee, Urban Local Government Assoc. & Traffic Environment Advisory Committee. He is currently Deputy Mayor of the Gladstone Regional Council and director of the Gladstone Area Promotional & Development Ltd and a former director of the Gladstone/Calliope Aerodrome Board.

Interests in shares: 500

Directors' report continued

Directors (continued)

Glen Douglas Smart

Director

Age: 69

Business Owner

Glen has been involved in and worked with many industries during his life. He has travelled and worked in all states of Australia and New Zealand. He has over 30 years experience in the construction industry with a thorough working knowledge of financial and business development. Glen and his family have lived in the Miriam Vale Shire since 1984. He was a member of the Steering Committee formed to bring a Bendigo Bank **Community Bank**[®] branch to Agnes Water and continues to be heavily involved in the ongoing need to encourage and develop community infrastructure throughout the Miriam Vale Shire.

Interests in shares: 10,001

Cheryl Ann Barrett

Director (Resigned 26 September 2011)

Age: 50

Interests in shares: Nil

Bernadette Grassby

Director (Appointed 26 September 2011)

Age: 42

Bernadette currently works for 1770 Environmental cruises as a Driver/Tour Guide. Her first career was in Early Childhood Services. Bernadette has also been a business owner in the Tourism Industry and has an Associate Diploma in Child Sciences. She has enjoyed promotion and marketing in her various roles held in Tourism and is a committed community member involving herself in Gladstone Region Action Group.

Interests in shares: Nil

Mark Benjamin Perks

Director (Appointed 30 August 2011)

Age: 49

Caravan Park Manager

Mark resides in Agnes Water and is 48 years old. He has been a Business Director and a retail manager for 20 years. He currently manages the Caravan Park.

Interests in shares: Nil

Marci Phyllis Russo

Director (Appointed 30 August 2011)

Age: 54

Marci Russo and her husband moved to Agnes Water in 2004 from the U.S. With a degree in Visual Communication, Marci has worked as a graphic designer and Marketing Director for both advertising agencies and corporate in-house departments. She ran a successful design studio in Boulder, Colorado for 12 years and one in Los Osos, California for 5 years. While in Boulder, Marci volunteered in a low-income housing project's after school centre, tutoring primary and high school students. She is currently employed by the Agnes Water State School as a casual Teacher Aide, and continues to tutor children privately in academics and art, as well as freelance as a graphic designer.

Interests in shares: Nil

Directors' report continued

Directors (continued)

Gary Rapley

Director (Appointed 26 September 2011)

Age: 58

Garry started a Real Estate Business 20 years ago in Agnes Water/1770 building it into the most successful real estate in the area. He is currently in the process of starting a new business in the tourism industry called "Bushwacker Quad Bikes Tours". He has been very active in playing touch football over the years and outdoor motor cycle riding.

Interests in shares: Nil

Bruce Rhoades

Director (Appointed 26 August 2011)

Age: 55

Bruce is the Manager/chief pilot of Wyndham Aviation – Owner cut panel factory. He has been a Director of the Rural Lands Protection Board for 13 years, Chairman of the Silver Perch Growers Association for 3 years, Chairman of the Northwest Water Users Association for 7 years and secretary of the local GRAG branch.

Interests in shares: Nil

Renate Anna Konrad

Director (Resigned 3 March 2011)

Christine Olwyn Devine

Director (Appointed 30 August 2011)

Age: 60

Chris has resided in Agnes Water for approximately 4 years and is presently the owner/manager of the Fingerboard Rd Roadhouse. She has owned and managed many and varied businesses over the last 46 years

Interests in shares: Nil

Debra Anne Richards

Director (Resigned 17 November 2010)

Samantha Jane Skippen

Director (Resigned 17 November 2010)

John Charles Cook

Director (Resigned 17 November 2010)

Directors were in office for this entire year unless otherwise stated.

No directors have material interests in contracts or proposed contracts with the company.

Company Secretary

The company secretary is Julia Ann Cook. Julia was appointed to the position of secretary on 30 August 2011. She has many years of administrative experience in the workplaces and has been involved in various community groups.

Principal Activities

The principal activities of the company during the course of the financial year were in facilitating **Community Bank**[®] services under management rights to operate a franchised branch of Bendigo and Adelaide Bank Limited.

There has been no significant changes in the nature of these activities during the year.

Directors' report continued

Operating Results

Operations have continued to perform in line with expectations. The loss of the company for the financial year after provision for income tax was:

	Year ended 30 June 2011	Year ended 30 June 2010
	\$	\$
	(200,020)	(190,319)

Dividends

No dividends were declared or paid for the previous year and the directors recommend that no dividend be paid for the current year.

Significant Changes in the State of Affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review not otherwise disclosed in this report or the financial statements.

Matters Subsequent to the End of the Financial Year

There are no matters or circumstances that have arisen since the end of the financial year that have significantly affected or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company, in future years.

Likely Developments

The company will continue its policy of facilitating banking services to the community.

Environmental Regulation

The company is not subject to any significant environmental regulation.

Directors' Benefits

No director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the company, controlled entity or related body corporate with a director, a firm which a director is a member or an entity in which a director has a substantial financial interest.

Indemnification and Insurance of Directors and Officers

The company has indemnified all directors and the manager in respect of liabilities to other persons (other than the company or related body corporate) that may arise from their position as directors or manager of the company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance. The company has not provided any insurance for an auditor of the company or a related body corporate.

Directors' report continued

Directors Meetings

The number of directors meetings attended by each of the directors of the company during the year were:

	Board Meetings Attended	
	Eligible	Attended

Non Audit Services

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. Details of the amounts paid or payable to the auditor (Andrew Frewin & Stewart) for audit and non audit services provided during the year are set out in the notes to the accounts.

The board of directors has considered the position, in accordance with the advice received from the audit committee and is satisfied that the provision of the non-audit services is compatible with the general standard of independence for auditors imposed by the Corporations Act 2001.

The directors are satisfied that the provision of non-audit services by the auditor, as set out in the notes did not compromise the auditor independence requirements of the Corporations Act 2001 for the following reasons:

- all non-audit services have been reviewed by the audit committee to ensure they do not impact on the impartiality and objectivity of the auditor;
- none of the services undermine the general principles relating to auditor independence as set out in APES 110 Code of Ethics for Professional Accountants, including reviewing or auditing the auditor's own work, acting in a management or a decision-making capacity for the company, acting as advocate for the company or jointly sharing economic risk and rewards.

Directors' report continued

Auditors' Independence Declaration

A copy of the auditors' independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 13.

Signed in accordance with a resolution of the board of directors at Agnes Water, Queensland on 28 September 2011.

Susannah Sarah Plumridge, Chairman

Auditor's independence declaration

Lead Auditor's Independence Declaration under section 307C of the Corporations Act 2001 to the directors of Agnes Water/1770 Community Enterprises Limited

I declare, that to the best of my knowledge and belief, in relation to the audit for the financial year ended 30 June 2011 there have been:

- no contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- no contraventions of any applicable code of professional conduct in relation to the audit.

A handwritten signature in black ink, appearing to read 'David Hutchings'.

Notes to the financial statements

For year ended 30 June 2011

Note 1. Summary of Significant Accounting Policies

a) Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standard Boards and the Corporations Act 2001.

Compliance with IFRS

These financial statements and notes comply with IFRS International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. These areas involving a higher degree of judgement or complexities, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

Financial statement presentation

The company has applied revised AASB 101 Presentation of Financial Statements which became effective on 1 January 2009. The company has elected to present all items of income and expense recognised in the period in a single statement of comprehensive income.

Historical cost convention

The financial statements have been prepared under the historical cost convention on an accruals basis as modified by the revaluation of financial assets and liabilities at fair value through profit or loss and where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Comparative figures

Where required by Australian Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Adoption of new and revised Accounting Standards

During the current year the entity has adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

The adoption of these standards has impacted the recognition, measurement and disclosure of certain transactions. The following is an explanation of the impact the adoption of these standards and interpretations has had on the financial statements of the company.

Notes to the financial statements continued

a) Basis of Preparation (continued)

Adoption of new and revised Accounting Standards (continued)

- AASB 101 Presentation of Financial Statements

In September 2007 the Australian Accounting Standards Board revised AASB 101, and as a result there have been changes to the presentation and disclosure of certain information within the financial statements. Below is an overview of the key changes and the impact on the company's financial statements.

- Disclosure impact

Terminology changes – The revised version of AASB 101 contains a number of terminology changes, including the amendment of the names of the primary financial statements.

Reporting changes in equity – The revised AASB 101 requires all changes in equity arising from transactions with owners in their capacity as owners to be presented separately from non-owner changes in equity. Owner changes in equity are to be presented in the statement of changes in equity, with non-owner changes in equity presented in the statement of comprehensive income. The previous version of AASB 101 required that owner changes in equity and other comprehensive income be presented in the statement of changes in equity.

Statement of comprehensive income – The revised AASB 101 requires all income and expenses to be presented in either one statement, the statement of comprehensive income, or two statements, a separate income statement and a statement of comprehensive income. The previous version of AASB 101 required only the presentation of a single income statement.

The company's financial statements contain a single statement of comprehensive income.

Other comprehensive income – The revised version of AASB 101 introduces the concept of "other comprehensive income" which comprises of income and expense that are not recognised in profit or loss as required by other Australian Accounting Standards. Items of other comprehensive income are to be disclosed in the statement of comprehensive income. Entities are required to disclose the income tax relating to each component of other comprehensive income. The previous version of AASB 101 did not contain an equivalent concept.

New Accounting Standards for application in future periods

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods, as follows:

- AASB 9: Financial Instruments and AASB 2009-11: Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12] (applicable for annual reporting periods commencing on or after 1 January 2013)
- AASB 2009-12: Amendments to Australian Accounting Standards [AASBs 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052] (applicable for annual reporting periods commencing on or after 1 January 2011)

These standards are applicable retrospectively and amend the classification and measurement of financial assets. The company has determined these amendments will have no impact on the preparation of the financial statements and therefore they have not been applied.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

a) Basis of Preparation (continued)

Economic dependency - Bendigo and Adelaide Bank Limited

The company has entered into a franchise agreement with Bendigo and Adelaide Bank Limited that governs the management of the **Community Bank**[®] branch at Agnes Water, Queensland.

The branch operates as a franchise of Bendigo and Adelaide Bank Limited, using the name “Bendigo Bank” and the logo and system of operations of Bendigo and Adelaide Bank Limited. The company manages the **Community Bank**[®] branch on behalf of Bendigo and Adelaide Bank Limited, however all transactions with customers conducted through the **Community Bank**[®] branches are effectively conducted between the customers and Bendigo and Adelaide Bank Limited.

All deposits are made with Bendigo and Adelaide Bank Limited, and all personal and investment products are products of Bendigo and Adelaide Bank Limited, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo and Adelaide Bank Limited, must be approved by Bendigo and Adelaide Bank Limited. All credit transactions are made with Bendigo and Adelaide Bank Limited, and all credit products are products of Bendigo and Adelaide Bank Limited.

Bendigo and Adelaide Bank Limited provides significant assistance in establishing and maintaining the **Community Bank**[®] branch franchise operations. It also continues to provide ongoing management and operational support, and other assistance and guidance in relation to all aspects of the franchise operation, including advice in relation to:

- advice and assistance in relation to the design, layout and fit out of the **Community Bank**[®] branch;
- training for the branch manager and other employees in banking, management systems and interface protocol;
- methods and procedures for the sale of products and provision of services;
- security and cash logistic controls;
- calculation of company revenue and payment of many operating and administrative expenses
- the formulation and implementation of advertising and promotional programs; and
- sales techniques and proper customer relations.

Going concern

The company has, as part of its normal operations, obtained a overdraft facility with Bendigo and Adelaide Bank Limited to help finance operations. The company has also obtained an undertaking of support from Bendigo and Adelaide Bank Limited that it will continue to support the company and its operations for the 2011/12 financial year. This support is provided on the basis that the company continues to fulfill its obligations under the franchise agreement and continues to work closely with Bendigo and Adelaide Bank to further develop its business.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

b) Revenue

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefit will flow to the company and any specific criteria have been met. Interest and fee revenue is recognised when earned. The gain or loss on disposal of property, plant and equipment is recognised on a net basis and is classified as income rather than revenue. All revenue is stated net of the amount of Goods and Services Tax (GST).

Revenue calculation

The franchise agreement with Bendigo and Adelaide Bank Limited provides for three types of revenue earned by the company. First, the company is entitled to 50% of the monthly gross margin earned by Bendigo and Adelaide Bank Limited on products and services provided through the company that are regarded as “day to day” banking business (ie ‘margin business’). This arrangement also means that if the gross margin reflects a loss (that is, the gross margin is a negative amount), the company effectively incurs, and must bear, 50% of that loss.

The second source of revenue is commission paid by Bendigo and Adelaide Bank Limited on the other products and services provided through the company (ie ‘commission business’). The commission is currently payable on various specified products and services, including insurance, financial planning, common fund, Sandhurst Select, superannuation, commercial loan referrals, products referred by Rural Bank, leasing referrals, fixed loans and certain term deposits (>90 days). The amount of commission payable can be varied in accordance with the Franchise Agreement (which, in some cases, permits commissions to be varied at the discretion of Bendigo and Adelaide Bank Limited). This discretion has been exercised on several occasions previously. For example in February 2011 Bendigo and Adelaide Bank Limited reduced commissions on two core banking products to ensure a more even distribution of income between Bendigo and Adelaide Bank Limited and its **Community Bank**[®] partners. The revenue share model is subject to regular review to ensure that the interests of Bendigo and Adelaide Bank Limited and **Community Bank**[®] companies remain balanced.

The third source of revenue is a proportion of the fees and charges (ie, what are commonly referred to as ‘bank fees and charges’) charged to customers. This proportion, determined by Bendigo and Adelaide Bank Limited, may vary between products and services and may be amended by Bendigo and Adelaide Bank Limited from time to time.

c) Income Tax

Current tax

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or loss for the period. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by reporting date. Current tax for current and prior periods is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

Deferred tax

Deferred tax is accounted for using the balance sheet liability method on temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

c) Income Tax (continued)

Deferred tax (continued)

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. However, deferred tax assets and liabilities are not recognised if the temporary differences giving rise to them arise from the initial recognition of assets and liabilities (other than as a result of a business combination) which affects neither taxable income nor accounting profit. Furthermore, a deferred tax liability is not recognised in relation to taxable temporary differences arising from goodwill.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period(s) when the asset and liability giving rise to them are realised or settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by reporting date. The measurement of deferred tax liabilities reflects the tax consequences that would follow from the manner in which the consolidated entity expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax and when the balances relate to taxes levied by the same taxation authority and the company entity intends to settle its tax assets and liabilities on a net basis.

Current and deferred tax for the period

Current and deferred tax is recognised as an expense or income in the statement of comprehensive income, except when it relates to items credited or debited to equity, in which case the deferred tax is also recognised directly in equity, or where it arises from initial accounting for a business combination, in which case it is taken into account in the determination of goodwill or excess.

d) Employee Entitlements

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

The company contributes to a defined contribution plan. Contributions to employee superannuation funds are charged against income as incurred.

e) Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

f) Trade Receivables and Payables

Receivables are carried at their amounts due. The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts. Liabilities for trade creditors and other amounts are carried at cost that is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

g) Property, Plant and Equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including freehold buildings but excluding land. Depreciation is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated at the rate equivalent to the available building allowance using the straight line method. The estimated useful lives, residual values and depreciation method is reviewed at the end of each annual reporting period.

The following estimated useful lives are used in the calculation of depreciation:

- leasehold improvements	40 years
- plant and equipment	2.5 - 40 years
- furniture and fittings	4 - 40 years

h) Intangibles

The franchise fee paid to Bendigo and Adelaide Bank Limited has been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

Intangibles

The franchise fee paid to Bendigo and Adelaide Bank Limited has been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

i) Payment Terms

Receivables and payables are non interest bearing and generally have payment terms of between 30 and 90 days.

j) Borrowings

All loans are initially measured at the principal amount. Interest is recognised as an expense as it accrues.

k) Financial Instruments

Recognition and initial measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

k) Financial Instruments (continued)

Recognition and initial measurement (continued)

Financial instruments are initially measured at fair value plus transaction costs. Financial instruments are classified and measured as set out below.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset.

Classification and subsequent measurement

(i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

(ii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

(iii) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the statement of comprehensive income.

l) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the company are classified as finance leases. Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

Notes to the financial statements continued

Note 1. Summary of Significant Accounting Policies (continued)

m) Provisions

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions or other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

A provision for dividends is not recognised as a liability unless the dividends are declared, determined or publicly recommended on or before the reporting date.

n) Contributed Equity

Ordinary shares are recognised at the fair value of the consideration received by the company. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

o) Earnings Per Share

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the financial year, adjusted for bonus elements in ordinary shares issued during the year.

p) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of Goods and Services Tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. Cash flows are included in the statement of cash flows on a gross basis.

The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

Note 2. Financial Risk Management

The company's activities expose it to a limited variety of financial risks: market risk (including currency risk, fair value interest risk and price risk), credit risk, liquidity risk and cash flow interest rate risk. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the entity. The entity does not use derivative instruments.

Risk management is carried out directly by the board of directors.

(i) Market risk

The company has no exposure to any transactions denominated in a currency other than Australian dollars.

Notes to the financial statements continued

Note 2. Financial Risk Management (continued)

(ii) Price risk

The company is not exposed to equity securities price risk as it does not hold investments for sale or at fair value. The company is not exposed to commodity price risk.

(iii) Credit risk

The company has no significant concentrations of credit risk. It has policies in place to ensure that customers have an appropriate credit history. The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo and Adelaide Bank Limited.

(iv) Liquidity risk

Prudent liquidity management implies maintaining sufficient cash and marketable securities and the availability of funding from credit facilities. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

(v) Cash flow and fair value interest rate risk

Interest-bearing assets are held with Bendigo and Adelaide Bank Limited and subject to movements in market interest. Interest-rate risk could also arise from long-term borrowings. Borrowings issued at variable rates expose the company to cash flow interest-rate risk. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

(vi) Capital management

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board of directors monitor the return on capital and the level of dividends to shareholders. Capital is represented by total equity as recorded in the balance sheet.

In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the distribution limit.

- (i) the distribution limit is the greater of:
 - (a) 20% of the profit or funds of the franchisee otherwise available for distribution to shareholders in that 12 month period; and
 - (b) subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital of the franchisee over that 12 month period; and
- (ii) the relevant rate of return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid for the year ended 30 June 2011 can be seen in the statement of comprehensive income.

There were no changes in the company's approach to capital management during the year.

Notes to the financial statements continued

Note 3. Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

Taxation

Judgement is required in assessing whether deferred tax assets and certain tax liabilities are recognised on the balance sheet. Deferred tax assets, including those arising from un-recouped tax losses, capital losses and temporary differences, are recognised only where it is considered more likely than not that they will be recovered, which is dependent on the generation of sufficient future taxable profits.

Assumptions about the generation of future taxable profits depend on management's estimates of future cash flows. These depend on estimates of future sales volumes, operating costs, capital expenditure, dividends and other capital management transactions. Judgements are also required about the application of income tax legislation.

These judgements and assumptions are subject to risk and uncertainty, hence there is a possibility that changes in circumstances will alter expectations, which may impact the amount of deferred tax assets and deferred tax liabilities recognised on the balance sheet and the amount of other tax losses and temporary differences not yet recognised. In such circumstances, some or all of the carrying amount of recognised deferred tax assets and liabilities may require adjustment, resulting in corresponding credit or charge to the statement of comprehensive income.

Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience and the condition of the asset is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

Goodwill

Goodwill represents the excess of the cost of an acquisition over the fair value of the company's share of the net identifiable assets of the acquired branch/agency at the date of acquisition. Goodwill on acquisition is included in intangible assets. Goodwill is not amortised. Instead, goodwill is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

The calculations require the use of assumptions.

Notes to the financial statements continued

Note 3. Critical Accounting Estimates and Judgements (continued)

Impairment of assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets that have an indefinite useful life to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the consolidated entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(a) Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

Notes to the financial statements continued

Note 15. Contributed Equity (continued)

Rights attached to shares (continued)

(a) Voting rights (continued)

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the **Community Bank®** have the same ability to influence the operation of the company.

(b) Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo and Adelaide Bank Limited contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (see below).

(c) Transfer

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the Corporations Act.

Prohibited shareholding interest

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 10% or more of the shares in the company (the "10% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"). The base number is 150. As at the date of this report, the company had 167 shareholders.

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and his or her associates) have a prohibited shareholding interest, are suspended.

Notes to the financial statements continued

Note 15. Contributed Equity (continued)

Prohibited shareholding interest (continued)

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company, for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

Directors' declaration

In accordance with a resolution of the directors of Agnes Water/1770 Community Enterprises Limited, we state that:

In the opinion of the directors:

- (a) the financial statements and notes of the company are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the company's financial position as at 30 June 2011 and of its performance for the financial year ended on that date; and
 - (ii) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.
- (c) the audited remuneration disclosures set out in the remuneration report section of the directors' report comply with Accounting Standard AASB124 Related Party Disclosures and the Corporations Regulations 2001.

This declaration is made in accordance with a resolution of the board of directors.

Susannah Sarah Plumridge, Chairman

Signed on the 28th of September 2011.

Independent audit report

Independent Auditor's Report To The Members Of Agnes Water/1770 Community Enterprises Limited

Report on the Financial Report

We have audited the accompanying financial report of Agnes Water/1770 Community Enterprises Limited, which comprises the balance sheet as at 30 June 2011, statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes and the Directors' Declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and presentation of the financial report in accordance with Australian Accounting Standards and the Corporations Act 2001. This responsibility includes establishing and maintaining internal controls relevant to the preparation and presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making fair accounting estimates that are reasonable in the circumstances. In note 1, the directors also state in accordance with the Accounting Standard AASB 101 Presentation of Financial Statements that the financial statements comply with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Corporations Act 2001 and Australian Accounting Standards, a true and fair view which is consistent with our understanding of the company's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Liability limited by a scheme approved under Professional Standards Legislation. ABN: 51 061 795 337.

Independent audit report continued

Independence

In conducting our audit we have complied with the independence requirements of the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report. In addition to our audit of the financial report and the remuneration disclosures, we were engaged to undertake the services disclosed in the notes to the financial statements. The provision of these services has not impaired our independence.

Auditor's Opinion on the Financial Report

In our opinion:

- 1) The financial report of Agnes Water/1770 Community Enterprises Limited is in accordance with the Corporations Act 2001 including giving a true and fair view of the company's financial position as at 30 June 2011 and of its financial performance and its cash flows for the year then ended and complying with Australian Accounting Standards and the Corporations Regulations 2001.
- 2) The financial report also complies with International Financial Reporting Standards as issued by the International Accounting Standards Board.

Report on the Remuneration Report

We have audited the Remuneration Report included in the Directors' Report for the year ended 30 June 2011. The directors of the company are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300A of the Corporations Act 2001. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.

Auditor's Opinion

In our opinion, the Remuneration Report of Agnes Water/1770 Community Enterprises Limited for the year ended 30 June 2011, complies with section 300A of the Corporations Act 2001.
