Supporting our community.

Albany Community Bank® Branch proudly supporting Autism Support Network Albany (ASNA), Albany Primary School and Little Grove Primary School.

We are very excited to announce our donation of \$500 for a cash prize for second place to the upcoming Virtual Balloon Race Fundraiser! The launch is Saturday 23 May!

Our fundraiser 'Virtual Balloon Race' is an Australian first! We are going to sell virtual balloons through a website and by selling vouchers with an activation code.

Autism Support Network Albany (ASNA) is a parent run support group for family members of individuals with Autism Spectrum Disorder (ASD) in the Lower Great Southern Region of WA partnering with Albany Primary School and Little Grove Primary School for this fabulous event.

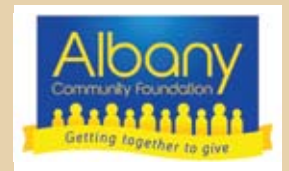

April was Autism awareness month. Our aim was to promote awareness of ASD in the community and at the same time raise much needed funds to continue with our current projects of supporting members. Funds go towards helping provide well known experts to visit Albany and surrounds to participate in projects as a men's group, ASD playgroup and also provide support to students with ASD and their respective schools.

Jump onto the website and buy your balloon to join the race!
