B Bendigo Bank

*All lending products are subject to the Bank's normal lending criteria. Terms, conditions, fees and charges apply and may be varied at any time. Bendigo and Adelaide Bank Limited ABN 11 068 049 178, AFSL/Australian Credit Licence 237679. A1455028 OUT_46806757 01/09/2025

Better banking. Big impact.

During 2025/26 Community Bank Balnarring & District invested a total of \$375,362 in our communities as, grants, donations, funds invested for future community projects and dividend payments.

This brings our total return to the community to \$4.5 million since opening in 2008. We remain incredibly proud of the way our Community Bank continues to give back to local communities, made possible through the ongoing support of our customers.

This has given access to many opportunities for social connection and enjoyment for hundreds of local people, whilst improving facilities and programs and further protecting our environment.

I must also acknowledge the contribution of my Staff and Board of Directors to the success of our Community Bank. Like the groups of hard-working and passionate volunteers with which we work, all Directors of Balnarring & District Community Services Limited volunteer their time and expertise to ensure the success of our company, across all parameters and I thank them for their commitment.

Mark Butler
Branch Manager

Members of Save Westernport recently joined over 340 people at a public information session about the sale, or divestment, of federal Government-owned land at HMA5 Cerberus Naval Base at Somers, also known locally as Sandy Point. READ SWP's REPORT on pages 18-22.

Somers CFA

Somers CFA received a combined \$1,349 across Rounds 3 and 4 of our Tokens of Appreciation program, recognising an organisation and its volunteers that play such an important role in the local community.

Bittern CFA

Our contribution helped Bittern CFA purchase a new community defibrillator and gloves for brigade members, supporting both community safety and our local volunteers. The brigade also received \$733 across Rounds 3 and 4 of Tokens of Appreciation.

Balnarring CFA

We were proud to help Balnarring CFA purchase an oxygen respirator kit and thermal imaging camera, providing important equipment to support the brigade in protecting our local community.

We also recognised the brigade's contribution to the Snazz in the Nazz event. Through Rounds 3 and 4 of Tokens of Appreciation, they received a further \$2,174

Crib Point CFA

We helped Crib Point CFA with much-needed tools and items for its community open day BBQ, supporting the many volunteers who give so much to keeping the local community safe.

CFA Vic Bushfire Appeal

Our contribution to the VIC Bushfire Appeal provided support for communities impacted by bushfires, helping contribute to the wider response during a challenging time.

Box Rally - Team 'Double Parked'

Our donation supported a local cancer fundraising event, helping contribute to fundraising efforts for an important cause.

More Information

<https://www.facebook.com/people/Team-Double-Parked-Shitbox-Rally-Autumn-2026/6157966559976/>

In July 2024, we introduced the Tokens of Appreciation initiative to our community. This program was created to give customers a meaningful role in deciding how the profits generated by their banking are distributed across our district.

Tokens of Appreciation allow customers to become more involved by selecting which community group benefits from the impact of their banking choices.

As you know, supporting our community is woven into the fabric of our business model. Returning profits to the communities that generate them strengthens the clubs, organisations, and projects at the heart of our district.

Over the past 24 months, Community Bank Balnarring & District Tokens of Appreciation program has resulted in \$32,000 of community funding being shared among approximately 30 local groups.

Community groups that promote this initiative amongst their members can benefit by encouraging all members to consider choosing Community Bank Balnarring & District as their bank of choice, which will then increase the allocation to their group.

Selected products include new home loans, bank accounts, insurance policies, credit cards, equipment finance, and more.

Community banking – profit with a purpose.

Carriage Driving for the Disabled

Our contribution helped fund first aid training for Carriage Driving for the Disabled volunteers, providing valuable skills for those who give their time to support the program and its participants.

More Information

<https://www.facebook.com/carriagedrivingforthedisabledmornington/>

Riding for the Disabled Peninsula

Our funding helped Riding for the Disabled Peninsula cover the cost of first aid training, uniforms and program aids for its volunteers, supporting the people who make its valuable programs possible.

More Information

<https://rdapeninsula.com.au/>

Cycling Without Age

Our contribution helped support the Cycling Without Age trike program for 2025/26, assisting with essential running costs such as insurance and helping the program continue providing opportunities for connection within the community.

More information_

https://www.facebook.com/cyclingwithoutage_morningtonpeninsula

Epilepsy Foundation

Through our Staff Grants program, we supported a local fundraising challenge in aid of the Epilepsy Foundation, helping contribute to fundraising and awareness for the organisation.

Story Dogs

Our contributions helped sponsor Story Dogs at St Joseph's Primary School, supporting a program that brings children and trained dog teams together to build confidence and enjoyment in reading.

Community Bank
Balnarring & District

All our directors volunteer their time to be part of the Community Bank.

This includes going to events, attending meetings and keeping up with everything happening in our community.

Directors volunteer their time because not having a salary means more profits for the bank and given that 80% of our profits go back into the community, we then have even more money to give back.

We would like to thank our twelve wonderful directors for their dedication to our Community Bank.

Community Bank
Balnarring & District

\$4.5 MILLION REASONS TO BANK LOCAL

Community Bank Balnarring & District celebrates another extraordinary milestone, made possible by the community that banks with us.

There are numbers that tell a story, and then there are numbers that represent thousands of stories.

\$4.5 million

That's more than just a figure on a page. It represents new equipment for local clubs, support for vulnerable families, safer community facilities, opportunities for young people, environmental projects, lifesaving programs, education initiatives, community events and countless hours of volunteering made that little bit easier.

Since opening its doors in 2008, Community Bank Balnarring & District has returned more than \$4.5 million to the local community. It is an extraordinary milestone, but the most important part of the story is that it has been achieved, by people choosing to bank with us. Every home loan, business account, savings account and banking relationship helps our Community Bank generate the profit that allows us to invest into the place we all call home. Quite simply, the more people who bank with us, the more we can give back.

The Community Bank model was built around a simple but powerful idea: banking can do more than provide financial products and services. It can help build stronger communities.

Community Bank Balnarring & District aims to return 80% of its profit directly to the community, supporting projects and organisations that create genuine, lasting benefit. Our Community Investment Program focuses on five key areas: Community Connections and Resilience, Social Inclusion, Environment, Education, and Housing and Homelessness. The impact across each of these areas can be seen throughout our district.

\$4.5 million – and we're not finished yet. Reaching more than \$4.5 million returned to the community since 2008 is something everyone connected with Community Bank Balnarring & District can be incredibly proud of.

But this milestone doesn't belong to the bank alone. It belongs to our customers. It belongs to the person who chose Community Bank Balnarring & District for their home loan. The family who opened an account. The local business that decided to bank with us. The customer who moved their banking because they wanted

their money to help make a difference closer to home. Every one of those decisions matters. Because unlike a traditional banking relationship, when you bank with Community Bank Balnarring & District, the success of your local branch helps create success throughout your local community.

Your banking becomes part of something bigger. Imagine what the next \$4.5 million could achieve. Imagine the facilities that could be built, the programs delivered, the young people supported, the environment protected and the local organisations that could grow.

That opportunity starts with all of us.

So, when you're considering a home loan, refinancing, business banking, savings, everyday accounts or other banking needs, there is one very important question worth asking:

Where does the benefit of my banking go?

At Community Bank Balnarring & District, the answer is simple. It comes back here. Back to our clubs. Back to our schools. Back to our environment. Back to our community organisations. Back to local people.

More than \$4.5 million since 2008 is proof of what can happen when a community gets behind its Community Bank. And with more people banking with us, just imagine what we could achieve next.

BANK LOCAL. GIVE LOCAL GROW LOCAL.

Your banking helps us give back. If you already bank with Community Bank Balnarring & District, thank you. You are part of the reason more than \$4.5 million has been invested back into our community. And if you don't bank with us yet, perhaps now is the time to make the switch. Because when you bank with Community Bank Balnarring & District, you're not just choosing a bank. You're choosing to invest in your community.

Flinders District Lions Club

We were pleased to support the Flinders District Lions Club's charity golf day and motoring fundraising events, helping the club raise funds and continue its support of the community.

The club also received an additional \$500 as part of our \$4 million community celebration.
