Chairperson's report

For year ending 30 June 2025

2024 / 2025 has been another good year for the Community Bank Beaufort, which shows a continued trend for delivering a stable and enduring financial performance. This performance has been achieved through Luke's values-based leadership approach. We have seen a shift in performance across our key metrics as attested in this report.

The year has seen significant economic influences, cost of living pressure remaining high, the reserve bank holding interest rates, the influence of President Trump and his tariffs (be they on or off), have created a volatile marketplace. This in combination with the drought conditions being experienced across the State have placed additional pressure on our local communities.

The Western Victoria Bushfire Appeal (Community Bank Beaufort and Community Bank Avoca Branches and the Community Enterprise Foundation) approved funding for the successful Just a Farmer film event held in Avoca in June, there is still funding available for projects and open for applications.

We commenced 2025 with a workshop to develop and refine our Strategic Plan 2025 -2030. This strategic document provides direction and drive for ensuring we add value and continue to serve our local communities.

A key pillar of the plan is telling our story and the drive to share our point of difference – 're-investing to our community'. An action from this pillar is to apply for Social Enterprise certification, should we receive shareholder endorsement. I commend our Strategic Plan to you.

We again held a well-attended information evening to demystify the application process for our community investment program. The quality of applications has improved considerably as a result. One of the great pleasures of being a Director is partnering with community groups to help deliver their projects.

The evening commenced with an informative and thought-provoking presentation on Cybersecurity by Branch staff member Naomi.

The refresh of the Branch was completed with the inclusion of the privacy planter boxes crafted by the Beaufort Men's Shed. It is fantastic to have their work on display in the Branch.

Our point of difference is never far from view, and this year's re-investment of \$148,525.00 delivered back to our community through grants and sponsorships for local projects and initiatives add to our mission of supporting the sustainability of rural communities.

The 2025 Financial Report delivered a profit of \$204,677 before community contributions and income tax expense, slightly behind the previous years' result of \$420,121. The result after income tax expense was a small deficit of \$1,035 for the year ended 30 June 2025. The focus remains on growing our existing customer base.

The Board is pleased to announce a fully franked dividend of 7.5c per share, consistent with 2024. The dividend will be paid to shareholders in December 2025.

I would like to thank Bendigo Bank for their support during the year, including Regional Manager, Kelly Torpy. We look forward to building our relationship with new Regional Manager, Leanne Martin.

I would like to express my sincere gratitude to our Board of Directors, Junior Directors – Annie Kehoe and Tara Allen. A special thank you to our employees - Branch Manager, Luke Calder, Naomi Damalas, Wendy Wen, Jodie Cuthbertson and Julie Smith and Company Secretary - Lynne Dickman, for all their work during the year. They are the heart and soul of our Community Bank. I also thank our shareholders and most importantly our customers for their continued confidence in our Community Bank.

Meryn Pease
Chairperson

Manager's report

For year ending 30 June 2025

As I reflect on the past year as Branch Manager of Community Bank Beaufort, I feel an immense sense of pride and gratitude. It has been an absolute joy to come to work each day, to serve this wonderful community, and to meet so many great people from Beaufort and the surrounding districts.

Over the 2024–2025 financial year, our branch has achieved some excellent outcomes. I'm pleased to report that we exceeded our lending growth targets, a testament to the trust the community places in us and the dedication of our team to supporting local people and businesses. We also met the majority of our key performance indicators (KPIs), reflecting consistent performance across the board.

However, like many financial institutions in the current economic climate, we did experience a decline in deposit balances. With ongoing cost-of-living pressures affecting many households, it's understandable that our customers are needing to call upon their savings to combat these pressures. We remain committed to supporting our customers through these challenges with care, empathy, and practical solutions.

Our success would not be possible without the incredible work of our dedicated staff. A heartfelt thank you to Naomi, Wendy, Jodie, and Julie—your commitment to outstanding customer service and the community does not go unnoticed. I'm grateful every day to work alongside such a dedicated and caring team.

I would also like to sincerely thank our Board of Directors, who give their time voluntarily to guide the direction of our bank. Their support and leadership are deeply appreciated. A special thanks as well to Lynne Dickman, our Board Secretary, for her valuable assistance and unwavering support throughout the year.

One of the most meaningful achievements of the year is that we have again been able to return \$100,000 to our community. These funds have supported local projects, groups, and initiatives that make Beaufort and our surrounding towns better places to live and thrive. It's important to remember that we can only continue to give back to the community if you choose to bank with us. Every loan, account, and product helps us generate profits that are reinvested locally. So, if you're in need of any banking services, we ask that you consider us as your first option.

Looking ahead, we remain committed to serving the people of this region with integrity, personal service, and community spirit. Thank you to all our customers, partners, and community members for your continued support.

Warm regards,

Luke Calder
Branch Manager
Community Bank Beaufort

Bendigo and Adelaide Bank report

For year ending 30 June 2025

This year marks another significant chapter in our shared journey, one defined by **adaptation, collaboration, and remarkable achievements**. I'm immensely proud of our collective progress and the unwavering commitment demonstrated by our combined networks.

We began 2025 with a renewed focus on **model evolution**, a top priority that guided our decisions and initiatives throughout the year. This involved navigating the Franchising Code and broader regulatory changes to the **Franchise Agreement**. Thanks to the network's proactive engagement and cooperation, we successfully reviewed the agreement, and the necessary changes were implemented smoothly.

Beyond the operational successes, I want to highlight the **invaluable contributions** our Community Banks continue to make to their local communities. The dedication and commitment to supporting local initiatives remain a cornerstone of our combined success and a source of immense pride for Bendigo Bank.

In FY25, more than \$50 million was invested in local communities, adding to a total of \$416 million since 1998. This funding enables community infrastructure development, strengthens the arts and culturally diverse communities, improving educational outcomes, and fosters healthy places for Australians to live and work.

On behalf of Bendigo Bank, thank you for being a shareholder in your local Community Bank. Your resilience, adaptability, and unwavering belief in our vision have been instrumental in our success. You are an integral part of the Bendigo Bank Community Banking family.

Your continued support is vital, and the results we've achieved together in 2025 underscore the continuing relevance and importance of the Community Bank model.

Justine Minne

Head of Community Banking, Bendigo Bank

Community Bank National Council report

For year ending 30 June 2025

COMMUNITY BANK
NATIONAL COUNCIL

A warm welcome to our existing and new shareholders. Thank you for your support and for sharing in our purpose. We're immensely proud of our Community Bank network which was a first mover in Australia in 1998 through our unique social enterprise model.

The principles of the Community Bank model are the same as they were when the first Community Bank opened its doors. The principles are centred on:

- Relationships based on goodwill, trust and respect
- Local ownership, local decision making, local investment
- Decisions which are commercially focussed and community spirited
- Shared effort reward and risk; and
- Decisions which have broad based benefits.

Today the network has grown to 303 Community Bank branches. We represent a diverse cross-section of Australia with more than 214 community enterprises, 70,000+ shareholders, 1,500+ volunteer Directors, 1,700 staff and 998,000 customers.

Our Community Bank National Council (CBNC) plays a pivotal role in the success story. The CBNC consists of both elected and appointed members from every state and territory sharing and reflecting the voice of the network. It's the role of the CBNC to initiate, lead and respond to strategic issues and opportunities that enhance the sustainability, resilience and prospects of the Community Bank model.

We utilise a range of forums to ensure the ongoing success of the network. Our State Connect events have been one of many network engagement activities that have enabled Bendigo Bank execs, staff, the CBNC and Directors to come together to share ideas, insights and ensure we are collaborating better together.

As consumer behaviours shift, and the environment in which we operate challenges the status quo, we embrace the opportunities that come with this new reality. We've already completed the mandatory changes to the Franchise Agreement with Bendigo Bank which were required by 1 April 2025.

The mandatory changes of the Franchise Agreement were in response to the Franchise Code of Conduct Review along with requirements from other external statutory and government bodies. This process which was led by Council in partnership with the Bank, was necessary to ensure our long-term sustainability. Council also sought legal advice on behalf of the network to ensure the changes were fair.

We also recognise the time is now to consider our model and how we combine the value of local presence with new digital capabilities that expand rather than diminish our community impact. This work forms part of the Model Evolution process which will be co-designed with Bendigo Bank and implemented over the next 12 months. Building further on our enhanced digital presence, community roots and measurable impact, we've reached another major milestone. We now have 41 Community Bank companies formally certified as social enterprises through Social Traders. It's a powerful endorsement of our commitment to delivering both commercial and social outcomes.

This recognition through Social Traders opens new opportunities for our network. It's paved the way for new partnerships with other enterprises in the sector that share our values and mission to build a better, stronger Australia.

Our increased engagement with the broader social enterprise sector has not only enabled us to diversify our partnerships; we've also deepened our impact. Over \$416 million and counting – that's how much has been reinvested back into local communities.

As we look to the future, we remain committed to the founding principles of the Community Bank model. Community is at the centre of everything we do, and our purpose remains clear: to create meaningful, lasting value for the communities we serve.

Community Bank National Council

Shares under option

There were no unissued ordinary shares of the company under option outstanding at the date of this report.

Shares issued on the exercise of options

There were no ordinary shares of the company issued on the exercise of options during the year ended 30 June 2025 and up to the date of this report.

Indemnity and insurance of directors and officers

The company has indemnified all directors and management in respect of liabilities to other persons (other than the company or related body corporate) that may arise from their position as directors or manager of the company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance.

Proceedings on behalf of the company

No person has applied to the Court under section 237 of the *Corporations Act 2001* for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the *Corporations Act 2001*.

Indemnity and insurance of auditor

The company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the company or any related entity against a liability incurred by the auditor.

During the financial year, the company has not paid a premium in respect of a contract to insure the auditor of the company or any related entity.

Non-audit services

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. No non-audit services were provided during the year.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 298(2)(a) of the *Corporations Act 2001*.

On behalf of the directors

Meryn Ngaire Pease
Chair

23 September 2025

Auditor's independence declaration

Auditor Independence Declaration under Section 307C of the Corporations Act 2001 to the Directors of Beaufort Community Financial Services Limited

I declare that, to the best of my knowledge and belief, in relation to the audit for the year ended 30 June 2025 there have been:

- no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- no contraventions of any applicable code of professional conduct in relation to the audit.

Cash and cash equivalents at the end of the financial year	11	90,438	151,846

The above statement of cash flows should be read in conjunction with the accompanying notes

Notes to the financial statements

30 June 2025

Note 1. Reporting entity

The financial statements cover Beaufort Community Financial Services Limited (the company) as an individual entity, which is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

The company is an unlisted public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is 17 Lawrence Street Beaufort, Victoria 3373.

A description of the nature of the company's operations and its principal activity is included in the directors' report, which is not part of the financial statements.

Note 2. Basis of preparation and statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations adopted by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The financial statements comply with International Financial Reporting Standards (IFRS) adopted by the International Accounting Standards Board (IASB). The financial statements have been prepared on an accrual and historical cost basis and are presented in Australian dollars, which is the company's functional and presentation currency.

The directors have a reasonable expectation that the company has adequate resources to pay its debts as and when they fall due for the foreseeable future. For these reasons, the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 23 September 2025. The directors have the power to amend and reissue the financial statements.

Note 3. Material accounting policy information

The accounting policies that are material to the company are set out either in the respective notes or below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

Adoption of new and revised accounting standards

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The company has assessed and concluded there are no material impacts.

Accounting standards issued but not yet effective

Australian Accounting Standards and Interpretations that have been issued or amended but are not yet mandatory, have not been early adopted by the company for the annual reporting period ended 30 June 2025. The company has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when, it is expected to be realised or intended to be sold or consumed in the company's normal operating cycle, it is held primarily for the purpose of trading, it is expected to be realised within 12 months after the reporting period or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when, it is either expected to be settled in the company's normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

Notes to the financial statements (continued)

Note 3. Material accounting policy information (continued)

Impairment

Non-derivative financial assets

Expected credit losses (ECL) are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received. At each reporting date, the entity recognises the movement in the ECL (if any) as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The company's trade receivables are limited to the monthly profit share distribution from Bendigo Bank, which is received 10 business days post month end. Due to the reliance on Bendigo Bank the company has reviewed credit ratings provided by Standard & Poors, Moody's and Fitch Ratings to determine the level of credit exposure to the company. The company also performed a historical assessment of receivables from Bendigo Bank and found no instances of default. As a result no ECL has been made in relation to trade receivables as at 30 June 2025.

Non-financial assets

At each reporting date, the company reviews the carrying amounts of its tangible assets and intangible assets to determine whether there is any indication those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of any impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except when the amount of GST incurred on a sale or purchase of assets or services is not payable to or recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the revenue or expense item.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which are recoverable from, or payable to, the taxation authority is classified as part of operating cash flows.

Note 4. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events that it believes to be reasonable under the circumstances. Differences between the accounting judgements and estimates and actual results and outcomes are accounted for in future reporting periods. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Fair value measurement hierarchy

The company is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

- Level 1: inputs are based on the quoted market price at the close of business at the end of the reporting period
- Level 2: inputs are based on a valuation performed by a third party qualified valuer using quoted prices for similar assets in an active market
- Level 3: unobservable inputs for the asset or liability.

Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

Notes to the financial statements (continued)

Note 4. Critical accounting judgements, estimates and assumptions (continued)

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives or assets that have been abandoned or sold will be written off or written down.

Impairment of non-financial assets

The company assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined as the higher of its fair value less costs of disposal or value-in-use, each of which incorporate a number of key estimates and assumptions.

Recovery of deferred tax assets

Deferred tax assets are recognised for deductible temporary differences only if the company considers it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Lease term

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the company's operations, comparison of terms and conditions to prevailing market rates, incurrence of significant penalties, existence of significant leasehold improvements and the costs and disruption to replace the asset. The company reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the company estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and inflation have been taken into account.

The company uses historical employee attrition rates in determining the probability of an employee, at a given date, achieving continuous employment to be eligible for entitlement in accordance with long service leave legislation.

In the absence of sufficient historical employee attrition rates, the company applies a benchmark probability rate from across the Community Bank network to factor in estimating the probability of an employee, at a given date, achieving continuous employment to be eligible for entitlement in accordance with legislation.

Lease make good provision

A provision has been made for the present value of anticipated costs for future restoration of leased premises. The provision includes future cost estimates associated with closure of the premises. The calculation of this provision requires assumptions such as application of closure dates and cost estimates. The provision recognised for each site is periodically reviewed and updated based on the facts and circumstances available at the time. Changes to the estimated future costs for sites are recognised in the statement of financial position by adjusting the asset and the provision. Reductions in the provision that exceed the carrying amount of the asset will be recognised in profit or loss.

Notes to the financial statements (continued)

Note 5. Economic dependency

The company has entered into a franchise agreement with Bendigo Bank that governs the management of the Community Bank. The company is economically dependent on the ongoing receipt of income under the franchise agreement with Bendigo Bank. The directors have no reason to believe a new franchise arrangement under mutually acceptable terms will not be forthcoming following expiry in March 2027.

The company operates as a franchise of Bendigo Bank, using the name "Bendigo Bank" and the logo and system of operations of Bendigo Bank. The company manages the Community Bank on behalf of Bendigo Bank, however all transactions with customers conducted through the Community Bank are effectively conducted between the customers and Bendigo Bank.

All deposits are made with Bendigo Bank, and all personal and investment products are products of Bendigo Bank, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo Bank, must be approved by Bendigo Bank. All credit transactions are made with Bendigo Bank, and all credit products are products of Bendigo Bank.

The company promotes and sells the products and services, but is not a party to the transaction.

The credit risk (i.e. the risk that a customer will not make repayments) is for Bendigo Bank to bear as long as the company has complied with the appropriate procedures and relevant obligations and has not exercised a discretion in granting or extending credit.

Bendigo Bank provides significant assistance in establishing and maintaining the Community Bank franchise operations. It also continues to provide ongoing management and operational support and other assistance and guidance in relation to all aspects of the franchise operation, including advice and assistance in relation to:

- the design, layout and fit out of the Community Bank premises
- training for the branch manager and other employees in banking, management systems and interface protocol
- methods and procedures for the sale of products and provision of services
- security and cash logistic controls
- calculation of company revenue and payment of many operating and administrative expenses
- the formulation and implementation of advertising and promotional programs
- sales techniques and proper customer relations
- providing payroll services.

Note 6. Revenue from contracts with customers

	2025 \$	2024 \$
Margin income	772,104	818,861
Fee income	41,298	40,749
Commission income	88,093	84,018
	<u>901,495</u>	<u>943,628</u>

Accounting policy for revenue from contracts with customers

The company has entered into a franchise agreement with Bendigo Bank. The company delivers banking and financial services of Bendigo Bank to its community. The franchise agreement provides for a share of interest, fee, and commission revenue earned by the company. Interest margin share is based on a funds transfer pricing methodology which recognises that income is derived from deposits held, and that loans granted incur a funding cost. Fees are based on the company's current fee schedule and commissions are based on the agreements in place. All margin revenue is recorded as non-interest income when the company's right to receive the payment is established.

The company acts as an agent under the franchise agreement and revenue arises from the rendering of services through its franchise agreement.

Notes to the financial statements (continued)

Note 6. Revenue from contracts with customers (continued)

Revenue is recognised on an accruals basis, at the fair value of consideration specified in the franchise agreement. Under AASB 15 *Revenue from Contracts with Customers* (AASB 15), revenue recognition for the company's revenue stream is as follows:

<u>Revenue stream</u>	<u>Includes</u>	<u>Performance obligation</u>	<u>Timing of recognition</u>
Franchise agreement profit share	Margin, commission, and fee income	When the company satisfies its obligation to arrange for the services to be provided to the customer by the supplier (Bendigo Bank as franchisor).	On completion of the provision of the relevant service. Revenue is accrued monthly and paid within 10 business days after the end of each month.

All revenue is stated net of the amount of GST. There was no revenue from contracts with customers recognised over time during the financial year.

Revenue calculation

The franchise agreement provides that three forms of revenue may be earned by the company which are margin, commission and fee income. Bendigo Bank decides the form of revenue the company earns on different types of products and services. The revenue earned by the company is dependent on the business that it generates, interest rates and funds transfer pricing and other factors, such as economic and local conditions.

Margin income

Margin income on core banking products is arrived at through the following calculation:

	Interest paid by customers on loans less interest paid to customers on deposits
plus:	any deposit returns i.e. interest return applied by Bendigo Bank for a deposit
minus:	any costs of funds i.e. interest applied by Bendigo Bank to fund a loan.

The company is entitled to a share of the margin earned by Bendigo Bank. If this reflects a loss, the company incurs a share of that loss.

Commission income

Commission income is in the form of commission generated for products and services sold. This commission is recognised at a point in time which reflects when the company has fulfilled its performance obligation.

The company receives trailing commission for products and services sold. Ongoing trailing commission payments are recognised on receipt as there is insufficient detail readily available to estimate the most likely amount of income without a high probability of significant reversal in a subsequent reporting period. The receipt of ongoing trailing commission income is outside the control of the company, and is a significant judgement area.

Fee income

Fee income is a share of what is commonly referred to as 'bank fees and charges' charged to customers by Bendigo Bank including fees for loan applications and account transactions.

Core banking products

Bendigo Bank has identified some products and services as 'core banking products'. It may change the products and services which are identified as core banking products by giving the company at least 30 days notice. Core banking products currently include Bendigo Bank branded home loans, term deposits and at call deposits.

Ability to change financial return

Under the franchise agreement, Bendigo Bank may change the form and amount of financial return the company receives. The reasons it may make a change include changes in industry or economic conditions or changes in the way Bendigo Bank earns revenue.

The change may be to the method of calculation of margin, the amount of margin, commission and fee income or a change of a margin to a commission or vice versa. This may affect the amount of revenue the company receives on a particular product or service.

Notes to the financial statements (continued)

Note 6. Revenue from contracts with customers (continued)

Bendigo Bank must not reduce the margin and commission the company receives on core banking products and services to less than 50% (on an aggregate basis) of Bendigo Bank's margin at that time. For other products and services, there is no restriction on the change Bendigo Bank may make.

Note 7. Other revenue

	2025 \$	2024 \$
Net gain on disposal of property, plant and equipment	-	2,598
Dividend and distribution income	22,477	9,069
Other income	-	997
Other revenue	<u>22,477</u>	<u>12,664</u>

The company's activities include the generation of income from sources other than the core products under the franchise agreement. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and can be reliably measured.

<u>Revenue stream</u>	<u>Revenue recognition policy</u>
Dividend and distribution income	Dividend and distribution income is recognised when the right to receive the payment is established.

All revenue is stated net of the amount of GST.

Note 8. Finance revenue

Contribution to the Community Enterprise Foundation™	<u>157,895</u>	<u>157,895</u>
	<u>205,421</u>	<u>204,388</u>

The overarching philosophy of the Community Bank model, is to support the local community in which the company operates. This is achieved by circulating the flow of financial capital into the local economy through community contributions (such as donations, sponsorships and grants).

The funds contributed to and held by the Community Enterprise Foundation™ (CEF) are available for distribution as grants to eligible applicants for a specific purpose in consultation with the directors.

When the company pays a contribution in to the CEF, the company loses control over the funds at that point. While the directors are involved in the payment of grants, the funds are not refundable to the company.

During the financial year the company contributed funds to the Community Enterprise Foundation™ (CEF), the philanthropic arm of the Bendigo Bank. These contributions paid in form part of charitable donations and sponsorship expenditure included in profit or loss.

Notes to the financial statements (continued)

	2025 \$	2024 \$
Income tax refund due	<u>178</u>	<u>7</u>

Accounting policy for income tax

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Accounting policy for current tax

Current tax assets and liabilities are measured at amounts expected to be recovered from or paid to the taxation authorities. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Accounting policy for deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for all deductible temporary differences, carried-forward tax losses, and unused tax credits to the extent that it is probable that future taxable profits will be available against which they can be used.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax is measured at the rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date, and reflects uncertainty related to income taxes, if any.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax and when the balances relate to taxes levied by the same taxation authority and the entity intends to settle its tax assets and liabilities on a net basis.

Note 11. Cash and cash equivalents

	2025 \$	2024 \$
Cash at bank and on hand	90,438	89,502
Term deposits	-	62,344
	<u>90,438</u>	<u>151,846</u>

Notes to the financial statements (continued)

Note 11. Cash and cash equivalents (continued)

Accounting policy for cash and cash equivalents

For the purposes of the Statement of Financial Position and Statement of Cash Flows, cash and cash equivalents comprise cash on hand and deposits held with banks.

Note 12. Trade and other receivables

	2025 \$	2024 \$
Trade receivables	65,957	62,910
ATO receivables	28,393	-
Accrued income	4,310	1,285
Prepayments	8,681	7,029
	<u>41,384</u>	<u>8,314</u>
	<u>107,341</u>	<u>71,224</u>

Accounting policy for trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

Note 13. Other investments

	2025 \$	2024 \$
<i>Current assets</i>		
Term deposit	<u>285,958</u>	<u>282,430</u>
<i>Non-current assets</i>		
Managed investments - designated at fair value through other comprehensive income	<u>443,912</u>	<u>404,537</u>

The company classifies financial assets as a current asset when it expects to realise the asset, or intends to sell or consume it, no more than 12 months after the reporting period. All other investments are classified as non-current.

Accounting policy for financial assets at fair value through other comprehensive income

Financial assets are recognised at fair value. The company has made an irrevocable election to recognise fair value movements of its investment class through other comprehensive income. The company designated the equity securities shown below as at fair value through other comprehensive income because these equity securities represent financial assets that the company intends to hold for the long term for strategic purposes.

Notes to the financial statements (continued)

Balance at 30 June 2025	<u><u>103,016</u></u>	<u><u>18,621</u></u>	<u><u>37,263</u></u>	<u><u>158,900</u></u>

Accounting policy for property, plant and equipment

Items of property, plant and equipment are measured at cost or fair value as applicable, less accumulated depreciation. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line and diminishing value basis to write off the net cost of each item of property, plant and equipment over their expected useful lives as follows:

Leasehold improvements	5 to 15 years
Plant and equipment	2.5 to 10 years
Motor vehicles	5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

Leasehold improvements are depreciated over the unexpired period of the lease or the estimated useful life of the assets.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss. Any revaluation surplus reserve relating to the item disposed of is transferred directly to retained profits.

Notes to the financial statements (continued)

Note 14. Property, plant and equipment (continued)

Changes in estimates

During the financial year, the company assessed estimates used for property, plant and equipment including useful lives, residual values, and depreciation methods. There were no changes in estimates for the current reporting period.

Reconciliations of the carrying values at the beginning and end of the current and previous financial year are set out below:

	Land and buildings \$	Total \$
Balance at 1 July 2023	52,273	52,273
Remeasurement adjustments	88,377	88,377
Depreciation expense	(12,770)	(12,770)
Balance at 30 June 2024	127,880	127,880
Remeasurement adjustments	3,867	3,867
Depreciation expense	(10,240)	(10,240)
Balance at 30 June 2025	<u>121,507</u>	<u>121,507</u>

Accounting policy for right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

Refer to note 18 for more information on lease arrangements.

Note 16. Intangible assets

	2025 \$	2024 \$
Franchise fee	172,074	172,074
Less: Accumulated amortisation	(168,414)	(166,237)
	<u>3,660</u>	<u>5,837</u>
Franchise renewal fee	99,178	99,178
Less: Accumulated amortisation	(80,880)	(69,999)
	<u>18,298</u>	<u>29,179</u>
	<u>21,958</u>	<u>35,016</u>

Notes to the financial statements (continued)

Note 16. Intangible assets (continued)

Reconciliations of the carrying values at the beginning and end of the current and previous financial year are set out below:

	Franchise fee \$	Franchise renewal fee \$	Total \$
Balance at 1 July 2023	8,013	40,061	48,074
Amortisation expense	(2,176)	(10,882)	(13,058)
Balance at 30 June 2024	5,837	29,179	35,016
Amortisation expense	(2,177)	(10,881)	(13,058)
Balance at 30 June 2025	3,660	18,298	21,958

Accounting policy for intangible assets

Intangible assets of the company relate to the franchise fees paid to Bendigo Bank which conveys the right to operate the Community Bank franchise.

Intangible assets are measured on initial recognition at cost. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

The franchise fees paid by the company are amortised over their useful life and assessed for impairment whenever impairment indicators are present.

The estimated useful life and amortisation method for the current and comparative periods are as follows:

<u>Asset class</u>	<u>Method</u>	<u>Useful life</u>	<u>Expiry/renewal date</u>
Franchise fee	Straight-line	Over the franchise term (5 years)	March 2027
Franchise renewal fee	Straight-line	Over the franchise term (5 years)	March 2027

Amortisation methods, useful life, and residual values are reviewed and adjusted, if appropriate, at each reporting date.

Change in estimates

During the financial year, the company assessed estimates used for intangible assets including useful lives, residual values, and amortisation methods. There were no changes in estimates for the current reporting period.

Note 17. Trade and other payables

	2025 \$	2024 \$
<i>Current liabilities</i>		
Other payables and accruals	40,387	39,963
<i>Non-current liabilities</i>		
Other payables and accruals	-	14,667

Accounting policy for trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Where the company is liable to settle the amount within 12 months of the reporting date, the liability is classified as current. All other obligations are classified as non-current.

Notes to the financial statements (continued)

Note 18. Lease liabilities

	2025 \$	2024 \$
<i>Current liabilities</i>		
Land and buildings lease liabilities	19,483	19,007

Lease payments - total cash outflow	(19,204)	(18,601)
	<u>153,166</u>	<u>157,392</u>
<i>Maturity analysis</i>		
	2025 \$	2024 \$
Not later than 12 months	19,483	19,007
Between 12 months and 5 years	77,930	76,030
Greater than 5 years	128,104	143,986
	<u>225,517</u>	<u>239,023</u>

Accounting policy for lease liabilities

Lease liabilities were measured at amounts equal to the present value of enforceable future payments of the term reasonably expected to be exercised, discounted at the appropriate incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise variable lease payments that depend on an index and lease payments in a renewal option if the company is reasonably certain to exercise that option. For leases of property the company has elected not to separate lease and non-lease components when calculating the lease liability.

The company has applied judgement in estimating the remaining lease term including the effects of any extension options reasonably expected to be exercised, applying hindsight where appropriate.

The lease liability is remeasured when there is a change in future lease payments arising from a change in an index or rate, if the company changes its assessment of whether it will exercise an extension option, or if there is a revised in-substance fixed lease payment.

The company assesses at the lease commencement date whether it is reasonably certain to exercise extension options. The company reassesses whether it is reasonably certain to exercise the options if there is a significant event or significant change in circumstances within its control.

Notes to the financial statements (continued)

Note 18. Lease liabilities (continued)

Where the company is a lessee for the premises to conduct its business, extension options are included in the lease term except when the company is reasonably certain not to exercise the extension option. This is due to the significant disruption of relocating premises and the loss on disposal of leasehold improvements fitted out in the leased premises.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to nil.

The company's lease portfolio includes:

Lease	Discount rate	Non-cancellable term	Renewal options available	Reasonably certain to exercise options	Lease term end date used in calculations
Beaufort branch premises	7.50%	5 years	2 x 5 years	Yes	January 2037

Note 19. Employee benefits

	2025 \$	2024 \$
<i>Current liabilities</i>		
Annual leave	28,002	21,847
Long service leave	12,087	10,585
	<u>40,089</u>	<u>32,432</u>
<i>Non-current liabilities</i>		
Long service leave	<u>6,716</u>	<u>2,756</u>

Accounting policy for employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for salary and wages where the employee has provided the service but payment has not yet occurred at the reporting date. They are measured at amounts expected to be paid, plus related on-costs. Non-accumulating sick leave is expensed when the leave is taken and measured at the rates paid or payable.

An annual leave liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be reliably estimated. The company's obligations for short-term employee benefits such as salaries and wages are recognised as part of current trade and other payables in the statement of financial position. The company's obligations for employees' annual leave and long service leave entitlements are recognised in employee benefits in the statement of financial position.

Superannuation contributions

Contributions to superannuation plans are expensed in the period in which they are incurred.

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior reporting periods.

That benefit is discounted to determine its present value. Consideration is given to expected future wage and salary levels plus related on-costs, experience of employee departures, and years of service achieved. Expected future payments are discounted using market yields at the reporting date on high quality corporate bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

Notes to the financial statements (continued)

Note 19. Employee benefits (continued)

Remeasurements are recognised in profit or loss in the period in which they arise.

Note 20. Lease make good provision

	2025 \$	2024 \$
Lease make good provision	18,818	17,505

Lease make good provision

In accordance with the branch lease agreements, the company must restore the leased premises to their original condition before the expiry of the lease term. The company has estimated the provision as at \$43,500 based on experience and consideration of the expected future costs to remove all fittings and the ATM as well as the cost to remedy any damages caused during the removal process. The lease is due to expire on January 2037 at which time it is expected the face-value costs to restore the premises will fall due.

Accounting policy for provisions

Provisions are recognised when the company has a present (legal or constructive) obligation as a result of a past event, it is probable the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. The provisions are discounted using a current pre-tax rate specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost.

Note 21. Issued capital

	2025 Shares	2024 Shares	2025 \$	2024 \$
Ordinary shares - fully paid	430,440	430,440	430,440	430,440

Accounting policy for issued capital

Ordinary shares are recognised at the fair value of the consideration received by the company being \$1 per share. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

Rights attached to issued capital

Ordinary shares

Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the Community Bank branch have the same ability to influence the operation of the company.

Notes to the financial statements (continued)

Note 21. Issued capital (continued)

Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo Bank contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (see below).

Transfer

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the *Corporations Act 2001*.

Prohibited shareholding interest

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 10% or more of the shares in the company (the "10% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"). The base number is 258. As at the date of this report, the company had 284 shareholders (2024: 287 shareholders).

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and their associates) has a prohibited shareholding interest in are suspended.

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company, for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

Note 22. Reserves

	2025 \$	2024 \$
Equity securities at fair value through other comprehensive income reserve	58,060	44,259

Equity securities at fair value through other comprehensive income reserve

The reserve is used to recognise increments and decrements in the fair value of equity securities at fair value through other comprehensive income.

Notes to the financial statements (continued)

Note 22. Reserves (continued)

Movements in reserves

Movements in each class of reserve during the current and previous financial year are set out below:

	Fair Value \$
Balance at 1 July 2023	22,337
Fair value movement on equity instruments designated at FVTOCI	<u>21,922</u>
Balance at 30 June 2024	44,259
Fair value movement on equity instruments designated at FVTOCI	<u>13,801</u>
Balance at 30 June 2025	<u><u>58,060</u></u>

Note 23. Retained earnings

	2025 \$	2024 \$
Retained earnings at the beginning of the financial year	520,817	488,309
Profit/(loss) after income tax expense for the year	(1,035)	64,791
Dividends paid (note 25)	<u>(32,283)</u>	<u>(32,283)</u>
Retained earnings at the end of the financial year	<u><u>487,499</u></u>	<u><u>520,817</u></u>

Note 24. Capital management

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board monitor the return on capital and the level of distributions to shareholders. Capital is represented by total equity as recorded in the statement of financial position.

In accordance with the franchise agreement, in any 12 month period the funds distributed to shareholders shall not exceed the distribution limit.

The distribution limit is the greater of:

- 20% of the profit or funds of the company otherwise available for distribution to shareholders in that 12 month period; and
- subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital of the company over that 12 month period where the relevant rate of return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid for the financial year can be seen in the statement of profit or loss and other comprehensive Income.

There were no changes in the company's approach to capital management during the year.

Notes to the financial statements (continued)

Note 25. Dividends

The following dividends were provided for and paid to shareholders during the financial year as presented in the Statement of changes in equity and Statement of cash flows.

	2025 \$	2024 \$
Fully franked dividend of 7.5 cents per share (2024: 7.5 cents)	32,283	32,283

Franking credits

	2025 \$	2024 \$
Franking account balance at the beginning of the financial year	240,924	193,651
Franking credits (debits) arising from income taxes paid (refunded)	43,044	58,034
Franking debits from the payment of franked dividends	(10,761)	(10,761)
	273,207	240,924
<i>Franking transactions that will arise subsequent to the financial year end:</i>		
Balance at the end of the financial year	273,207	240,924
Franking credits (debits) that will arise from payment (refund) of income tax	(178)	(7)
Franking credits available for future reporting periods	273,029	240,917

The ability to utilise franking credits is dependent upon the company's ability to declare dividends. The tax rate at which future dividends will be franked is 25%.

Accounting policy for dividends

Dividends are recognised in the financial year they are declared.

Note 26. Financial instruments

	2025 \$	2024 \$
Financial assets		
Trade and other receivables	70,267	64,195
Cash and cash equivalents	90,438	151,846
Financial assets	729,870	686,967
	890,575	903,008
Financial liabilities		
Trade and other payables	40,387	54,630
Lease liabilities	153,166	157,392
	193,553	212,022

Accounting policy for financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The company's financial instruments include trade debtors and creditors, cash and cash equivalents and lease liabilities.

Trade receivables are initially recognised at the transaction price when they originated. All other financial assets and financial liabilities are initially measured at fair value plus transaction costs (where applicable), when the company becomes a party to the contractual provisions of the instrument. These assets and liabilities are subsequently measured at amortised cost using the effective interest method.

Notes to the financial statements (continued)

Note 26. Financial instruments (continued)

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the rights are transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and rewards associated with the asset. Financial liabilities are derecognised when its contractual obligations are discharged, cancelled, or expire. Any gain or loss on derecognition is recognised in profit or loss.

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the company currently has a legally enforceable right to set off the amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Financial risk management

The company has exposure to credit, liquidity and market risk arising from financial instruments. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company. The company does not use derivative instruments. Risk management is carried out directly by the board.

Market risk

Market risk is the risk that changes in market prices - e.g. foreign exchange rates, interest rates, and equity prices - will affect the company's income or the value of its holdings in financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The company has no exposure to any transactions denominated in a currency other than Australian dollars.

Interest-bearing assets and liabilities are held with Bendigo Bank and earnings on those are subject to movements in market interest rates. The company held cash and cash equivalents of \$90,438 at 30 June 2025 (2024: \$151,846).

Price risk

The company is not exposed to equity securities price risk as it does not hold investments for sale or at fair value. The company is not exposed to commodity price risk.

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers.

The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo Bank. The company monitors credit worthiness through review of credit ratings, Bendigo Bank is rated A- on Standard & Poor's credit ratings.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities. The contractual cash flow amounts are gross and undiscounted and therefore may differ from their carrying amount in the statement of financial position.

	1 year or less \$	Between 1 and 5 years \$	Over 5 years \$	Remaining contractual maturities \$
2025				
Trade and other payables	40,387	-	-	40,387
Lease liabilities	19,483	77,930	128,104	225,517
Total non-derivatives	59,870	77,930	128,104	265,904

Notes to the financial statements (continued)

Note 26. Financial instruments (continued)

	1 year or less \$	Between 1 and 5 years \$	Over 5 years \$	Remaining contractual maturities \$
2024				
Trade and other payables	39,963	14,667	-	54,630
Lease liabilities	19,007	76,030	143,986	239,023
Total non-derivatives	58,970	90,697	143,986	293,653

Note 27. Fair value measurement

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
2025				
Assets				
Equity securities	443,912	-	-	443,912
Total assets	443,912	-	-	443,912
2024				
Assets				
Equity securities	404,537	-	-	404,537
Total assets	404,537	-	-	404,537

There were no transfers between levels during the financial year.

Assets and liabilities measured at fair value are classified into three levels, using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. Classifications are reviewed at each reporting date and transfers between levels are determined based on a reassessment of the lowest level of input that is significant to the fair value measurement.

For recurring and non-recurring fair value measurements, external valuers may be used when internal expertise is either not available or when the valuation is deemed to be significant. External valuers are selected based on market knowledge and reputation. Where there is a significant change in fair value of an asset or liability from one period to another, an analysis is undertaken, which includes a verification of the major inputs applied in the latest valuation and a comparison, where applicable, with external sources of data.

Note 28. Key management personnel disclosures

The following persons were directors of Beaufort Community Financial Services Limited during the financial year and/or up to the date of signing of these Financial Statements.

Meryn Ngaire Pease
Alan Thomas McCartney
Robert John Byrne
Pamela Margaret Sandlant
Gary Ian Knight
Michaela Stabbins

Michelle Lee Oakman
Anthony Sutherland
Judith Beaton
Matthew Patrick Bowd
Simone Victoria Annette Hutchings

No director of the company receives remuneration for services as a company director or committee member.

There are no executives within the company whose remuneration is required to be disclosed.

Notes to the financial statements (continued)

Note 29. Related party transactions

Key management personnel

Disclosures relating to key management personnel are set out in note 28.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Note 30. Remuneration of auditors

During the financial year the following fees were paid or payable for services provided by CountPro Audit Pty Ltd, the auditor of the company:

	2025 \$	2024 \$
<i>Audit services</i>		
Audit or review of the financial statements	7,175	6,900

Note 31. Reconciliation of profit/(loss) after income tax to net cash provided by operating activities

	2025 \$	2024 \$
Profit/(loss) after income tax expense for the year	(1,035)	64,791
Adjustments for:		
Depreciation and amortisation	52,747	36,796
Net gain on disposal of non-current assets	-	(2,598)
Managed investment distributions reinvested	(22,477)	(9,069)
Managed investment fees deducted	1,503	1,463
Change in operating assets and liabilities:		
Decrease/(increase) in trade and other receivables	(36,117)	28,978
Increase in income tax refund due	(171)	(7)
Decrease/(increase) in deferred tax assets	(4,531)	6,100
Increase in trade and other payables	10,201	17,282
Decrease in provision for income tax	-	(35,642)
Increase in employee benefits	11,617	7,290
Increase/(decrease) in other provisions	1,313	(19,148)
Net cash provided by operating activities	13,050	96,236

Note 32. Earnings per share

	2025 \$	2024 \$
Profit/(loss) after income tax	(1,035)	64,791
	Number	Number
Weighted average number of ordinary shares used in calculating basic earnings per share	430,440	430,440
Weighted average number of ordinary shares used in calculating diluted earnings per share	430,440	430,440

Notes to the financial statements (continued)

Note 32. Earnings per share (continued)

	Cents	Cents
Basic earnings per share	(0.24)	15.05
Diluted earnings per share	(0.24)	15.05

Accounting policy for earnings per share

Basic and diluted earnings per share is calculated by dividing the profit attributable to the owners of Beaufort Community Financial Services Limited, by the weighted average number of ordinary shares outstanding during the financial year.

Note 33. Commitments

The company has no commitments contracted for which would be provided for in future reporting periods.

Note 34. Contingencies

There were no contingent liabilities or contingent assets at the date of this report.

Note 35. Events after the reporting period

No matter or circumstance has arisen since 30 June 2025 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Directors' declaration

30 June 2025

In the directors' opinion:

- the attached financial statements and notes comply with the *Corporations Act 2001*, the Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements;
- the attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in the notes to the financial statements;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 30 June 2025 and of its performance for the financial year ended on that date;
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- the company does not have any controlled entities and is not required by the Accounting Standards to prepare consolidated financial statements. Therefore, a consolidated entity disclosure statement has not been included as section 295(3A)(a) of the *Corporations Act 2001* does not apply to the entity.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the *Corporations Act 2001*.

On behalf of the directors

Meryn Ngaire Pease

Independent audit report

Independent Auditor's Report

To the Directors of Beaufort Community Financial Services Limited

Opinion

We have audited the financial report of Beaufort Community Financial Services Ltd. (the Company), which comprises the statement of financial position as at 30 June 2025, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2025 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the Directors of the Company, would be in the same terms if given to the Directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and the Directors for the Financial Report

Management of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Independent Auditor's Report

To the Directors of Beaufort Community Financial Services Limited

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
