

## Branch Manager's report.

Welcome to our newsletter for 2016, it's hard to believe that it was over 15 years ago when Dick Smith officially opened the Boorowa **Community Bank**<sup>®</sup> Branch.

The branch has been an outstanding success to date reading some amazing results:

- Current business levels (loans/deposits) is \$121.5 million
- Over 4,000 accounts
- In excess of \$1 million back to the community via grants sponsorships and donation
- Shareholder returns currently 15% fully franked.

My thanks goes to the Board and staff and special thanks to Sue Corcoran, 15 years as Chair and contributed immensely to the success of the **Community Bank**<sup>®</sup> branch.

## Railway display.

Tim Fisher opened the Boorowa Railway display in April 2016. This project was given a Challenge Grant of \$9,000 from our Community Grants and the Historical Society needed to raise the other \$9,000.

They were successful and were able to erect a four-sided display stand to exhibit the history of the railway in Boorowa.

It highlights how the steam train engines operated, photos of trains and stories from past employees. The Boorowa station was decommissioned in the late 1970's. The display is in a great position next to the Courthouse Arts and Crafts/Tourism Office. Travellers can stop, have a break from their journey and learn a little about our railway history.

## 2016 Grants.

The 2016 Grants Program has closed for this year and all applicants will be notified next month of the status of their application.

The Annual Grants Program has been running very successfully for the past eight years and has returned nearly \$700,000 back into the Boorowa and District communities.

## From the Chair.

### Milestones.

Boorowa **Community Bank**<sup>®</sup> Branch celebrated its 15th birthday on 12 May 2016. Congratulations to shareholders, Board members, staff and customers for 15 successful years. Three staff members celebrated 15 years' employment with our company. Greg Pryor, Cath Carmody and Jenny Dwyer have been with us from the beginning and have played a valuable role in the success of our bank.

### Community contributions.

Recently we have been involved with a number of community projects:

**Boorowa Early Education Centre** – \$120,000 was given by Boorowa **Community Bank**<sup>®</sup> Branch to enable the Pre-School to access a \$500,000 Federal Grant to upgrade the existing facility to a Long Day Care Centre (pictured below right).

**Boorowa Council** – \$100,000 was pledged by the bank to enable the Council to successfully attain a \$1.1 million State Grant to upgrade our Showground Precinct.

**Boorowa Men's Den** – \$40,000 has been pledged to enable the building of a new facility on Council land adjacent to the skate park.

**Boorowa Hospital** – \$13,000 has been given to the Hospital Auxiliary towards a new digital printer for the x-ray machine at the Boorowa Hospital (pictured below).

### Low Volume Market.

A reminder to shareholders that we established a Low Volume Market in 2011 to assist shareholders with trading company shares. Shareholders can register their interest to 'buy' or 'sell' Boorowa Community Financial Services Ltd shares on our Trading Shares web page at [www.bendigobank.com.au/boorowa](http://www.bendigobank.com.au/boorowa). There are currently two listings on the web page.

### New Board members.

We recently welcomed Tom Corcoran and Phillip Gorham to our Board.

### Shareholder contributions.

A 15 cent dividend was paid to shareholders in May.

### Franchise agreement changes.

Bendigo Bank is currently developing a new Revenue Share Model. The aim is to create a long term sustainable and adaptable model through the introduction of a Funds Transfer Pricing based margin share model for core banking products. In the short term, this may result in a slight downturn in our profitability. Bendigo Bank, however, will continue to support us during this change to minimise the financial impact on our company.

### Sue Corcoran Chair

## Shearing shed facility.

The Boorowa Wool Harvesting Association requested funding to enable them to upgrade the Shearing shed at the Show Ground. This was to allow the training and education of young people in the district wanting to improve their skills to succeed in the Wool Industry. As the nearest training facility was located at Dubbo, having a working shearing shed to train these young people will alleviate the long distance they travelled and their accommodation costs. This has a dual outcome, as it also improves the facilities available for the Show Shearing Competition.
