

Spring 2012

Made possible by the customers of Biggera Waters **Community Bank**® Branch and Helensvale branch

## New Biggera Waters branch

On Tuesday 26 June, the newly renovated Biggera Waters **Community Bank**® Branch was opened to the public. The branch was officially opened by Chairman Robert Knight and Bendigo Bank Community Strengthening State Manager Steve Simpson (pictured below). The branch, with its modern look is now accessible from the outside of the shopping centre, providing convenience to customers.

The festivities continued with cake for customers and shoppers alike and with a special presentation to local Labrador resident, Gary Ambrosio. Gary was struck down with Transverse Myelitis, a neurological disorder, in 1999. The disorder, which has affected Gary's legs, restricts his mobility and capacity to do everyday tasks that we take for granted.

A fundraising breakfast was held in May 2012 in conjunction with Labrador AFL Tigers Club to raise money for a much needed motorised scooter. The scooter was formally presented to Gary by Director Leo Beutel and Labrador AFL club development manager James Johns at the opening (pictured right).

The Board and staff would like to thank the customers for their patience during the renovations and invite you to come along and have a look at your new branch.

## Vale James Harris

After a much too short illness, our Board lost one of our most recently appointed Directors, Jim Harris. Jim had been a shareholder of Broadwater Financial Services Limited since the inception of our Biggera Waters **Community Bank**® Branch and had attended almost every Annual General Meeting.

When invited to join the Board, Jim accepted the opportunity to provide and share his knowledge in business management and marketing. His contributions to the meetings were invaluable.

Although new to most of our Directors, Jim was a long time golf partner of one of our Directors, Leo Beutel. Jim, however quickly formed firm and lasting friendships with the other members during his short Directorship. Our sincere best wishes and condolences are extended to his widow Marie and family in their sad loss.

Guardian Angels Primary School also got in on the act and donated \$500 towards the cause. This was a great effort from all involved and we thank everyone for their hard work.

## Chairman's report

Welcome to our 2012 newsletter for Broadwater Financial Services Limited. We are now into our 11th year of operation and the last 12 months has seen some interesting developments for our branches at Biggera Waters and Helensvale.

The 2012 financial year for the company has been steady in a difficult financial market and full details will be available in our Annual Report later in the year. Our Biggera Waters **Community Bank**<sup>®</sup> Branch had another successful year and continued to be one of the best performing branches in the **Community Bank**<sup>®</sup> network on the Gold Coast. The branch team continues to gain accolades for their positive attitude and friendly manner and are once again to be congratulated for this excellent performance.

The Helensvale branch has now been trading since October 2011 as reported in the last newsletter and has achieved the majority of the performance targets set down for it when the branch was opened. All facets of the branch continue to grow and our positive and energetic team will ensure that the branch will continue to achieve the targets set. The ATM at the shopping centre has now been moved from the entrance to the branch.

Following lengthy negotiations with the owners of the Metro Market Shopping Centre at Biggera Waters we were able to change the tenancy for Biggera Waters **Community Bank**<sup>®</sup> Branch from inside the centre to the outside which is a more favourable position and provides a better exposure to the public and passing traffic. The decision involved significant savings of space and rent and the new look branch, which opened in late June, has a very modern and fresh feel about it and the staff have been receiving very positive comments from customers.

Earlier in 2012 the company hosted a Community Forum in the Labrador Community Centre involving community groups from the Biggera Waters, Labrador and Runaway Bay area. The purpose was to discover what the community needs are in the area and identify

projects that the community want to see established. The night was very successful and it has provided the company with ideas on how we might be able to assist various groups to progress their ideas and plans either by our company's direct involvement or by facilitating with Government departments to achieve the results.

During the past 12 months the Company has continued to invest in the local community and in the 2012 financial year we reinvested more than \$50,000 in the Biggera Waters, Labrador, Runaway Bay, Arundel and Helensvale communities. This funding was spent across a variety of areas including local schools, aged care, sporting clubs and community businesses and marketing both branches.

The year has seen some changes to our Board and one of our long standing and original shareholders, Jim Harris, who joined our Board last year, sadly passed away in June. His enthusiasm and energy will be missed and our condolences go to his family. Mark Tull who joined our Board last year unfortunately resigned this year due to work commitments and Pat Bowden, who has been on the Board for five years also resigned in June this year. Earlier in the year Teresa Counsel, who has an extensive sales and marketing background, joined the Board and in the next month we will welcome Trevor Jones back following his 12 month leave of absence travelling around Australia.

As Chairman, I encourage you, our shareholders and clients, to promote our refurbished Biggera Waters **Community Bank**<sup>®</sup> Branch and our new branch at Helensvale at every opportunity. With the community and business behind us, Broadwater Financial Services Limited will continue to deliver positive outcomes to our community.
