# Chairman's report

---

For year ending 30 June 2013

The reason I have chosen to have a photograph of the Board of Directors on the front cover of this year's financial report is to not only introduce the members of the Board, but also remind you of some important facts.

In my role as Chairman, one of the jobs I have is to speak to as many people and groups as I can, to explain how the **Community Bank**<sup>®</sup> model works and why it is so very special and unique.

For example, there are many misunderstandings, and to a degree, skepticism regarding how a **Community Bank**<sup>®</sup> branch can give 100% of its profit back to its community and shareholders.

Firstly, let me introduce your present Board of Directors and I refer you to the photograph on the front cover of this report.

Seated on the left is myself, Chairman and Company Secretary, and on my right is Peter Macdonnell, our Branch Manager. In my opinion, we are tremendously lucky to have Peter as our CEO and Branch Manager. Peter came to us in March 2012 with a very successful banking background. Previously working with a Bendigo company branch, he had only limited experience with **Community Bank**<sup>®</sup> branches and has very much embraced the concept.

Standing, from left to right, is Geoffrey Hole who is our Deputy Chairman and is responsible for looking after the public relations aspect of the company. Next is Judy Wild, a well-known Buderim business owner and active with marketing and promotion. Centre is Sharee Webster; Sharee heads up our Audit and Governance Committee and is a Chartered Accountant. Joy Parkyn, again, a well-known local business operator and now involved with our Strategic Planning Committee. Last but not least is Bill Wieland who operates an accounting business in town, is a Chartered Accountant, and is our Company Treasurer.

All of these people have taken on the responsibilities of being a Director of a public company and the possible personal financial risks involved. Most importantly, they are volunteers and receive no Directors' fees.

There are two other members of our team I would like to mention. Hugh Williams is my Administrative Assistant and with my dual roles of Chairman and Company Secretary, he is invaluable. Jenni Davis was a Director and so knowing the workings of the Company is a perfect Minute Secretary.

How does 100% of our branch's profit be given back to the local community?

Buderim Community Enterprises Ltd enjoys a remarkable partnership with Bendigo and Adelaide Bank where under a franchise agreement, we share profits 50/50. The net profit from our share is distributed 100% to the Buderim community and our shareholders. Simple really!

I know some shareholders wonder how we can be giving grants and sponsorships when we are not yet in profit. Bendigo and Adelaide Bank give us funds to promote and grow the business, called the Market Development Fund. These funds are calculated at \$5,000 per \$5 million of business we have, each year. We presently have business of about \$45 million and so are receiving about \$45,000 for the year to use in promoting the **Community Bank**<sup>®</sup> branch.

## Chairman's report (continued)

---

It has been a tough year in the banking industry with falling interest rates and tight margins, not to mention the very competitive deposit rates. We have done well, however, and are just hovering around that magic profit mark. Although we again made a loss in this 2013 year, the results are quite remarkable when compared to the 2012 financial year.

Put simply, our results are approximately 70% better than last year, and our income has increased by approximately 80%.

Our loans are well in excess of deposits, known as an unbalanced book, and to cover our loan book, we borrow in from Bendigo and Adelaide Bank treasury and that is costing us about \$1,000 a day - yes, a day - and would we dearly love more deposits to lessen this cost.

**John Burgess**  
**Chairman**

# Manager's report

---

For year ending 30 June 2013

I have been in the role now for a little over 12 months at Buderim, and I'm very happy I made the move from a corporate branch to a **Community Bank®** branch.

Although every branch of the Bendigo and Adelaide Bank has the same customer service ethos, and the same vision, it's great to go that one step further that only a **Community Bank®** branch can do, and that is to be able to give back financially as well.

I've enjoyed getting to better know the locals at the various community events, and have shaken many hands over the last year. I even felt like I was running for Parliament at the last sponsorship event at the Buderim Bowls Club – it was great meeting so many people and having them come up to me and say what great things the **Community Bank®** branch is doing in the community.

The branch has seen some great results in the last financial year, achieving 149% of its lending budget, and getting so very close to profit, with several months being cash flow positive. All we need to do now is lift our customer deposit levels so we don't have to buy in money (from Bendigo and Adelaide Bank) to cover our loan book and we would be quite profitable – and the more profit we make the more money we can give back to the local community. But that doesn't mean we don't want more loans. We are always keen to lend.

My goal for this coming financial year is to build the business to an income level that will see monthly profits being reported by the company. This will allow the amount of monies given back to the Buderim community to exceed \$100,000.

Please help us achieve this goal by telling your family and friends about Buderim **Community Bank®** Branch.

**Peter Macdonnell**  
**Branch Manager**

# Directors' report

---

For the financial year ended 30 June 2013

Your directors submit the financial statements of the company for the financial year ended 30 June 2013.

## Directors

The names and details of the company's directors who held office during or since the end of the financial year:

### John Reginald Burgess

Chairman/Secretary

Occupation: Retired

Experience & expertise: A successful Licensed Real Estate Agent and practising Auctioneer. Since retired. Actively involved in local community work, including the Buderim Foundation. He is also on the Management Committee of the Buderim War Memorial Community Association and is Chairman of the Carols on Buderim Committee.

Interest in shares: 5,001

### Geoffrey Reynolds Hole

Director

Occupation: Retired

Experience & expertise: Journalism, Media and Politics background. Consultant to major corporations, including consultant to the Chairman of Westfield Development Corp, in the 15 years leading to his retirement. He is an elected member of the BWCA.

Interest in shares: 15,001

### Sharee Webster

Director

Occupation: Chartered Account.

Experience & expertise: A Member of the Institute of Chartered Accountants, Member of the Taxation Institute of Australia and a Registered Tax Agent. 20 years of experience in the profession. Currently employed at Holmans accounting firm in Maroochydore and Noosa.

Interest in shares: Nil

### William Wieland

Director/Treasurer

Occupation: Accountant

Experience & expertise: Fellow of the Institute of Public Accountants and JP. A versatile business career including banking with NAB and proprietor of an accountancy practice. Involvement in the community includes the Buderim Foundation.

Interest in shares: 3,001

### Judith Ann Wild

Director

Occupation: Self Employed

Experience & expertise: Has owned/managed a number of business including a caravan park and coffee shop/deli. Currently self employed in the real estate industry in Buderim. Has been involved in various community organisations and fund raising for charity.

Interest in shares: 2,501

### Joy Margaret Parkyn

Director

Occupation: Company Director

Graduate economist with experience in the ATO and a business owner/operator on the Sunshine Coast. Currently a director of Vincenza Coffee. Has been involved in a range of community groups.

Interest in shares: 5,000

Directors were in office for this entire year unless otherwise stated.

No directors have material interests in contracts or proposed contracts with the company.

# Directors' report (continued)

---

## Company Secretary

John Burgess was a highly regarded and successful Licensed Real Estate Agent and practising Auctioneer on Sydney's Upper North Shore. He is very involved in local community work including the Buderim Foundation and is also on the Management Committee of the Buderim War Memorial Community Association. He is the community representative on the local Police Committee, Buderim Safe.

## Principal Activities

The principal activities of the company during the course of the financial year were in facilitating **Community Bank**<sup>®</sup> services under management rights to operate a franchised branch of Bendigo and Adelaide Bank Limited.

There have been no significant changes in the nature of these activities during the year.

## Operating Results

Operations have continued to perform in line with expectations. The loss of the company for the financial year after provision for income tax was:

	Year ended 30 June 2013 \$	Year ended 30 June 2012 \$
	(93,208)	(318,889)

## Remuneration Report

### (a) Remuneration of Directors

All Directors of the Company are on a voluntary basis, therefore no remuneration guidelines have been prepared.

### (b) Remuneration of Area and Branch Managers

The Board is responsible for the determination of remuneration packages and policies applicable to the Branch Manager and all the staff. The Branch Manager is invited to the Board meetings as required to discuss performance and remuneration packages.

The Board's policy in respect of the branch manager is to maintain remuneration at parity within the **Community Bank**<sup>®</sup> network and local market rates for comparable roles.

There are no executives who are directly accountable and responsible for the strategic direction and operational management of the entity. This is wholly a board role.

There are therefore no Specified Executives.

## Dividends

No dividends were declared or paid for the previous year and the directors recommend that no dividend be paid for the current year.

## Significant Changes in the State of Affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review not otherwise disclosed in this report or the financial statements.

# Directors' report (continued)

## Matters Subsequent to the End of the Financial Year

There are no matters or circumstances that have arisen since the end of the financial year that have significantly affected or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company, in future years.

## Likely Developments

The company will continue its policy of facilitating banking services to the community.

## Environmental Regulation

The company is not subject to any significant environmental regulation.

## Directors' Benefits

No director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the company, controlled entity or related body corporate with a director, a firm which a director is a member or an entity in which a director has a substantial financial interest except as disclosed in note 19 to the financial statements. This statement excludes a benefit included in the aggregate amount of emoluments received or due and receivable by directors shown in the company's accounts, or the fixed salary of a full-time employee of the company, controlled entity or related body corporate.

## Indemnification and Insurance of Directors and Officers

The company has indemnified all directors and the manager in respect of liabilities to other persons (other than the company or related body corporate) that may arise from their position as directors or manager of the company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance. The company has not provided any insurance for an auditor of the company or a related body corporate.

## Directors' Meetings

The number of directors' meetings attended by each of the directors of the company during the year were:

	Board Meetings Attended		Audit & Governance Committee #	
	Eligible	Attended	Eligible	Attended
John Reginald Burgess	12	12	9	8
William Wieland	12	10	-	-
Geoffrey Reynolds Hole	12	9	-	-
Judith Ann Wild	12	8	-	-
Sharee Webster	12	8	9	8
Joy Margaret Parkyn	12	11	-	-

# Hugh Williams, the Company's bookkeeper, is a non-Director attendee at the meetings.

# Directors' report (continued)

---

## **Non Audit Services**

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. Details of the amounts paid or payable to the auditor (Andrew Frewin & Stewart) for audit and non audit services provided during the year are set out in the notes to the accounts.

The board of directors has considered the position, in accordance with the advice received from the audit committee and is satisfied that the provision of the non-audit services is compatible with the general standard of independence for auditors imposed by the Corporations Act 2001.

The directors are satisfied that the provision of non-audit services by the auditor, as set out in the notes did not compromise the auditor independence requirements of the Corporations Act 2001 for the following reasons:

- all non-audit services have been reviewed by the audit committee to ensure they do not impact on the impartiality and objectivity of the auditor;
- none of the services undermine the general principles relating to auditor independence as set out in APES 110 Code of Ethics for Professional Accountants, including reviewing or auditing the auditor's own work, acting in a management or a decision-making capacity for the company, acting as advocate for the company or jointly sharing economic risk and rewards.

## **Auditors' Independence Declaration**

A copy of the auditors' independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 9.

Signed in accordance with a resolution of the board of directors at Buderim, Queensland on 6 September 2013.

**John Reginald Burgess,**  
**Chairman/Secretary**

# Auditor's independence declaration

## Lead auditor's independence declaration under section 307C of the *Corporations Act 2001* to the directors of Buderim Community Enterprises Limited

I declare, that to the best of my knowledge and belief, in relation to the audit for the financial year ended 30 June 2013 there have been no contraventions of:

- the auditor independence requirements of the *Corporations Act 2001* in relation to the audit
- any applicable code of professional conduct in relation to the audit.

A handwritten signature in black ink, appearing to read 'David Hutchings', is written over a faint, illegible stamp.

# Notes to the financial statements

---

For year ended 30 June 2013

## Note 1. Summary of Significant Accounting Policies

### **a) Basis of Preparation**

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standard Boards and the Corporations Act 2001. The company is a for-profit entity for the purpose of preparing the financial statements.

#### Compliance with IFRS

These financial statements and notes comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

#### Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. These areas involving a higher degree of judgement or complexities, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

#### Historical cost convention

The financial statements have been prepared under the historical cost convention on an accruals basis as modified by the revaluation of financial assets and liabilities at fair value through profit or loss and where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

#### Comparative figures

Where required by Australian Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### Adoption of new and revised Accounting Standards

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 July 2012 affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods. Amendments made to AASB 101 Presentation of Financial Statements effective 1 July 2012 now require the statement of comprehensive income to show the items of comprehensive income grouped into those that are not permitted to be reclassified to profit or loss in a future period and those that may have to be reclassified if certain conditions are met. This amendment has not affected the presentation of the statement of comprehensive income of the company in the current period and is not likely to affect future periods.

The company has not elected to apply any pronouncements before their mandatory operative date in the annual reporting period beginning 1 July 2012.

# Notes to the financial statements (continued)

## Note 1. Summary of Significant Accounting Policies (continued)

### a) Basis of Preparation (continued)

#### Economic dependency - Bendigo and Adelaide Bank Limited

The company has entered into a franchise agreement with Bendigo and Adelaide Bank Limited that governs the management of the **Community Bank**<sup>®</sup> branch at Buderim, Queensland.

The branch operates as a franchise of Bendigo and Adelaide Bank Limited, using the name "Bendigo Bank" and the logo and system of operations of Bendigo and Adelaide Bank Limited. The company manages the **Community Bank**<sup>®</sup> branch on behalf of Bendigo and Adelaide Bank Limited, however all transactions with customers conducted through the **Community Bank**<sup>®</sup> branches are effectively conducted between the customers and Bendigo and Adelaide Bank Limited.

All deposits are made with Bendigo and Adelaide Bank Limited, and all personal and investment products are products of Bendigo and Adelaide Bank Limited, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo and Adelaide Bank Limited, must be approved by Bendigo and Adelaide Bank Limited. All credit transactions are made with Bendigo and Adelaide Bank Limited, and all credit products are products of Bendigo and Adelaide Bank Limited.

Bendigo and Adelaide Bank Limited provides significant assistance in establishing and maintaining the **Community Bank**<sup>®</sup> branch franchise operations. It also continues to provide ongoing management and operational support, and other assistance and guidance in relation to all aspects of the franchise operation, including advice in relation to:

- advice and assistance in relation to the design, layout and fit out of the **Community Bank**<sup>®</sup> branch;
- training for the branch manager and other employees in banking, management systems and interface protocol;
- methods and procedures for the sale of products and provision of services;
- security and cash logistic controls;
- calculation of company revenue and payment of many operating and administrative expenses
- the formulation and implementation of advertising and promotional programs; and
- sales techniques and proper customer relations.

#### Going concern

The net liabilities of the company as at 30 June 2013 were \$48,339 and the loss after tax made for the year was \$93,208 bringing accumulated losses to \$813,711.

<b>In addition:</b>	<b>\$</b>
Total assets were	216,672
Total liabilities were	265,011
Operating cash flows were	(48,716)

There was a 70.77% decrease in the loss recorded for the financial year ended 30 June 2013 when compared to the prior year.

# Notes to the financial statements (continued)

---

## Note 1. Summary of Significant Accounting Policies (continued)

### a) Basis of Preparation (continued)

#### Going concern (continued)

The company meets its day to day working capital requirements through an overdraft facility that has a rolling renewal date, Bendigo & Adelaide Bank review the overdraft each three months. The overdraft has an approved limit of \$360,000 and was drawn to \$255,234 as at 30 June 2013. \$11,759 of interest expense was incurred during the 2013 financial year.

The company's business activities, together with the factors likely to affect its future development, performance and position are set out in the Directors' Report on pages 1 to 3. The financial position of the company, its cash flows, liquidity position and borrowing facilities are described in the financial statements.

The current economic environment is difficult and while revenue continues to increase the company has again reported an operating loss for the year. The directors' consider that the outlook presents significant challenges in terms of banking business volume and pricing as well as for operating costs. Whilst the directors have instituted measures to preserve cash and secure additional finance, these circumstances create material uncertainties over future trading results and cash flows. The directors continue to work with our partners Bendigo and Adelaide Bank Limited to increase business and maintain expenditure.

The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company should continue to be able to operate within the level of its current overdraft facility.

The company has held discussions with Bendigo and Adelaide Bank Limited about its future borrowing needs. It is likely that these discussions will not be completed for some time but no matters have been drawn to its attention to suggest that continued support may not be forthcoming on acceptable terms. The company has also obtained an undertaking of support from Bendigo and Adelaide Bank Limited that it will continue to support the company and its operations for the 2013/14 financial year. This support is provided on the basis that the company continues to fulfill its obligations under the franchise agreement and continues to work closely with Bendigo and Adelaide Bank Limited to further develop its business.

After making enquiries and considering the uncertainties described above, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

### b) Revenue

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefit will flow to the company and any specific criteria have been met. Interest and fee revenue is recognised when earned. The gain or loss on disposal of property, plant and equipment is recognised on a net basis and is classified as income rather than revenue. All revenue is stated net of the amount of Goods and Services Tax (GST).

#### Revenue calculation

The franchise agreement with Bendigo and Adelaide Bank Limited provides for three types of revenue earned by the company. First, the company is entitled to 50% of the monthly gross margin earned by Bendigo and Adelaide Bank Limited on products and services provided through the company that are regarded as "day to day" banking business (ie 'margin business'). This arrangement also means that if the gross margin reflects a loss (that is, the gross margin is a negative amount), the company effectively incurs, and must bear, 50% of that loss.

# Notes to the financial statements (continued)

---

## Note 1. Summary of Significant Accounting Policies (continued)

### **b) Revenue (continued)**

#### Revenue calculation (continued)

The second source of revenue is commission paid by Bendigo and Adelaide Bank Limited on the other products and services provided through the company (i.e. 'commission business'). The commission is currently payable on various specified products and services, including insurance, financial planning, common fund, Sandhurst Select, superannuation, commercial loan referrals, products referred by Rural Bank, leasing referrals, fixed loans and certain term deposits (>90 days). The amount of commission payable can be varied in accordance with the Franchise Agreement (which, in some cases, permits commissions to be varied at the discretion of Bendigo and Adelaide Bank Limited). This discretion has been exercised on several occasions previously. For example in February 2011 and February 2013 Bendigo and Adelaide Bank Limited reduced commissions on two core banking products to ensure a more even distribution of income between Bendigo and Adelaide Bank Limited and its **Community Bank**<sup>®</sup> partners. The revenue share model is subject to regular review to ensure that the interests of Bendigo and Adelaide Bank Limited and **Community Bank**<sup>®</sup> companies remain balanced.

The third source of revenue is a proportion of the fees and charges (ie, what are commonly referred to as 'bank fees and charges') charged to customers. This proportion, determined by Bendigo and Adelaide Bank Limited, may vary between products and services and may be amended by Bendigo and Adelaide Bank Limited from time to time.

### **c) Income Tax**

#### Current tax

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or loss for the period. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by reporting date. Current tax for current and prior periods is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

#### Deferred tax

Deferred tax is accounted for using the balance sheet liability method on temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. However, deferred tax assets and liabilities are not recognised if the temporary differences giving rise to them arise from the initial recognition of assets and liabilities (other than as a result of a business combination) which affects neither taxable income nor accounting profit. Furthermore, a deferred tax liability is not recognised in relation to taxable temporary differences arising from goodwill.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period(s) when the asset and liability giving rise to them are realised or settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by reporting date. The measurement of deferred tax liabilities reflects the tax consequences that would follow from the manner in which the consolidated entity expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax and when the balances relate to taxes levied by the same taxation authority and the company entity intends to settle its tax assets and liabilities on a net basis.

# Notes to the financial statements (continued)

---

## Note 1. Summary of Significant Accounting Policies (continued)

### **c) Income Tax (continued)**

#### Current and deferred tax for the period

Current and deferred tax is recognised as an expense or income in the statement of comprehensive income, except when it relates to items credited or debited to equity, in which case the deferred tax is also recognised directly in equity, or where it arises from initial accounting for a business combination, in which case it is taken into account in the determination of goodwill or excess.

### **d) Employee Entitlements**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

The company contributes to a defined contribution plan. Contributions to employee superannuation funds are charged against income as incurred.

### **e) Cash and Cash Equivalents**

For the purposes of the statement of cash flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

### **f) Trade Receivables and Payables**

Receivables are carried at their amounts due. The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts. Liabilities for trade creditors and other amounts are carried at cost that is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

### **g) Property, Plant and Equipment**

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including freehold buildings but excluding land. Depreciation is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated at the rate equivalent to the available building allowance using the straight line method. The estimated useful lives, residual values and depreciation method is reviewed at the end of each annual reporting period.

The following estimated useful lives are used in the calculation of depreciation:

- leasehold improvements	40 years
- plant and equipment	2.5 - 40 years
- furniture and fittings	4 - 40 years

# Notes to the financial statements (continued)

---

## Note 1. Summary of Significant Accounting Policies (continued)

### **h) Intangibles**

The franchise fee paid to Bendigo and Adelaide Bank Limited has been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

The establishment fee paid to Bendigo and Adelaide Bank Limited when renewing the franchise agreement has also been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

### **i) Payment Terms**

Receivables and payables are non interest bearing and generally have payment terms of between 30 and 90 days.

### **j) Borrowings**

All loans are initially measured at the principal amount. Interest is recognised as an expense as it accrues.

### **k) Financial Instruments**

#### Recognition and initial measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument.

Financial instruments are initially measured at fair value plus transaction costs. Financial instruments are classified and measured as set out below.

#### Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset.

#### Classification and subsequent measurement

##### (i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

##### (ii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

##### (iii) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

#### Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the statement of comprehensive income.

# Notes to the financial statements (continued)

---

## Note 1. Summary of Significant Accounting Policies (continued)

### **l) Leases**

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the company are classified as finance leases. Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

### **m) Provisions**

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions or other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

A provision for dividends is not recognised as a liability unless the dividends are declared, determined or publicly recommended on or before the reporting date.

### **n) Contributed Equity**

Ordinary shares are recognised at the fair value of the consideration received by the company. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

### **o) Earnings Per Share**

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the financial year, adjusted for bonus elements in ordinary shares issued during the year.

### **p) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of Goods and Services Tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. Cash flows are included in the statement of cash flows on a gross basis.

The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

# Notes to the financial statements (continued)

---

## Note 2. Financial Risk Management

The company's activities expose it to a limited variety of financial risks: market risk (including currency risk, fair value interest risk and price risk), credit risk, liquidity risk and cash flow interest rate risk. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the entity. The entity does not use derivative instruments.

Risk management is carried out directly by the board of directors.

### **(i) Market risk**

The company has no exposure to any transactions denominated in a currency other than Australian dollars.

### **(ii) Price risk**

The company is not exposed to equity securities price risk as it does not hold investments for sale or at fair value. The company is not exposed to commodity price risk.

### **(iii) Credit risk**

The company has no significant concentrations of credit risk. It has policies in place to ensure that customers have an appropriate credit history. The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo and Adelaide Bank Limited.

### **(iv) Liquidity risk**

Prudent liquidity management implies maintaining sufficient cash and marketable securities and the availability of funding from credit facilities. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

### **(v) Cash flow and fair value interest rate risk**

Interest-bearing assets are held with Bendigo and Adelaide Bank Limited and subject to movements in market interest. Interest-rate risk could also arise from long-term borrowings. Borrowings issued at variable rates expose the company to cash flow interest-rate risk. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

### **(vi) Capital management**

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board of directors monitor the return on capital and the level of dividends to shareholders. Capital is represented by total equity as recorded in the balance sheet.

In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the distribution limit.

(i) the distribution limit is the greater of:

(a) 20% of the profit or funds of the franchisee otherwise available for distribution to shareholders in that 12 month period; and

(b) subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital of the franchisee over that 12 month period; and

(ii) the relevant rate of return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

# Notes to the financial statements (continued)

---

## Note 2. Financial Risk Management (continued)

### **(vi) Capital management (continued)**

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid for the year ended 30 June 2013 can be seen in the statement of comprehensive income.

There were no changes in the company's approach to capital management during the year.

## Note 3. Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

### **Taxation**

Judgement is required in assessing whether deferred tax assets and certain tax liabilities are recognised on the balance sheet. Deferred tax assets, including those arising from un-recouped tax losses, capital losses and temporary differences, are recognised only where it is considered more likely than not that they will be recovered, which is dependent on the generation of sufficient future taxable profits.

Assumptions about the generation of future taxable profits depend on management's estimates of future cash flows. These depend on estimates of future sales volumes, operating costs, capital expenditure, dividends and other capital management transactions. Judgements are also required about the application of income tax legislation.

These judgements and assumptions are subject to risk and uncertainty, hence there is a possibility that changes in circumstances will alter expectations, which may impact the amount of deferred tax assets and deferred tax liabilities recognised on the balance sheet and the amount of other tax losses and temporary differences not yet recognised. In such circumstances, some or all of the carrying amount of recognised deferred tax assets and liabilities may require adjustment, resulting in corresponding credit or charge to the statement of comprehensive income.

### **Estimation of useful lives of assets**

The estimation of the useful lives of assets has been based on historical experience and the condition of the asset is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

The calculations require the use of assumptions.

# Notes to the financial statements (continued)

## Note 3. Critical Accounting Estimates and Judgements (continued)

### Impairment of assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets that have an indefinite useful life to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the consolidated entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

	<b>765,372</b>	<b>765,372</b>

#### Rights attached to shares

##### (a) Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

# Notes to the financial statements (continued)

---

## Note 14. Contributed Equity (continued)

### **Rights attached to shares (continued)**

#### (a) Voting rights (continued)

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the **Community Bank**<sup>®</sup> branch have the same ability to influence the operation of the company.

#### (b) Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo and Adelaide Bank Limited contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (see below).

#### (c) Transfer

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the Corporations Act.

### **Prohibited shareholding interest**

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 10% or more of the shares in the company (the "10% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"). The base number is 217. As at the date of this report, the company had 240 shareholders.

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and his or her associates) have a prohibited shareholding interest, are suspended.

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company, for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

## Note 23. Contingent Liabilities

There were no contingent liabilities at the date of this report to affect the financial statements.

## Note 24. Segment Reporting

The economic entity operates in the service sector where it facilitates **Community Bank**<sup>®</sup> services in Buderim and surrounding districts of Queensland pursuant to a franchise agreement with Bendigo and Adelaide Bank Limited.

## Note 25. Registered Office/Principal Place of Business

The entity is a company limited by shares, incorporated and domiciled in Australia. The registered office and principal place of business is:

Registered Office  
61 Bull Street  
BENDIGO VIC 3550

Principal Place of Business  
Shop 4B/72 Burnett Street  
BUDERIM QLD 4556

## Note 26. Financial Instruments

### **Net Fair Values**

The net fair values of financial assets and liabilities approximate the carrying values as disclosed in the balance sheet. The company does not have any unrecognised financial instruments at the year end.

### **Credit Risk**

The maximum exposure to credit risk at balance date to recognised financial assets is the carrying amount of those assets as disclosed in the balance sheet and notes to the financial statements.

There are no material credit risk exposures to any single debtor or group of debtors under financial instruments entered into by the economic entity.

# Directors' declaration

---

In accordance with a resolution of the directors of Buderim Community Enterprises Limited, we state that:

In the opinion of the directors:

- (a) the financial statements and notes of the company are in accordance with the Corporations Act 2001, including:
  - (i) giving a true and fair view of the company's financial position as at 30 June 2013 and of its performance for the financial year ended on that date; and
  - (ii) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.
- (c) the audited remuneration disclosures set out in the remuneration report section of the directors' report comply with Accounting Standard AASB124 Related Party Disclosures and the Corporations Regulations 2001.

This declaration is made in accordance with a resolution of the board of directors.

**John Reginald Burgess,**  
**Chairman/Secretary**

Signed on the 6th of September 2013.

# Independent audit report

## Independent auditor's report to the members of Buderim Community Enterprises Limited

### Report on the financial report

We have audited the accompanying financial report of Buderim Community Enterprises Limited, which comprises the balance sheet as at 30 June 2013, statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes and the directors' declaration.

### Directors' responsibility for the financial report

The directors of the company are responsible for the preparation and presentation of the financial report in accordance with Australian Accounting Standards and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making fair accounting estimates that are reasonable in the circumstances. In note 1, the directors also state in accordance with the Accounting Standard AASB 101 Presentation of Financial Statements that the financial statements comply with International Financial Reporting Standards.

### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards, a true and fair view which is consistent with our understanding of the company's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Independent audit report (continued)

---

## Independence

In conducting our audit we have complied with the independence requirements of the *Corporations Act 2001*. We have given to the directors of the company a written auditor's independence declaration, a copy of which is included in the directors' report.

## Auditor's opinion on the financial report

In our opinion:

- 1) The financial report of Buderim Community Enterprises Limited is in accordance with the *Corporations Act 2001* including giving a true and fair view of the company's financial position as at 30 June 2013 and of its financial performance and its cash flows for the year then ended and complying with Australian Accounting Standards and the Corporations Regulations 2001.
- 2) The financial report also complies with International Financial Reporting Standards as issued by the International Accounting Standards Board.

## Emphasis of matter

Without modifying our opinion, we draw attention to Note 1 in the financial report, which indicates that the company incurred a net loss of \$93,208 during the year ended 30 June 2013, and as of that date, the company's liabilities exceeded its total assets by to \$48,339. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty that may cast doubt over the company's ability to continue as a going concern and therefore, the company may be unable to realise its assets and discharge its liabilities in the normal course of business.

## Report on the remuneration report

We have audited the remuneration report included in the directors' report for the year ended 30 June 2013. The directors of the company are responsible for the preparation and presentation of the remuneration report in accordance with section 300A of the *Corporations Act 2001*. Our responsibility is to express an opinion on the remuneration report, based on our audit conducted in accordance with Australian Auditing Standards.

## Auditor's opinion

In our opinion, the remuneration report of Buderim Community Enterprises Limited for the year ended 30 June 2013, complies with section 300A of the *Corporations Act 2001*.
