# Chair's report

#### For year ending 30 June 2023

Our Board operates a banking business under the Bendigo Bank brand to make profit for reinvesting back into the local Buninyong community. Our strategic vision is to build 'a thriving, resilient and inclusive Buninyong and district'. Our strategy is that we connect organisations and people in order to facilitate constructive conversations around leveraging the resources of our community partners. Our leadership is recognised and rewarded by the growth and trust of our customers.

The 2022/23 financial year delivered significant benefit to our business. This was particularly due to the income generated from multiple interest rate rises. The incremental income gains drove revenue to record levels of \$2.14 million resulting in a cash profit in excess of \$1 million. We estimate future income and profitability levels to stabilise around these numbers. This enables us to be in the potential position to make even greater impact in the region.

The value of our Buninyong based business has grown significantly. Historically our share price trading level hasn't risen much past its original issued value of \$1. The asset backing per share reflects its value based on current returns at a price in excess of \$2.

We welcomed Kelly Bevan as our Community Partnerships Lead. Kelly previously worked in a similar roles at Hepburn Shire and Sovereign Hill. Kelly leverages the resources of our community organisations into deeper and more meaningful partnerships. This enables us to achieve more impact in our community by investing in 'community-lead' projects and programs.

#### **Business Performance**

	2023	2022	2021	2020
Profit before CI	\$985,380	\$415,520	\$511,429	\$520,429

Dividend	10c	10c	10c	10c

# Chair's report (continued)

#### **Community Investment**

An outstanding utilisation of social media by our Communications Lead Sam Elshaug has not only seen our online presence grow, but similarly we've seen a significant increase in interest in our Community Investment Program. We've created new platforms for how groups not only engage with us but the wider community.

I highly recommend shareholders visit our company website **www.communitygrowshere.com.au** to see the wonderful work our hard-working Board and staff do to support the very community we are all a part of.

#### **Board and Branch Highlights**

The highlight of this year has been our "finalist" status in the 2023 Federation University Commerce Ballarat Business Excellence Awards. This was on the back of winning two awards at the 2022 event. This year we were delighted to a be a finalist in the nbn Professional Services Award with CountPro and Franklin Copywriting.

Our staff deliver truly outstanding customer service and this was well validated after winning last year's 'Win Network Customer Service Award'. This was exceptional recognition for our Branch Manager and his team on a professional level and something we are all extremely proud of.

In terms of our people, we welcomed Kelly Bevan, but sadly said goodbye to Charlotte Steckyj who moved to Melbourne for family reasons.

On the Board, Lydia Mzondo resigned after five years to focus on her family. We welcomed new Directors, Pauline Rogers and Brett Jones. Both have settled in and are already making valuable contributions.

I wish to thank our hard-working Directors who very diligently work to deliver our vision of *building a thriving, resilient* and inclusive Buninyong and district.

We demonstrate our commitment to our vision through our deep dedication to employing our company strategy to connect individuals and organisations and facilitate the conversations that enable us to leverage the resources of our community partners in every aspect of our decision making. This is the yardstick by which we make choices and steer our company.

I look forward with much excitement to another year of making meaningful impact in our wonderful community.

Ian Corcoran

Chair

# Manager's report

#### For year ending 30 June 2023

As mentioned in last year's Report, FY22-23 was a year where we reaped the benefits of our strategy over the past few years resulting in record revenue and profitability. Despite a difficult lending environment we still managed to grow both sides (loans and deposits) of our portfolio. This balanced approach to growth has made our branch quite resilient to the rapid fluctuations of interest rates and profit margins.

In the branch, we have maintained our focus on customer service and have again been recognised as a finalist for Professional Services in the Federation University Commerce Ballarat Business Excellence Awards for 2023.

What does FY23-24 hold? I suspect that the lending market will become even more difficult and deposits will be spent as household savings decrease. But, with our strategy, staff, and reputation, I am confident that we will still return a strong profit and deliver community outcomes.

Once again, I would like to thank our staff and directors for their skills and dedication that make Community Bank Buninyong a business that continues to be the Bank of choice for many in Buninyong and the surrounding districts.

Randall Dreger Branch Manager

# Treasurer's report

### For year ending 30 June 2023

The year ended 30 June 2023 saw a turnaround in margins due to increased interest rates and consequently gross income for the year has grown significantly to over \$2 million as reported at Note 2.

Expenses other than wages and salaries to employees also remained steady. We chose to employ additional staff to ensure our capacity to process loans and service our customers. This decision increased our payroll for the year by over \$30,000 and consultants by almost \$50,000. Note 3 shows the break-up of expenses.

We have continued to maintain our charitable donations and sponsorships and our profit for the year per share did also increase significantly, we have held our Shareholders' dividend at 10 cents per share fully franked.

Our Balance Sheet remains strong with a substantial increase in cash reserves and the Asset backing has increased to over \$2.00 per share.

I present the Audited Financial Statements to you for adoption.

Richard McDowell
Director/Treasurer

# Directors' report

Pauline Rogers	4	4	n/a	n/a
Brett Andrew Jones	4	3	n/a	n/a

A - The number of meetings eligible to attend.

#### **Company Secretary**

Robert Tommasini was appointed as Company Secretary in March 2019. Robert is an experienced self employed governance consultant and holds a law degree.

#### **Principal activities**

The principal activities of the company during the course of the financial year were in providing **Community Bank®** branch services under management rights to operate a franchised branch of Bendigo and Adelaide Bank Limited.

The Company owns a house at 407 Warrenheip Street Buninyong. The Company intended to make the house available for use by the community as a Community House for youth and community groups to further their and the communitys interests. During the year ended 30 June 2017, the building was deemed unfit for use or repair and as a result the recognised value of this house was impaired back to its land value. Building improvements started in financial year 2020 and was completed and first made available for use in the financial year 2021.

There has been no other significant changes in the nature of these activities during the year.

#### Review of operations

The profit/(loss) of the company for the financial year after provision for income tax was \$558,856 (2022 profit: \$90,287), which is a 519% increase as compared with the previous year.

The net assets of the company have increased to \$1,438,850 (2022: \$949,177).

#### Dividends

Dividends paid or declared since the start of the financial year.

A fully franked final dividend of 10 cents per share for the year ended 30 June 2022 was declared and paid during the year for the year ended 30 June 2023. A fully franked dividend of 10 cents per share has been proposed for the year ended 30 June 2023 and is anticipated to be paid during the year ending 30 June 2024 from the dividend reserve.

B - The number of meetings attended.

N/A - not a member of that committee.

# Directors' report (continued)

#### **Options**

No options over issued shares were granted during or since the end of the financial year and there were no options outstanding as at the date of this report.

#### Significant changes in the state of affairs

No significant changes in the company's state of affairs occurred during the financial year.

#### Events subsequent to the end of the reporting period

No matters or circumstances have arisen since the end of the financial year that significantly affect or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company, in future financial years.

#### Likely developments

The company will continue its policy of providing banking services to the community.

#### **Environmental regulations**

The company is not subject to any significant environmental regulation.

#### **Indemnifying Officers or Auditor**

The company has agreed to indemnify each Officer (Director, Secretary or employee) out of assets of the company to the relevant extent against any liability incurred by that person arising out of the discharge of their duties, except where the liability arises out of conduct involving dishonesty, negligence, breach of duty or the lack of good faith. The company also has Officers Insurance for the benefit of Officers of the company against any liability occurred by the Officer, which includes the Officer's liability for legal costs, in or arising out of the conduct of the business of the company or in or arising out of the discharge of the Officer's duties.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance. The company has not provided any insurance for an Auditor of the company.

#### Proceedings on behalf of company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings. The company was not a party to any such proceedings during the year.

#### Auditor independence declaration

A copy of the Auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set at page 10 of this financial

#### Remuneration report

#### Remuneration policy

There has been no remuneration policy developed as Director positions are held on a voluntary basis and Directors are not remunerated for their services.

# Directors' report (continued)

#### Remuneration report (continued)

Remuneration benefits and payments

Robert Tommasini (whilst not a Director) has received a \$10,000 payment for Company Secretary duties under his contract.

No other Director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the company, controlled entity or related body corporate with a Director, a firm which a Director is a member or an entity in which a Director has a substantial financial interest. This statement excludes a benefit included in the aggregate amount of emoluments received or due and receivable by Directors shown in the company's accounts, or the fixed salary of a full-time employee of the company, controlled entity or related body corporate.

The Buninyong & District Financial Services Limited has NOT accepted the Bendigo and Adelaide Bank Limited's Community Bank® Directors Privileges package.

Equity holdings of key management personnel

The number of ordinary shares in the company held during the financial year and prior year by each Director and other key management personnel, including their related parties, are set out below:

# Notes to the financial statements

#### For the year ended 30 June 2023

These financial statements and notes represent those of Buninyong & District Financial Services Limited.

Buninyong & District Financial Services Limited ('the company') is a company limited by shares, incorporated and domiciled in Australia.

The financial statements were authorised for issue by the Directors on the August 30, 2023.

#### 1. Summary of significant accounting policies

#### (a) Basis of preparation

These general purpose financial statements have been prepared in accordance with the *Corporations Act 2001*, Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board and International Financial Reporting Standards as issued by the International Accounting Standards Board. The company is a for profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, were applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

#### Economic dependency

The company has entered into a franchise agreement with Bendigo and Adelaide Bank Limited that governs the management of the Community Bank® branch at Buninyong.

The branch operates as a franchise of Bendigo and Adelaide Bank Limited, using the name "Bendigo Bank" and the logo and system of operations of Bendigo and Adelaide Bank Limited. The company manages the **Community Bank®** branch on behalf of Bendigo and Adelaide Bank Limited, however all transactions with customers conducted through the **Community Bank®** branch are effectively conducted between the customers and Bendigo and Adelaide Bank Limited.

All deposits are made with Bendigo and Adelaide Bank Limited, and all personal and investment products are products of Bendigo and Adelaide Bank Limited, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo and Adelaide Bank Limited, must be approved by Bendigo and Adelaide Bank Limited. All credit transactions are made with Bendigo and Adelaide Bank Limited, and all credit products are products of Bendigo and Adelaide Bank Limited.

Bendigo and Adelaide Bank Limited provides significant assistance in establishing and maintaining the **Community Bank®** branch franchise operations. It also continues to provide ongoing management and operational support, and other assistance and guidance in relation to all aspects of the franchise operation, including advice in relation to:

- Advice and assistance in relation to the design, layout and fit out of the Community Bank® branch;
- Training for the Branch Managers and other employees in banking, management systems and interface protocol;
- Methods and procedures for the sale of products and provision of services;
- Security and cash logistic controls;
- Calculation of company revenue and payment of many operating and administrative expenses;
- The formulation and implementation of advertising and promotional programs; and
- · Sale techniques and proper customer relations.

#### (b) Income tax

The income tax expense / (income) for the year comprises current income tax expense / (income) and deferred tax expense / (income).

Current income tax expense charged to profit or loss is the tax payable on taxable income. Current tax liabilities/(assets) are measured at the amounts expected to be paid to/(recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

#### 1. Summary of significant accounting policies (continued)

#### (b) Income tax (continued)

Current and deferred income tax expense/(income) is charged or credited outside profit or loss when the tax relates to items that are recognised outside profit or loss.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled.

#### (c) Fair value of assets and liabilities

The company may measure some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

Fair value is the price the company would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair value of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (ie the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

#### (d) Property, plant and equipment

#### Land & Buildings

Freehold land and buildings are carried at their fair value (refer note 1 (c)), based on periodic, but at least triennial, valuations by external independent valuers, less accumulated depreciation for buildings.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity; all other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

The carrying amount of land and buildings is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal.

#### Plant & Equipment

The depreciable amount of all fixed assets, excluding freehold land and buildings, is depreciated on a straight-line basis over the asset's useful life to the company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

#### 1. Summary of significant accounting policies (continued)

#### (d) Property, plant and equipment (continued)

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Rate	Method
Buildings	2.5%	SL
Leasehold Improvements	6.7%	SL
Plant & equipment	10-33%	SL

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An assets' carrying amount is written down immediately to its recoverable amount if the assets' carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

#### (e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset - but not the legal ownership - are transferred to the company, are classified as finance leases.

Finance leases are capitalised by recognising an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses in the periods in which they are incurred.

Buninyong & District Financial Services Limited has leases for the main retail premises. This lease is reflected in the Balance Sheet as a right-of-use asset and a lease liability.

#### (f) Impairment of assets

At each reporting period, the company assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard. Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with the relevant Standard.

#### (g) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### 1. Summary of significant accounting policies (continued)

#### (h) Employee benefits

Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The liability for annual leave is recognised in the provision for employee benefits. All other short term employee benefit obligations are presented as payables.

#### Other long-term employee benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurement for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The company's obligation for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### (i) Intangible assets and franchise fees

Franchise renewal costs have been initially recorded at cost and amortised on a straight line basis at a rate of 20% per annum. The current amortisation charges for intangible assets are included under depreciation and amortisation expense per the Statement of Profit or Loss and Other Comprehensive Income.

#### (j) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits available on demand with banks, other short-term highly liquid investments with original maturities of six months or less, and bank overdrafts. Bank overdrafts are reported within short-term borrowings in current liabilities in the statement of financial position.

For the purposes of the statement of cash flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts.

#### (k) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Revenue comprises service commissions and other income received by the company.

Interest and fee revenue is recognised when earned.

All revenue is stated net of the amount of goods and services tax (GST).

#### 1. Summary of significant accounting policies (continued)

#### (I) Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost, less any provision for doubtful debts. Trade and other receivables are due for settlement usually no more than 30 days from the date of recognition.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts, which are known to be uncollectable, are written off. A provision for doubtful debts is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the assets carrying amount and the present value of estimated cash flows, discounted at the effective interest rate. The amount of the provision is recognised on profit or loss.

#### (m) Trade and other payables

Trade and other payables represent the liabilities for goods and services received by the entity that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### (n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any diference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

#### (o) Contributed equity

Issued and paid up capital is recognised at the fair value of the consideration received by the company.

Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

#### (p) New and amended accounting policies adopted by the company

There are no new and amended accounting policies that have been adopted by the company this financial year.

#### (q) Comparative figures

When required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### (r) Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing the profit or loss attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the year, adjusted for bonus elements in ordinary shares issued during the year.

#### 1. Summary of significant accounting policies (continued)

#### (s) New accounting standards for application in future periods

The company has decided not to early adopt any of the new and amended pronouncements. The company's assessment of the new and amended pronouncements that are relevant to the company but applicable in the future reporting periods is set below:

#### (t) Critical accounting estimates and judgements

The Directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company. Estimates and judgements are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. The estimates and judgements that have a significant risk of causing material adjustments to the carrying values of assets and liabilities are as follows:

#### Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and intangible assets. The depreciation and amortisation charge will increase where useful lives are less than previously estimated lives.

#### Fair value assessment of non-current physical assets

The AASB 13 Fair Value standard requires fair value assessments that may involved both complex and significant judgement and experts. The value of land and buildings may be materially misstated and potential classification and disclosure risks may occur.

#### Employee benefits provision

Assumptions are required for wage growth and CPI movements. The likelihood of employees reaching unconditional service is estimated. The timing of when employee benefit obligations are to be settled is also estimated.

#### Income tax

The company is subject to income tax. Significant judgement is required in determining the deferred tax asset. Deferred tax assets are recognised only when it is considered sufficient future profits will be generated. The assumptions made regarding future profits is based on the company's assessment of future cash flows.

#### Impairment

The company assesses impairment at the end of each reporting period by evaluating conditions and events specific to the company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value in use calculations which incorporate various key assumptions.

Trade debtors	189,723	144,637
nate debidos	5,969	154
	195,691	144,791

The main source of credit risk relates to a concentration of trade receivables owing by Bendigo and Adelaide Bank Limited, which is the source of the majority of the company's income.

The following table details the company's trade and other receivables exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the company and the customer or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the company.

#### 6. Trade and other receivables (continued)

The balances of receivables that remain within initial trade terms (as detailed in the table below) are considered to be high credit quality.

					Past Due but Not I	mnaired

Shares issued during the year	-	-
At the end of the reporting period	691,670	691,670

Ordinary shares participate in dividends and the proceeds on winding up of the company in proportion to the number of shares held. At the shareholders' meetings each shareholder is entitled to one vote when a poll is called, or on a show of hands. The company does not have authorised capital or par value in respect of its issued shares. All issued shares are fully paid. All shares rank equally with regard to the company's residual assets.

#### Capital management

In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the Distribution Limit.

- (i) the Distribution Limit is the greater of:
  - (a) 20% of the profit or funds of the Franchisee otherwise available for distribution to shareholders in that 12 month period; and
  - (b) subject to the availability of distributable profits, the Relevant Rate of Return multiplied by the average level of share capital of the Franchisee over that 12 month period; and
- (ii) the Relevant Rate of Return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The Board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid for the year ended 30 June 2023 can be seen in the Statement of Profit or Loss and Comprehensive Income.

There were no changes in the company's approach to capital management during the year.

13. Retained earnings / (accumulated losses)	2023 <u>\$</u>	2022 <u>\$</u>
a. Retained earnings / (accumulated losses)		
Balance at the beginning of the reporting period Profit/(loss) after income tax Amounts transferred to reserves Balance at the end of the reporting period	(159,490) 558,856 (558,856) (159,490)	(159,490) 90,287 (90,287) (159,490)

Weighted average number of ordinary shares for basic and diluted earnings per share	691,838	691,838

## 17. Key management personnel and related party disclosures

#### (a) Key management personnel

Any person(s) having authority or responsibility for planning, directing or controlling the activities of the entity, directly or indirectly including any director (whether executive or otherwise) of that company is considered key management personnel.

#### (b) Other related parties

Other related parties include close family members of key management personnel and entities that are controlled or jointly controlled by those key management personnel, individually or collectively with their close family members.

#### (c) Transactions with key management personnel and related parties

No key management personnel or related party has entered into any contracts with the company. Robert Tommasini has received \$10,000 payment for Company Secretary duties under his contract.

Buninyong & District Financial Services Limited has not accepted the Bendigo and Adelaide Bank Limited's Community Bank® Directors Privileges package.

#### 17. Key management personnel and related party disclosures (continued)

#### (d) Key management personnel shareholdings

The number of ordinary shares in Buninyong & District Community Financial Services Limited held by each key management personnel of the company during the financial year is as follows:

	2023	2022
RICHARD MCDOWELL	16,500	16,500
RON DELALAND	28,201	28,201
IAN CORCORAN	5,000	5,000
LYDIA MZONDO	-	-
ANDREA MASON	-	-
ROBERT TOMMASINI	-	-
JO INNES	-	-
BRENDAN NOEL ALLAN	-	-
DEBBIE RYBICKI	-	-
OARABILE OMARU MARUATONA	-	-

Each share held has a paid up value of \$1 and is fully paid.

#### (e) Other key management transactions

There has been no other transactions involving equity instruments other than those described above.

#### 18. Events after the reporting period

There have been no events after the end of the financial year that would materially affect the financial statements.

#### 19. Contingent liabilities and contingent assets

There were no contingent liabilities or assets at the date of this report to affect the financial statements.

#### 20. Operating segments

The company operates in the financial services sector where it provides banking services to its clients. The company operates in one geographic area being *Buninyong, Victoria*. The company has a franchise agreement in place with Bendigo and Adelaide Bank Limited who account for 100% of the revenue (2022: 100%).

#### 21. Commitments

#### Operating lease commitments

Non-cancellable operating leases contracted capitalised in the Statement of Financial Position starting 01 Jul 2021 as per AASB 16.

	2023 <u>\$</u>	2022 <u>\$</u>
Payable:		
- no later than 12 months	43,065	40,991
- between 12 months and five years	59,251	93,773
- greater than five years	-	-

#### Minimum lease payments

The property lease is a non-cancellable lease with a five year term, with rent payable monthly in advance and with CPI increases each year.

#### 22. Company details

The registered office is:

18 Doveton Street North
Ballarat, Victoria 3350

The principal place of business is:

401B Warrenheip Street
Buninyong, Victoria 3357

#### 23. Dividends paid or provided for on ordinary shares

Dividend noid:	2023 <u>\$</u>	2022 <u>\$</u>
Dividend paid: Final ordinary dividend of 10 cents per share (2022: 10 cents)	69,184	69,184
Dividend proposed and not yet recognised as a liability:		
Final ordinary dividend of 10 cents per share (2022: 10 cents)	69,184_	69,184

#### 24. Community Enterprise Foundation™

Unlike our practice of prior years, and as a consequence of our significant Community Investments during the period, the company did not allocate pre-tax funds to the Community Enterprise Foundation™ (CEF), the philanthropic arm of the Bendigo and Adelaide Bank Group.

During the period, the company did distribute funds allocated in prior years. This allocation is not included in charitable donations and sponsorship expenditure delineated in the Statement of Profit or Loss and Other Comprehensive Income.

The balance of funds held by the CEF in trust is available for future distribution as grants to eligible applicants.

	<u>\$</u>	\$ \$

Grants paid to eligible recipients	(27,917)	(2,800)
Balance available for future distributions	18,265	42,557

2023

2022

#### 25. Financial risk management

#### Financial risk management policies

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework. The Board has established an Audit Committee which reports regularly to the Board. The Audit Committee is assisted in the area of risk management by an internal audit function.

#### Specific financial risk exposure and management

The main risks the company is exposed to through its financial instruments are credit risk, liquidity risk and market risk consisting of interest rate risk, foreign currency risk and other price risk. There have been no substantial changes in the types of risks the company is exposed to, how the risks arise, or the Board's objectives, policies and processes for managing or measuring the risks from the previous period.

The company's financial instruments consist mainly of deposits with banks, account receivables and payables, bank overdraft and loans. The totals for each category of financial instruments measured in accordance with AASB 139 as detailed in the accounting policies are as follows:

Financial assets	Note	2023 <u>\$</u>	2022 <u>\$</u>
Cash and cash equivalents	5	875.658	202,715
·	5	,	,
Trade and other receivables	6	195,691	144,791
Total financial assets		1,071,349	347,506
Financial liabilities		444.070	04.050
Trade and other payables	9	114,870	64,350
Borrowings			
Total financial liabilities		114,870	64,350

#### (a) Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the company.

Credit risk is managed through maintaining procedures ensuring, to the extent possible, that clients and counterparties to transactions are of sound credit worthiness. Such monitoring is used in assessing receivables for impairment. Credit terms for normal fee income are generally 30 days from the date of invoice. For fees with longer settlements, terms are specified in the individual client contracts. In the case of loans advanced, the terms are specific to each loan.

#### Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying amount and classification of those financial assets as presented in the table above.

The company has significant concentrations of credit risk with Bendigo and Adelaide Bank Limited. The company's exposure to credit risk is limited to Australia by geographic area.

The company limits its exposure to credit risk by only investing in liquid securities with Bendigo and Adelaide Bank Limited and therefore credit risk is considered minimal.

#### 25. Financial risk management (continued)

#### (b) Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company ensures it will have enough liquidity to meet its liabilities when due under both normal and stressed conditions. Liquidity management is carried out within the guidelines set by the Board.

Typically, the company maintains sufficient cash on hand to meet expected operational expenses, including the servicing of financial obligations. This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

The table below reflects an undiscounted contractual maturity analysis for financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates and does not reflect management's expectations that banking facilities will be rolled forward.

Financial liability and financial asset maturity analysis:

30 June 2023	Note	Weighted average interest rate %	Total \$	Within 1 year \$	1 to 5 years \$	Over 5 years \$

#### 25. Financial risk management (continued)

#### (c) Market risk

Market risk is the risk that changes in market prices, such as interest rates, will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments.

The financial instruments that primarily expose the company to interest rate risk are and cash and cash equivalents.

#### Sensitivity analysis

The following table illustrates sensitivities to the company's exposures to changes in interest rates and equity prices. The table indicates the impact on how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities assume that the movement in a particular variable is independent of other variables.

Year ended 30 June 2023	Profit \$	Equity <u>\$</u>
+/- 1% in interest rates (interest income)  Year ended 30 June 2022	8,720 8,720	6,540 6,540
+/- 1% in interest rates (interest income)	1,976 1,976	1,482 1,482

There have been no changes in any of the methods or assumptions used to prepare the above sensitivity analysis from the prior year.

The company has no exposure to fluctuations in foreign currency.

#### (d) Price risk

The company is not exposed to any material price risk.

#### Fair values

#### Fair value estimation

The fair values of financial assets and liabilities are presented in the following table and can be compared to their carrying amounts as presented in the statement of financial position.

Differences between fair values and the carrying amounts of financial instruments with fixed interest rates are due to the change in discount rates being applied to the market since their initial recognition by the company.

		2023 Carrying		2022 Carrying	
	Note	amount	Fair value	amount	Fair value \$
Financial assets					
Cash and cash equivalents (i)		875,658	875,658	202,715	202,715
Trade and other receivables (i)		195,691	195,691	144,791	144,791
Investments					
Total financial assets		1,071,349	1,071,349	347,506	347,506
Financial liabilities					
Trade and other payables (i)		114,870	114,870	64,350	64,350
Loans and borrowings		-	· -	, -	· -
Total financial liabilities		114,870	114,870	64,350	64,350

(i) Cash and cash equivalents, trade and other receivables, and trade and other payables are short-term instruments in nature whose carrying amounts are equivalent to their fair values.

# Directors' declaration

In accordance with a resolution of the Directors of Buninyong & District Financial Services Limited, the Directors of the company declare that:

- the financial statements and notes of the company as set out on pages 1 to 27 are in accordance with the Corporations Act 2001 and:
  - (i) comply with Australian Accounting Standards, which as stated in accounting policy Note 1(a) to the financial statements constitutes compliance with International Financial Reporting Standards (IFRS); and
  - (ii) give a true and fair view of the company's financial position as at 30 June 2023 and of the performance for the year ended on that date;
- in the Directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This resolution is made in accordance with a resolution of the Board of Directors.

lan Corcoran Chairman

Signed at Buninyong on September 9, 2023

#### INDEPENDENT AUDITOR'S REPORT

To the directors of Buninyong & District Financial Services Limited

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the accompanying financial report of Buninyong & District Financial Services Limited (the company), which comprises the statement of financial position as at 30 June 2023, and the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes comprising to the financial statements, including a summary of significant accounting policies and the directors' declaration.

In our opinion, the financial report of Buninyong & District Financial Services Limited is in accordance with the Corporations Act 2001, including

- giving a true and fair view of the company's financial position as at 30 June 2023 and of its performance for the period ended on that date; and
- (b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

#### Basis for our Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australia Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

D.G. Abbott CA

S.R. Cartledge CA

S.R. Corbett CA

J.A. Edgar CA

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <a href="http://www.auasb.gov.au/Home.aspx">http://www.auasb.gov.au/Home.aspx</a>. This description forms part of our auditor's report.
