

## Carrum Downs Community Bank® Branch and Marriott Waters branch - Bigger than a Bank.

Over \$2.3 million in community contributions....

### Backpacks 4 Vic Kids.

Our staff have been busy collecting essential items to help support Backpacks 4 Vic Kids. They are an Australian charity providing backpacks and nappy bags to Victorian children entering foster care and emergency accommodation. More than \$1,000 has now been raised to support this worthy organisation. We took a hands-on approach to helping out and set up backpack displays in the branches. This received quite a bit of attention and customers began to ask questions. The conversations brought the community story to a whole new level. First and foremost we're a bank, but we're more interested in the good money can do.

### Grants and Sponsorship evening.

It was great to meet new faces and catch up with old ones at the first Community Grants and Sponsorship night. Clubs and Groups from around the area met

together and Len, Senior Manager, spoke about the **Community Bank®** model and how the community is able to benefit when we work together.

### LRA events.

Piggy enjoys an outing and he has a lovely night at the annual Lynbrook Residents Association (LRA) Lantern Festival (right and above). The LRA regularly hold events for the community including the Holi Festival, Lantern Festival, Halloween

events and Christmas movies. It is wonderful to see a group of dedicated volunteers bring the community together and we are proud to be associated with such a community minded group. Marriott Waters branch is proudly the only bank serving the Lyndhurst and Lynbrook communities.

### Defibrillator for Lyndhurst Primary School and for Pine's Community Men's Shed.

With more grandparents taking active roles as the primary carers it was identified that a necessity for the Lyndhurst Primary School community was a defibrillator. Heather from Marriott Waters branch proudly presented a defibrillator to the students, staff and families of Lyndhurst Primary School. A gift we hope does not have to be used. Len also presented a defibrillator to Andrew and Rick at the Pines Community Men's Shed. After over seven heart attacks this will be a most appreciated donation.
