GUIDELINES

APPLICATIONS OPEN MONDAY 19 JULY 2021

APPLICATIONS CLOSE MONDAY 23 AUGUST 2021

OUR STORY

Community Bank Caulfield Park was established in 2004 to deliver a trusted alternative to other banks in the area, focused on customer service and supporting Caulfield and surrounding communities.

Under the umbrella of Community Investment Program, support is provided to local organisations through Grants, Sponsorships and Partnerships. **Community Bank Caulfield Park** is proud to invest up to 80% of its profits annually into supporting the local community resulting in over \$2 million being invested back into the community since inception.

Community Bank Caulfield Park is able to make these investments due to the significant support of its customers, shareholders, and a dedicated team of Branch staff. The Board of Directors volunteer their time to oversee and drive the sustainability of the Branch.

Caulfield Park Community Financial Services Limited functions as a locally owned franchise of **Bendigo and Adelaide Bank Limited** and is an incorporated body with a Constitution.

WHAT IS COMMUNITY BANKING?

A Community Bank reinvests profits back into the community. Community Banking provides a way for customers to make a real difference. The support of customer banking maximises the funding available for Grants, Sponsorships and Partnerships. In addition to this, customers can also nominate where the profit from their banking is directed to. Every day our customers help change lives, simply by banking with us. We provide customers with the products and services they need, and with customer banking we can collectively make a difference in the community.

THE AIM OF THIS PROGRAM

- Provide organisations with clear application guidelines and process
- Bring together Community Bank Caulfield Park and organisations to strengthen the local community
- Grow the Community Bank Caulfield Park which will in turn maximise the funding available for investment in community organisations
- Increase Partnerships with community organisations which advocate to strengthen the profile and customer base of Community Bank Caulfield Park
