

So great to see you!

We had such a blast at some fabulous local events last year, including the Randwick Eco Fair, The Taste of Coogee festival and Coogee Family Fun Day. Thanks to all those who participated in our survey and entered the draw for the gorgeous Toby & Rosie beauty hampers.

For those seeking to achieve 'full marks' at our next event survey, the quiz answers are below:

- The Clovelly **Community Bank**[®] Branch is owned by local residents and governed by a Board of local community members
- 80% of branch profits are returned to the local community in the form of sponsorships and grants
- Over \$850,000 has been provided to the local community in the form of sponsorships and grants from the Clovelly **Community Bank**[®] Branch over the past eight years.

When you see our tent at the next local community event, don't hesitate to come and say "hi".

Grants Workshop.

The Clovelly **Community Bank**[®] Branch partnered with Randwick City Council and Weave Youth and Community Services to host a Grants Workshop, facilitated by Keith Whelan (The Grants Guy), a recognised expert in sourcing grants and funding.

The evening was an outstanding success as we welcomed over 90 representatives from different community organisations and charities to an insightful and informative workshop learning how to increase revenue streams!

The feedback from attendees was overwhelmingly positive, and many commended Keith for his enthusiastic and engaging delivery and his knowledge of the Grants Sector.

We look forward to continuing to help our community groups in ways beyond providing financial sponsorship and grant support.

Parkinson's Seminar.

The Clovelly **Community Bank**[®] Branch sponsored a very successful seminar on Parkinson's Disease organised by our Board Director, Andy Winters.

Andy Winters is a local legend with many proud achievements to his name; Australian and World Surf Boat Champion, former President of Bondi Surf Club, and one of the founding Board Directors of our bank. Sadly, Andy was recently diagnosed with Parkinson's disease, but he has not let that stop him!

A total of 220 people attended the Clovelly Surf Lifesaving Club to hear Melissa McConaghy from the PD Warrior Program and guest speaker John Pepper (pictured) provide motivational and insightful approaches to dealing with Parkinson's disease.

Congratulations to our Branch Manager!

In February our Branch Manager, Peter Swan, won the Bendigo and Adelaide Bank State Award for excellent customer service. The 'Being Bigger and Better moment' award recognises the high standard of customer service by Peter and his wonderful staff. Well done to all of you.

Clovelly Community Financial Services Ltd 222-226 Clovelly Road, Coogee NSW 2034 **ABN** 69 097 378 740

Directors: Michael DeNavi, Janet Kidson, Jon Hancock, Alison Cunniffe, Lyndall Sank, Andrew Winters, Adam Davids, Bill O'Connell.

Meet some of our sponsorship recipients.

Surfing Mums.

Surfing Mums is a not-for-profit association that supports local families to surf, socialise and share child minding responsibilities at our local beaches. The group meets at Maroubra twice weekly and welcomes parents and carers of varying surfing abilities, board types and children of all ages (from newborn to adult children).

Recent sponsorship from the Clovelly **Community Bank**[®] Branch enabled the purchase of clothing and equipment that improves the visibility and safety of children, and promotes the group to a broader audience of local families.

"The rash shirts, shade tents and beach flag that we were able to provide to our Eastern Suburbs Surfing Mums groups are helping to keep mums, dads and their children visible on the beach and safely protected from the sun. This helps our current members come to our meets and experience all the physical and mental health benefits that outdoor activity as a family entails, and that future members can find us as our groups are now much more visible," said Maylynn Nunn, Surfing Mums Maroubra and mother of 1 year old Frances.

The Maroubra Surfing Mums and kids take to the surf two times a week. For more info, see www.surfingmums.com or check out their Facebook page.

Randwick Petersham Cricket Club.

The Clovelly **Community Bank**[®] Branch has been a proud sponsor of the Randwick Petersham Cricket Club for many years and was delighted to continue our relationship for the 2015/16 season as a Gold Sponsor. We're especially pleased that our sponsorship contributed to the club's junior cricket development program (which involves coaching junior cricket clubs and schools) and the junior coaching academy for under 17 players (which runs for six weeks in July/August each year).

"It's been a pleasure and an honour to have the wholehearted and enthusiastic support of the staff and Directors of the Clovelly **Community Bank**[®] Branch. It's refreshing to see a local bank putting back into the community and supporting an organisation like ours and others to provide services to the local community. Without their support, we would struggle to provide the conditions, facilities and coaches that are required for success."

Mike Whitney, President of RPCC

Coogee Dolphins.

Funding from the Clovelly **Community Bank**[®] Branch allows Coogee Dolphins to provide a safe and friendly environment for young boys and girls in the community to be a part of a sporting club and learn about teamwork, leadership and a healthy lifestyle. This year they had teams in every age group from under 6 to under 13, which is a first for the club.

Maroubra Bay Public School.

With funding assistance from the Clovelly **Community Bank**[®] Branch the Maroubra Bay Public School P&C took on the project of turning a condemned area in the middle of the school yard into a new and improved playground on which their kids can play and exercise (pictured at the top of page 1). Although the project is not quite complete, its success can already be seen from both the progress they have made and the keen anticipation of the kids who are eagerly awaiting the removal of the barriers so that they can climb aboard.

Customer Testimonial.

Village on Cloey.

The Clovelly **Community Bank**[®] Branch welcomes "Village on Cloey". Diogo and Simon are the owners.

"Village on Cloey" is a great new café on Clovelly Road offering excellent coffee, fresh, home cooked modern food with a Portuguese influence and an inviting atmosphere.

After opening in January this year it has quickly established a robust following amongst locals and visitors.

"The service we get from the **Community Bank**[®] Branch is personal, efficient and friendly. They get to know you and are always helpful. We really like the support and what they are doing in the community," said Simon and Diogo.

The Runners Shop.

Joe Sutton can advise you on whatever you need; sports shoes, runners for competition or social use, clothing, hydrations belts and other accessories.

"We have been customers with the **Community Bank**[®] branch ever since they restored banking services to the area in 2002. The team are very helpful; nothing is any trouble for them, outstanding service. We are proud to be customers of an ethical, respected bank that supports our community."
