Sponsorship Program

'Support the Bank that supports your community'

As a committed community contributor, we offer sponsorship to many local clubs, teams and events. Your application will go through a review process with our Board of directors, and is subject to the information outlined below.

Please take time to read this application information carefully and if you are able to fulfil the obligations required of our sponsored community groups, please complete the application form below and submit as required by the due date.

Wishing you the very best of luck with your application!

Guidelines for applying for sponsorship from the Community Bank Clovelly

The core idea of the Community Bank Clovelly

We are a philanthropic bank and our remit is to give up to 80% of our profits directly back to community organisations such as yourselves. We are the only bank of its kind in the Eastern Suburbs and we need your help to spread the message of what we do and how we operate. We need your help to share this fact with the members and participants of your community groups. We are run by a voluntary board of directors who give up their time to ensure the bank is run in an efficient, fair, cost-effective and professional manner. The board operate this business as a franchise of the Bendigo Bank.

Before you begin you should ask yourself these questions. "How will this project benefit the local community in the long term and how many members of the community will benefit from it?" These are the questions that each Board member will have in the front of their mind when assessing your application. One of the stated aims of community banking is "To develop the long term prosperity of the community" Keep this in mind when formulating your request.

What we ask of you, our community groups

We choose not to have an advertising budget as this would take funds away from our supported community groups. We therefore rely on the community groups that we support to do our advertising for us and effectively do their best to market and advertise our community bank to their members and supporters.

When you complete your sponsorship application form, please consider this and think of all areas where you would be able to expose our bank to your members and ultimately drive more business to our bank.

The more business we do, the more profits we make and the more profits we have to give back to the community. To date we have given over \$1.35 million back to our community via sponsorships, grants and donations.

We are also an eco-friendly bank and we do not lend to companies for whom the core activity is the exploration, mining, manufacture or export of thermal coal or coal seam gas. We have a strong environmentalist group of supporters as a result of our ethical ethos.

Application Guidelines:

Sponsorship applications are invited twice a year: Round 1 applications open on 1st March with a deadline of 31st March. Round 2 applications open on 1st September with a deadline of 30th September. Application dates are fixed unless you are advised otherwise. In fairness to all our community groups, no applications will be accepted after the deadline has passed.

When completing your application, please provide all quotes, costs and detailed workings for any sponsorship requests for materials i.e. project costs, tent quotes, what membership costs would be without the bank's sponsorships if being requested to reduce fees, etc. The rule of thumb is, if you are asking for it, we need to see evidence of the raw costs of these funding requests.

All successful sponsorship applicants are required to submit a Sponsorship Acquittal Form within [six] months of receiving sponsorship approval. This is an important governance requirement to ensure sponsorship funding is used for the purpose in which it is represented and intended. We will not accept applications for continued sponsorship if Sponsorship Acquittals for past sponsorship has not been provided.

Managing Applicants' Expectations

Applicants are to specify in detail how you will expose the bank branch and how we operate to your members (please do not write 'as before' in your application).

Some helpful examples of the kind of exposure we are looking for to enable you to promote the bank branch:

- We will ask our members to consider the Community Bank Clovelly when looking for a new home loan, term deposit, credit card, or simply if they want to do the right thing and move their banking over to a philanthropic bank!
- We will acknowledge the bank's sponsorship support on our web page, FB page, team app, acknowledge verbally your support at our award ceremonies, season launches, charity events, etc.
- We will like your Facebook page
- We will share your FB stories to our FB page
- We will put up your CCB banner up at every Sat/ Sunday game
- We will print your logo on our playing shirts and/ or shorts
- We will email all our members of the bank's renewed/ new sponsorship
- We will acknowledge the bank's sponsorship at our annual events/ AGM, etc.

Please be specific in what you will do to drive business to our Bank:

- Spread the word about our community banking model to your members
- Speak to your committee, team members, event attendees and supporters about our community banking model

Support of the Community Bank Clovelly

Your organisation will either need to be currently banking with us or you will need to move your main business accounts over to us in order to receive your successful sponsorship funding into your working account.

Number of Applications

Any NFP community group can only be given sponsorship once per year. So if you are successful in the March application round, please wait until the following March to apply again for sponsorship.

Timing of Applications

Seasonal sporting codes should apply in the season prior. i.e. winter sporting codes such as football and rugby should apply in the September round of applications. Summer sporting codes such as cricket should apply in the March round of applications. This enables you to plan for your season ahead knowing you have our full sponsorship support, and hence include us in these seasons with our logo on your shirts, balls, banners, etc.

Competitive Advertisers

The Community Bank Clovelly requires 100% category exclusivity in the banking/ mortgage lending/ finance sector. If you have another supporter in this category, please state the competitor, the level of investment, the duration of sponsorship and how you will differentiate our exposure to that of our competitor. This will enable the board to assess your application on its merits. Please be aware that this may affect your chances of a successful sponsorship application.
