Program Outline

Community Bank Anglesea, Lorne and Winchelsea operate under a franchise to Bendigo and Adelaide Bank Ltd by a community owned company called Corangamite Financial Services Ltd (CFS). The Bendigo Bank products and services provided by Community Bank Anglesea, Lorne and Winchelsea generate our income. We dedicate a portion of the profits we make from these products and services to our Community Investment Program, and as our business grows with banking support, our Community Investment Program grows, and we are in turn able to support more community groups.

Over the past 17 years, the volume of requests for support that we have received has increased significantly. In the last twelve months alone, we have supported more than 60 local community groups. As such, we've refined the way in which we accept and assess these applications to manage this process as best we can. We would like to support all requests but as you'd understand, we are limited by our financial capacity to do so.

A successful Community Investment Program involves good communication and planning and has benefits for both the recipients and the sponsor. Community investment is our branches main form of advertising. The potential for community exposure and the opportunity for generating follow on support in the form of banking business are of high importance when we assess a Community Investment Application. The outcome of the application is determined by many measures which include the benefit to the community and the Community Bank. Unfortunately we are unable to consider any application which falls into any of the areas as listed below:

- Is outside of our catchment area;
- Is political or sectarian in nature;
- Is for the sole benefit of an individual;
- Is commercial in nature;
- Involves prize money for professional sport;
- Promotes/involves discrimination, racial hatred, or any illegal activity;
- Is already sponsored by another bank.

Should you have questions or queries, or require any assistance or guidance with your application, please contact the Community Bank Anglesea, Lorne or Winchelsea.
