Hello!

Community Bank · Jurien Bay

A message from our Chair

So, what is a Community Bank?

As Chairman of the Company Board that oversee the management and operations of Community Bank Jurien Bay I often get asked “So what is a Community Bank? How is a Community bank different to any other Bank in the community?” The short answer is simple – a Community Bank is owned by shareholders that live in that community. When our Community Bank was first established over 17 years ago, community members stumped up the capital by purchasing shares. This established a Community Bank to service the area covered by the Shires of Dandaragan and Coorow. The company’s name Dancoor Community Finances Ltd is derived from those two Shire names.

The Community Bank model was first established by Bendigo Bank in 1998 in response to the closure of bank branches in rural communities and small suburban areas across Australia. These small branches would operate under a franchise (partnership) agreement with Bendigo Bank, which would provide the banking systems, operations and oversight of branch management.

Under the franchise agreement Community Banks are required to give back to their community by way of grants, sponsorships and other promotional opportunities. The funding for this community support comes from the Community Bank’s profits. Over its life, Community Bank Jurien Bay has allocated more than \$300,000 to community groups throughout our region. No other “big bank” would come close. Even combined, the other banks would not come close to that level of community support in our district.

When you have a spare moment, call in and have a chat with Branch Manager Cathy Johnston or any of our friendly staff about how they can help you with your banking needs. What will be good for you, will be good for business, and that will be good for your community.

Welcome Cathy!

We would like to welcome and introduce Cathy Archibald
who joined our small team on 30 June 2025.

Cathy has put a few words together to introduce herself.
Make sure you drop in and say hi next time you're in-
branch Monday to Wednesday.

Thank you for the lovely warm welcome to the Bay 😊

Myself, my husband and our Irish terrier Paddy bought a
house here in beautiful Jurien Bay in April of this year. We
have been coming to Jurien for family holidays for a few
years and have always loved the small beach town
atmosphere of the Bay. We have moved here from Shark
Bay and decided to buy a house in Jurien to be closer to
our kids in Perth.

For over 30 years I have been heavily involved in the Early
Childhood training and assessing industry and in more
recent years, I was running a large seafood restaurant
and café in Shark Bay. My husband and I enjoy being a
part of a small community and helping where we can. We
are looking forward to becoming part of the golf club
and enjoying the coastal sunshine 😊

Working at Community Bank Jurien Bay has had me
saying hello to locals and I look forward to meeting many
more.
