GENERAL INFORMATION

Our Company is committed to our local communities. It is with great pleasure that we are able to assist local groups with sponsorship/grant funds. Community Bank Upwey & District opened in 1998 and was the first urban Community Bank Branch to open in Australia and second Community Company. Belgrave and Cockatoo/Gembrook branches opened in 2005, followed by Marysville agency in 2010. Since inception our company has given over **\$5.6 Million** back into the community by way of our Community Grants, Scholarship, Sponsorships, dividends and commitments to major projects.

To enable us to help our communities, we need the support of individuals and businesses within our business catchment – they do their banking with us and we contribute back into **their** community. Your organisation is able to assist us in “growing our business” to ensure our continued support of local groups and organisations.

What **YOU** can do to help us:

- Advertise our community bank in your newsletter/fixture or handouts.
- Place a sign or banner at your sporting ground/club rooms.
- Tell friends and colleagues of the community benefits of banking with us.
- Like and interact with us on Facebook

In accepting sponsorship support from us, we trust that you are willing to help promote our community bank in these very simple ways.

What you need to tell us:

We need to know that approved sponsorship and grants are spent in a responsible manner and in accordance with the request submitted by your organisation/group. Groups receiving Sponsorship are required to complete an acquittal form for sponsorships over \$2,000.

We would also like to know if any other organisation/s (especially other banks or financial institutions) have been approached for sponsorship or a grant by your group for your project. This information is required to ensure that all requests are considered not only for the benefit of the community group but to help promote our "business". We must ensure that we spend our sponsorship (advertising) dollars wisely.

We are happy to have a representative from our Bank attend any official function e.g. presentation night, openings etc. It is always rewarding to see first-hand groups who have benefited from our support. Our Staff and Volunteer Directors will try to accommodate any requests for attendance at functions.

Sponsorship Policy (abbreviated):

The Community Bank Dandenong Ranges is committed to providing a first-rate Banking Service within our business catchment equal to or better than its competitors.

Our objectives are emphasised in our Mission Statement which is: -

- *We are committed to providing, enhancing, and maintaining quality and competitive banking services to meet both the current and the future needs of our customers.*
- *We will strive to ensure we develop and responsibly manage an equitable system for the communities within our business catchment to benefit from our profit sharing and community support policies.*

We are committed to provide support to those community groups who support our bank and in turn, our long-term sustainability and development. Groups seeking sponsorship support must be current customers of the Community Bank Dandenong Ranges, unless it can be demonstrated by the organisation seeking support that the Community Bank could not provide the service required or other extenuating circumstances as considered appropriate by the Board. Generally, requests for financial support for individual pursuits or payment of wages will not be considered.

Support for community groups within our business catchment would be dependent upon:

- Being a not-for-profit organisation
- The financial situation of the Bank
- The capacity of the organisation to raise funds from the community and/or its members
- The benefits to the general community and the number of people in the community who will benefit
- The viability of the group/organisation seeking help
- The perceived need of the service to the community provided by the organisation seeking support
- Whether or not the organisation seeking help has been the recipient of other grants or sponsorships
- Potential benefit to our Community Bank Branches.

A written application would need to be submitted for the Board's consideration and approval. The Board may ask for personal representation where further clarification is required.

Exclusivity Clause:

Applicants seeking funds from Dandenong Ranges Community Finance Limited will not approach other financial institutions, mortgage brokers or similar competitor businesses, for sponsorship and will not advertise these competitors through their organisation. This applies to applications for sponsorship in excess of \$2,500 or accumulated sponsorship over \$2,500 (e.g. if the amount received for sponsorship over a number of years from Dandenong Ranges Community Finance Limited exceeds \$2,500).

Dandenong Ranges Community Finance Limited does however reserve the right to consider each individual case on its merits and can make exceptions to this clause if the applicant can provide grounds why this clause should not apply.

Need to know more?

If you need to have a chat about your application, please do not hesitate to contact one of our Community Bank Branch Managers, our Executive Officer or our Community Liaison Officer and they will be pleased to talk to you about the sponsorship/grant process. Please note that all sponsorship applications are considered by the Board of Directors at a bi-monthly meeting (the 2nd Thursday). Sponsorship applications are required to be submitted well in advance of events to allow for circulation prior to consideration, relevant correspondence to be prepared and advertising of the event.
