Co - Chairs' Report

On behalf of your Board of Directors it gives us great pleasure to present the 2024 Annual Report. Your Board and the team at Community Bank Daylesford District continue to deliver excellent results in customer service and engagement, profit generation and strong levels of investment back into our community.

Our Results

Our profit after tax for the financial year was \$121,834, down from our 2023 result of \$220,515. This was driven mainly by lower revenue (2024: \$993,909 versus 2023: \$1,219,590) due to greater industry competition for deposits and loans, which led to tighter margins.

Operating costs of \$804,561 were higher than 2023 (\$722,236).

This was mainly due to the Company recognising a \$50,000 provision for an insurance liability. The provision reflects the Company's contractual obligation to cover a claim arising from a credit loss in a prior period. The Board has also recognised a contingent liability in relation to the credit loss.

Your Board has worked hard to contain the costs that it can control. We applied an "across the board" wages and salaries increase of 3.5% in December 2023 consistent with our Enterprise Agreement. This resulted in higher employee benefits expense for the year of \$478,913, compared to \$457,728 in 2023.

Sponsorships and charitable donations were \$40,513, (2023: \$200,926). There was also a refund of \$14,000 from an organisation that the Company had sponsored which transitioned from not-for-profit into private hands. In addition, \$40,260 was paid to community groups and scholarship recipients from funds contributed to the Bendigo Bank Community Enterprise Foundation in previous years.

Your Board elected not to make a contribution to the Bendigo Bank Community Enterprise Foundation this year, with Directors taking the view to conserve cash for a potential refurbishment of the Community Bank premises.

A fully franked special dividend of 6 cents per share which was provided for in the 2023 financial year was paid in November 2023. A fully franked dividend of 8 cents per share has been provided for in the 2024 financial year and will be paid in November 2024.

This year's result brought the cumulative amount of community investments to over \$860,000. Shareholders have received \$528,000 in dividend and capital returns, an average return of 7% per annum over the life of their investment.

Shareholder returns and community investments combined now total \$1.389 million or \$2.31 for each dollar invested by shareholders forming the company in 2012. This is strong validation of the benefits of the community bank model for the local community.

In December 2022 the Company purchased a property in Hepburn Springs. In addition to providing a solid investment for our shareholders, the property has been made available as a meeting place for community groups at no charge and is well patronised, averaging between 2 to 3 bookings per week. The kitchen is currently being renovated to provide catering facilities for small group functions.

Looking ahead we see continued industry competition for deposits and loans. We expect this will result in similar margins and revenue to 2024. Market expectation is for a reduction in the Reserve Bank cash during the first half of 2025. A declining interest rate environment is likely to put our margins under pressure. Notwithstanding that your Company is on a firm financial footing and expects to be able to continue to fund community investments and provide good returns to shareholders.

Co - Chairs' Report

Our Community Bank Team

We have seen a number of staffing changes over the course of the year.

In November 2023 our then Branch Manager Mel Tudball was offered and accepted a Regional Manager role within the Bendigo Bank network. Bendigo Bank arranged for Allana Wytkamp (West Ballarat) to fill the Branch Manager role in an acting capacity until a permanent appointment was made. In January 2024 we appointed Mel Houghton to the Branch Manager's role. Mel was previously at Community Bank Beaufort.

In March 2024 Kate Boyle left us to take up a position with Bendigo Bank in Bendigo.

We're pleased to report that Mel Houghton has settled in well and with her team, James, Miranda, Rachel and Caitlyn, has continued to provide a welcoming and positive banking experience.

While other banks are closing regional branches and reducing hours, your Board is committed to providing banking services to our customers by continuing to trade during business hours from Monday to Friday.

Our Customers

Obviously, customers are key to the Community Bank's operation and our continued ability to make significant contributions to our community through sponsorships and dividends. We thank them for their ongoing support and we strive to maintain the highest level of service. Our banking franchisor - the Bendigo Bank, ensures that the Company can offer its customers a complete range of banking products in personal, commercial and rural banking markets.

Your Board of Directors

Our thanks go to the current Directors and Board Committees who voluntarily give their time and expertise throughout the year.

There have been some Board changes since year end.

Peter Douglas stepped down on 26 September 2024. We thank Peter for his contribution to the Board and the Company.

On 30 September 2024 the Company received a notice of resignation from Chair Mark Rak.

Mark made a significant contribution over his 15 year term. He was one of our founding directors, Deputy Chair and he played an important part in the formation and continued success of the Company.

Phil Lavelle and Phil Gay are now Co-chairs of the Company.

Lastly, we pay special thanks to the Board's support team – Company Secretary Trevor Shard and Administration Assistant Bianca Amer. Thanks also to Sandy Jennings, our previous Administration Assistant who retired from her role in January 2024.

The Future

The Company's ongoing profitability has enabled the Board to implement a more sustainable approach to community investment by supporting longer term investments in community infrastructure and longer-term grants i.e. scholarships, and multi-year sponsorships (giving organisations greater financial certainty). The Board continues to seek opportunities to partner with local groups to provide long term benefits for our community.

We can assure shareholders that your Board remains committed to growing a profitable Community Bank that will provide both enduring shareholder dividends and increased funds for community investment for the future, as well as ensuring that banking facilities remain available to the community in the Daylesford Hepburn region and surrounding districts.

Our local bank, our local community, thriving together.

Phil Lavelle and Phil Gay
Co-chairs

Co - Chairs' Report cont.

Manager's Report

As the new Branch Manager at Community Bank Daylesford District, I am pleased to present the 2024 Branch Manager's Report.

The themes for Community Bank Daylesford District in 2024 would have to be Change and Growth. Both of these factors can be challenging, however we have been working hard to facilitate both in order to assist more of the Daylesford Community local businesses, community groups and individuals throughout the year.

Former Branch Manager Melanie Tudball was an inspiration in the local area and at Community Bank Daylesford District, and we were very pleased to see her promoted to a Regional Manager role.

Whilst a daunting challenge to follow in her footsteps I was excited to be 'the new Mel' at Community Bank Daylesford District, having previously been mentored by Melanie in my role as Branch Manager at another Community Bank. With over 25 years of financial services experience, I am enjoying helping customers with their holistic needs including lending, insurance, wealth, and the right place for savings.

This Manager change came during a very busy period for banking in general, with economic challenges such as inflation, higher interest rates, staff shortages in regional areas, and economic turbulence caused by geopolitical turmoil.

We also said farewell to Kate, a Branch favourite who has now joined the Business Banking Team of Bendigo Bank. We know she is being missed from the area, both in her role in the Branch, and her hard work in helping with local community events and interaction.

It has been a very busy year helping customers coming off low fixed interest rates to meet the challenges of a high inflation, higher interest rate environment. However, it has also been extremely satisfying to meet our locals and see them face these changes head on with positive attitudes, all the help we can give them, and willing to do what was needed to continue to thrive.

It has been fabulous to meet the volunteer Board of Directors who have so much passion and energy to assist Community Bank Daylesford District to be successful. Every member of the Board has been welcoming and helpful, and the funds going back into the Community via Sponsorships and Grants is a credit to their commitment to Daylesford, Hepburn and surrounding areas. Having a local Community Bank available to service this area is a direct result of the efforts of the past and current Volunteers who keep the bank running.

In the 2024 Financial Year we increased our customer numbers by 16.2%, and we helped with over 200 home loan enquiries. In a year when people used their savings and reduced their lending we still increased our branch deposits by 1.66% and reduced total lending only slightly.

We opened 560 new bank accounts (of all types), which is an increase of 15.7% over the previous year, and settled \$6,800,000 worth of new home loans.

A large focus in 2024 and onwards is the increasing risk from scams and fraud. Our Community Bank model helps customers with these scary challenges. We help with many daily enquiries, and we have commenced education seminars in the Community to assist with prevention. We have protected many from risk by being trusted, available and local.

Manager's Report cont.

Our aim for the next twelve months is to continue to grow Community Bank Daylesford District as our great team consisting of James - newly promoted to Customer Relationship Manager, Rachel and Caitlyn - newly promoted to Customer Relationship Officers, and Miranda our Customer Service Officer continue to consolidate their knowledge and provide exceptional service.

We are focused on helping locals, and the more successful we are at Community Bank Daylesford District, the more we can put back into helping the people, businesses and community groups in this area that are doing such a great job during difficult times.

We encourage everyone to come and see us, whether you are new to the area (welcome!) or haven't been in for a while. Community Banks are a part of the reason why Bendigo Bank is 'The Better Big Bank'.

Mel Houghton
Branch Manager

Bendigo and Adelaide Bank Report

Community Bank Report 2024

BEN Message

This past year has been particularly significant for Bendigo Bank and the Community Bank network. After five years apart, we had the opportunity to come together in person and connect in Bendigo at our National Conference in September.

It was lovely to see so many familiar faces and to meet many directors who haven't attended previously. We feel proud to support such an amazing network. We are committed to our strategy and the qualities that make Bendigo Bank unique, by staying true to our connection with communities, our regional roots, and our position as Australia's most trusted bank.

As Bendigo Bank adapts to the evolving digital landscape and changing customer expectations, the Community Bank Network is organically evolving in response. Over the past 12 months, we have seen Community Bank companies seek to enhance their presence within their communities more than ever. This has been through expanding or consolidating branch sites, collaborating with local, state, and national governments to support community initiatives, or by prioritising social value alongside financial performance through Social Trader accreditation.

The anniversary of the Community Bank model, along with changing environmental factors, provides an opportunity to reset and establish a clear pathway towards the next 25 years. Bendigo Bank's purpose, to feed into the prosperity of communities, and our willingness to ensure our purpose is relevant to the needs of communities in which we are present, is a key contributor to our commercial success.

When we utilise our combined strengths, exercise our imaginations and have the courage to commit to creating our own opportunities, we will be the partner of choice for customers and communities regardless of location or cause. Community, regional presence, and trust are the distinctive attributes of Bendigo Bank that we have maintained and plan to uphold in the future.

While Bendigo Bank emphasises commercial success, our foundation remains in community values. Our aim is to generate mutual value by providing solutions to local challenges.

On behalf of Bendigo Bank, thank you for being a shareholder in your local Community Bank. Your contribution helps foster economic growth, creates employment opportunities, and provides essential financial services to the members of your community. Your dedication and support is making a positive impact on your community.

Justine Minne

Head of Community Banking.

Daylesford District Community Developments Limited
ABN 72 149 942 067
Directors' Report

Treasurer

Jeff Bain is the Treasurer. He holds a Bachelor of Economics.

Company Secretary

Trevor Shard is the Company Secretary. He holds a Bachelor of Economics and a Diploma of Community Services, is a Senior Associate of the Financial Services Institute and a Fellow of the Governance Institute of Australia. He was former Company Secretary of Pasminco Limited and several other listed, public unlisted and proprietary companies.

Principal activities

The principal activities of the Company during the course of the financial year were providing Community Bank branch services under management rights to operate a franchised branch of Bendigo and Adelaide Bank Limited.

There have been no significant changes in the nature of these activities during the year.

Review of operations

Profit after tax for the financial year was \$121,834, (2023: \$220,515). Operating profit before tax, sponsorships and donations was \$189,348, (2023: \$497,354).

Revenue of \$993,909 was significantly lower than 2023 (\$1,219,590) due to greater industry competition for deposits and loans, which led to tighter margins. Sponsorships and charitable donations were \$26,513, (2023: \$200,926) and included a refund of \$14,000 from an organisation that the Company had sponsored which transitioned from not-for-profit into private hands. The previous year included a contribution of \$120,000 to the Bendigo and Adelaide Bank Community Enterprise Foundation. There was no comparative contribution in 2024 with Directors taking the view to conserve cash for a potential refurbishment of the branch premises.

During the financial year the Company recognised a \$50,000 provision within Administration and General expenses. The provision reflects the Company's contractual obligation to cover a claim arising from a credit loss. The Board has also recognised a contingent liability in relation to the credit loss in Note 25 of the 2024 financial statements.

A fully franked special dividend of 6 cents per share which was provided for in the 2023 financial year was paid in September 2023. A fully franked dividend of 8 cents per share has been provided for in the 2024 financial year and will be paid in October 2024.

The Company's franchise agreement with Bendigo and Adelaide Bank Limited extends to April 2027 and may be renewed for a further 5 years to 2032 at the Company's request. At the time of writing the branch premises is up for sale. The Company is in the process of negotiating an extension of the branch premises lease to at least December 2031.

The outlook for 2025 is continued industry competition for deposits and loans. The Board currently expects this will result in similar margins and revenue to 2024. The Company is on a firm financial footing and expects to be able to continue to fund community investments and provide good returns to shareholders.

Dividends

A fully franked dividend of 8 cents per share has been provided for in the 2024 financial year, payable in October 2024. (2023: fully franked interim dividend of 8 cents per share paid in January 2024 and a fully franked special dividend of 6 cents per share paid in September 2023)

Daylesford District Community Developments Limited
ABN 72 149 942 067
Directors' Report

Options

No options over issued shares were granted during or since the end of the financial year and there were no options outstanding as at the date of this report.

Significant changes in the state of affairs

No significant changes in the Company's state of affairs occurred during the financial year.

Events subsequent to the end of the reporting period

There were no significant events subsequent to the end of the reporting period.

Likely developments

The Company will continue to provide banking services to the local community.

Environmental regulations

The Company is not subject to any significant environmental regulation.

Indemnifying Officers or Auditor

The Company has agreed to indemnify each Officer (Director, Treasurer, Secretary or employee) out of assets of the Company to the relevant extent against any liability incurred by that person arising out of the discharge of their duties, except where the liability arises out of conduct involving dishonesty, negligence, breach of duty or the lack of good faith. The Company also has Officers' Insurance for the benefit of Officers of the Company against any liability incurred by the Officer, which includes the Officer's liability for legal costs, in or arising out of the conduct of the business of the Company or in or arising out of the discharge of the Officer's duties.

The Company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the Company or any related entity against a liability incurred by the auditor. During the financial year, the Company has not paid a premium in respect of a contract to insure the auditor of the Company or any related entity.

Proceedings on behalf of the Company

No person has applied to the Court under section 237 of the Corporations Act 2001 for leave to bring proceedings on behalf of the Company, or to intervene in any proceedings to which the Company is a part for the purposes of taking responsibility on behalf of the Company for all or part of those proceedings.

Auditor's Independence Declaration

A copy of the Auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out at page 8 of this Financial Report. No Officer of the Company is or has been a partner of the Auditor of the Company.

Signed in accordance with a resolution of the Board of Directors at Daylesford on 11 October 2024.

Philip Gay
Co Chair

Joan Janssen

Daylesford District Community Developments Limited
ABN: 72 149 942 067

Notes to the Financial Statements

For the year ended 30 June 2024

These Financial Statements and Notes represent those of Daylesford District Community Developments Limited.

Daylesford District Community Developments Limited ('the Company') is a Company limited by shares, incorporated, and domiciled in Australia.

These Financial Statements were authorised for issue by the Directors on 11 October 2024.

1. Summary of significant accounting policies

(a) Basis of preparation

These general purpose Financial Statements have been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board and International Financial Reporting Standards as issued by the International Accounting Standards Board (IASB). The Company is a for profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these Financial Statements are presented below and have been consistently applied unless stated otherwise.

The Financial Statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets, and financial liabilities.

Economic dependency

The Company operates as a franchise of Bendigo and Adelaide Bank Limited, using the name "Bendigo Bank", the logo, and systems of operations of Bendigo and Adelaide Bank Limited. The Company manages the Community Bank branch on behalf of Bendigo and Adelaide Bank Limited, however all transactions with customers conducted through the Community Bank branch are effectively conducted between the customers and Bendigo and Adelaide Bank Limited.

All deposits are made with Bendigo and Adelaide Bank Limited or its wholly owned subsidiaries and all personal and investment products are products of Bendigo and Adelaide Bank Limited, with the Company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance, and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo and Adelaide Bank Limited, must be approved by Bendigo and Adelaide Bank Limited, other than where the Branch Manager and other authorised staff have delegated authority to approve certain loans on a limited basis. All credit transactions are made with Bendigo and Adelaide Bank Limited or its wholly owned subsidiaries, and all credit products are products of Bendigo and Adelaide Bank Limited.

Bendigo and Adelaide Bank Limited provides significant assistance in maintaining the Company's franchise operations. It also continues to provide ongoing management and operational support, and other assistance and guidance in relation to all aspects of the franchise operation, including in relation to:

- Advice and assistance in relation to the design, layout, and fit out of the Community Bank branch;
- Training and performance appraisal for the Branch Manager and other employees in banking, management systems, and interface protocol;
- Methods and procedures for the sale of products and provision of services;
- Security and cash logistic controls;
- Calculation of Company revenue and payment of certain operating and administrative expenses on behalf of the Company;
- The formulation and implementation of advertising and promotional programs; and
- Sales techniques and best practice customer relations.

1. Summary of significant accounting policies (continued)

(b) Impairment of assets

At the end of each reporting period, the Company assesses whether there is any indication that an asset may be impaired. The assessment includes the consideration of external and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard. Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

(c) Goods and services tax (GST)

Revenues and expenses are recognised net of the amount of GST.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the Australian Tax Office (ATO) is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(d) New and amended accounting policies adopted by the Company

No new or amended accounting policies were adopted in the year ended 30 June 2024.

Although there are no new accounting policies, a deferred tax asset on the lease liability and a deferred tax liability on the right of use asset is now being accounted for.

(e) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. There were no changes to comparatives in this report.

(f) Critical accounting estimates and judgements

The Directors evaluate estimates and judgements incorporated into the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company. Estimates and judgements are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. The estimates and judgements that have a significant risk of causing material adjustments to the carrying values of assets and liabilities are as follows:

Estimation of useful lives of assets

The Company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and intangible assets. The depreciation and amortisation charge will increase where useful lives are less than the previously estimated lives.

Fair value assessment of non-current physical assets

The AASB 13 Fair Value standard requires fair value assessments that may involve both complex and significant judgement and expertise.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

Employee benefits' provision

Assumptions are required for wage growth and CPI movements. The likelihood of employees reaching unconditional service is estimated. The timing of when employee benefit obligations are to be settled is also estimated.

Recovery of Deferred Tax Assets

The Company is subject to income tax. Significant judgement is required in determining the deferred tax asset. Deferred tax assets are recognised only when it is considered sufficient future profits will be generated. The assumptions made regarding future profits are based on the Company's assessment of future cash flows.

Impairment

The Company assesses impairment at the end of each reporting period by evaluating conditions and events specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value in use calculations which incorporate various key assumptions.

Lease term

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the Company's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The Company reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the consolidated entity estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security, and economic environment.

(g) New accounting standards for application in future periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Company. The Company has decided not to early adopt any of the new and amended pronouncements. The entity's assessment of the impact of these new or amended Accounting Standards and Interpretations, most relevant to the entity, are set out below.

Conceptual Framework for Financial Reporting (Conceptual Framework)

The revised Conceptual Framework is applicable to annual reporting periods beginning on or after 1 July 2021 and early adoption is permitted. The Conceptual Framework contains new definition and recognition criteria as well as new guidance on measurement that affects several Accounting Standards. Where the Company has relied on the existing framework in determining its accounting policies for transactions, events, or conditions that are not otherwise dealt with under the Australian Accounting Standards, the Company may need to review such policies under the revised framework. At this time, the application of the Conceptual Framework is not expected to have a material impact on the Company's financial statements.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

2. Revenue

Revenue arises from the rendering of services through the Company's franchise agreement with the Bendigo and Adelaide Bank Limited. The revenue recognised is measured by reference to the fair value of consideration received or receivable and is stated net of GST.

The Company applies the revenue recognition criteria set out below to each separately identifiable revenue transaction in order to reflect the substance of the transaction.

Rendering of services

The Company generates service commissions on a range of products issued by the Bendigo and Adelaide Bank Limited. The revenue includes upfront and trailing commissions, sales fees, and margin fees.

Interest, dividend, and other income

Interest income is recognised on an accrual basis using the effective interest rate method.

Dividend and other revenue is recognised when the right to the income has been established.

	2024	2023
	\$	\$
Revenue		
- service commission, margins, and fees	993,909	1,209,590
- market development fund	-	10,000
	993,909	1,219,590

3. Expenses

Operating expenses

Operating expenses are recognised in profit or loss on an accruals basis, which is typically upon utilisation of the service or at the date upon which the entity becomes liable.

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction, or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised leased assets, but excluding freehold land, is depreciated over the asset's useful life to the Company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

<i>Class of asset</i>	<i>Rate</i>	<i>Method</i>
Leasehold improvements	15.75%	Straight Line
Plant and equipment	2.5-40%	Diminishing Value
Property	2.5%	Straight Line

3. Expenses (continued)

Gains/losses upon disposal of non-current assets

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

	2024 \$	2023 \$
Profit before income tax includes the following specific expenses		
Employee benefits expense		
- wages, salaries, and allowances	414,662	407,205
- superannuation costs	48,908	38,135
- other costs	15,343	12,388
	<u>478,913</u>	<u>457,728</u>
 Depreciation		
<i>Depreciation</i>		
- furniture and fittings	460	7,677
- right of use property asset	50,144	50,144
- capital works deduction	3,092	1,390
	<u>53,696</u>	<u>59,211</u>
 Finance costs		
- interest paid	27,574	21,884
 Auditor's remuneration		
<i>Remuneration of the Auditor, CountPro Audit Pty Ltd, for:</i>		
- audit or review of the financial report	8,000	9,575
	<u>8,000</u>	<u>9,575</u>

4. Income tax

The current tax for the year comprises current income tax expense and deferred income tax.

Current income tax expense charged to profit or loss is the tax payable on taxable income. Current tax liabilities/(assets) are measured as the amounts expected to be paid to/(recovered from) the relevant taxation authority.

Deferred income tax reflects movements in deferred tax asset and deferred tax liability balances during the year, as well as unused tax losses.

Deferred income tax assets relating to temporary differences and unused tax losses are recognised only to the extent that is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Deferred income tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, and their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

4. Income tax (continued)

	2024 \$	2023 \$
a. The components of current tax comprise:		
Current tax expense	41,001	75,913
Deferred tax relating to temporary differences	7,973	4,461
Total current tax	48,974	80,374
b. Prima facie tax payable		
The prima facie tax on profit from ordinary activities before income tax is reconciled to the income tax expense as follows:		
Prima facie tax on profit before income tax at 25%	40,803	74,107
Add tax effect of:		
- Non-assessable income and non-deductible expenses	198	1,806
Income tax attributable to the Company	41,001	75,913
The applicable weighted average effective tax rate is	25.18%	25.61%
c. Current tax liability		
Current tax relates to the following:		
<i>Current tax liabilities / (assets)</i>		
Opening balance	57,937	(10,407)
Income tax paid	(76,132)	(12,030)
Current tax	48,974	80,374
	30,779	57,937
d. Deferred tax asset / (liability)		
Deferred tax relates to the following:		
<i>Deferred tax assets balance comprises:</i>		
Accruals	6,724	4,415
Employee provisions	9,416	16,735
Insurance excess provision	12,500	-
Lease liability	33,603	-
	62,243	21,150
<i>Deferred tax liability balance comprises:</i>		
Right of use assets	(31,340)	-
	(31,340)	-
Net deferred tax asset / (liability)	30,903	21,150
Total carried forward tax losses not recognised as deferred tax assets	-	-
e. Deferred income tax (revenue) / expense included in income tax expense comprises:		
Decrease / (increase) in deferred tax asset/ (liability)	(7,973)	(4,461)
	(7,973)	(4,461)

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

5. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits available on demand with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are reported within short-term borrowings in current liabilities in the Statement of Financial Position.

	2024	2023
	\$	\$
Cash at bank and on hand	261,013	71,199
	<u>261,013</u>	<u>71,199</u>

6. Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost, less any provision for doubtful debts. Trade and other receivables are due for settlement usually no more than 30 days from the date of recognition.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts, which are known to be uncollectable, are written off. An allowance for expected credit losses is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables. The amount of the allowance is the difference between the asset's carrying amount and the present value of estimated cash flows, discounted at the effective interest rate. The amount of the allowance is recognised in profit or loss.

Current

Trade receivables	88,151	104,796
Sundry debtors	14,000	2,157
	<u>102,151</u>	<u>106,953</u>

Credit risk

The sources of credit risks include:

- a) Concentration of trade receivables owing by Bendigo and Adelaide Bank Limited, which is the source of the majority of the Company's income.
- b) The Company's liability for a loan default where subsequent investigations reveal staff did not follow correct lending procedures.

The following table details the Company's trade and other receivables exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the Company and the customer or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Company.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

6. Trade and other receivables (continued)

The balances of receivables that remain within initial trade terms (as detailed in the table below) are considered to be high credit quality.

	Gross amount	Not past due	Past due but not impaired			Past due and impaired
	\$	\$	< 30 days \$	31-60 days \$	> 60 days \$	\$
2024						
Trade receivables	88,151	88,151	-	-	-	-
Sundry debtors	14,000	14,000	-	-	-	-
Total	102,151	102,151	-	-	-	-
2023						
Trade receivables	104,796	104,796	-	-	-	-
Sundry debtors	2,157	2,157	-	-	-	-
Total	106,953	106,953	-	-	-	-

7. Financial assets

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at amortised cost.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through other comprehensive income (FVOCI)

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses, and impairment are recognized in profit or loss. Gain or loss on derecognition is recognised in profit and loss.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

7. Financial assets (continued)

Fair value through other comprehensive income

The Company has an investment in a listed entity over which they do not have significant influence or control. The Company has made an irrevocable election to classify the equity investments as fair value through other comprehensive income as they are not held for trading purposes.

This investment is carried at fair value with changes in fair value recognised in other comprehensive income. On disposal any balance in the financial asset reserve is not reclassified to profit or loss.

Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in other comprehensive income.

Impairment of financial assets

Impairment of financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk, then the lifetime losses are estimated and recognised.

	2024	2023
	\$	\$
<i>Financial assets – at amortised cost</i>		
Pimco Global Bond Fund	12,657	12,112
Pendal Dynamic Income Fund	1,592	1,505
	<u>14,249</u>	<u>13,617</u>

8. Other assets

Establishment costs

Initial cost	1,250	1,250
Less amortisation	(362)	(112)
	<u>888</u>	<u>1,138</u>

9. Prepayments

Prepayments represent items that will provide the Company with future economic benefits controlled by the Company as a result of past transactions or other past events.

Prepayments	29,813	30,471
	<u>29,813</u>	<u>30,471</u>

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

10. Property, plant and equipment

Property, plant and equipment

Plant and equipment are measured on the cost basis and therefore carried at cost less accumulated depreciation and any accumulated impairment. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present.

The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount of these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The property is stated at historical cost less accumulated depreciation.

	2024	2023
	\$	\$
<i>Leasehold improvements</i>		
At cost	192,313	192,313
Less accumulated depreciation	(192,313)	(192,313)

Balance at the end of the reporting period	774,522	773,287

11. Right of use assets

<i>Building premises</i>		
At cost	250,721	250,721
Less accumulated depreciation	(125,360)	(75,216)
	125,361	175,505

Movements in carrying amounts

<i>Building premises</i>		
Balance at the beginning of the reporting period	175,505	225,649
Depreciation expense	(50,144)	(50,144)
Balance at the end of the reporting period	125,361	175,505

12. Trade and other payables

Trade and other payables represent the liabilities for goods and services received by the Company that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Current

Unsecured liabilities:

Trade creditors	14,285	140,031
Other creditors and accruals	100,029	37,713
Dividend payable	48,001	36,000
	162,315	213,744

The average credit period on trade and other payables is one month.

13. Lease liabilities

Lease liabilities are effectively secured as the rights to the leased assets revert to the lessor in the event of default.

	2024 \$	2023 \$
Current		
Lease liability – building premises	<u>52,914</u>	<u>47,709</u>
Non-current		
Lease liability – building premises	<u>81,499</u>	<u>134,914</u>
Total Lease Liabilities	<u>134,413</u>	<u>182,623</u>

14. Provisions

Short-term employee benefits

Provision is made for the Company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, and sick leave. Short-term employee benefits are measured at the amounts expected to be paid when the obligation is settled.

The liability for annual leave is recognised in the provision for employee benefits. All other short term employee benefit obligations are presented as payables.

Other long-term employee benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service, and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurement for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Company's obligations for long-term employee benefits are presented as non-current provisions in its Statement of Financial Position, except where the Company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Current

Employee benefits	<u>31,517</u>	<u>56,961</u>
-------------------	---------------	---------------

Non-current

Employee benefits	<u>6,145</u>	<u>9,979</u>
Total provisions	<u>37,662</u>	<u>66,940</u>

15. Borrowings

Total secured liabilities

The total secured liabilities are as follows:

Current

Bank loans – secured	<u>31,503</u>	<u>-</u>
	<u>31,503</u>	<u>-</u>

Non-current

Bank loans – secured	<u>420,656</u>	<u>226,496</u>
	<u>420,656</u>	<u>226,496</u>

The bank loan is secured by a first mortgage against 113 Main Road, Hepburn Springs, Victoria.

16. Share Capital

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction from the proceeds.

	2024 \$	2023 \$
Movements in share capital		
600,008 Ordinary shares fully paid	600,008	600,008
Less: Equity raising costs	(24,488)	(24,488)
Less: Return of capital	(120,001)	(120,001)
	<u>455,519</u>	<u>455,519</u>
Fully paid ordinary shares:		
At the beginning of the reporting period	600,008	600,008
At the end of the reporting period	<u>600,008</u>	<u>600,008</u>

Ordinary shares participate in dividends, return of capital and the proceeds on winding up of the Company in proportion to the number of shares held. At the shareholders' meetings, each shareholder is entitled to one vote when a poll is called, or on a show of hands. The Company does not have authorised capital or par value in respect of its issued shares. All issued shares are fully paid. All shares rank equally with regard to the Company's residual assets.

17. Capital management

The Board's policy is to maintain a strong capital base so as to sustain future development of the Company. The Board of Directors monitors the return on capital and the level of dividends to shareholders. Capital is represented by total equity as recorded in the Statement of Financial Position.

In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the Distribution Limit, which is the greater of;

- 20% of the profit before sponsorships, donations, and tax of the Company otherwise available for distribution to shareholders in that 12 month period; and
- subject to the availability of distributable profits, the Relevant Rate of Return, which is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%, multiplied by the average level of share capital of the Company over that 12 month period.

The Board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the Company is such that amounts will be paid in the form of charitable donations and sponsorship. Charitable donations and sponsorship paid can be seen in the Statement of Profit or Loss and Comprehensive Income.

There were no changes in the Company's approach to capital management during the year.

18. Retained earnings / (Accumulated losses)

Balance at the beginning of the reporting period	(9,939)	(146,958)
Comprehensive income for the year	122,213	221,020
Dividends paid or provided	(48,001)	(84,001)
<i>Reinstatement of balances due to change in accounting standard</i>	1,780	-
Balance at the end of the reporting period	<u>66,053</u>	<u>(9,939)</u>

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

19. Restatement of balances from prior year

In preparing the 2024 financial statements a change in accounting standard was identified in relation to prior year balances. These amounts are in relation to the deferred tax on the lease liability and right of use asset.

20. Dividends paid or provided for on ordinary shares

	2024	2023
	\$	\$
Dividends paid or provided for during the year		
Fully franked dividend of 8 cents per share (2023: fully franked dividend of 8 cents per share)	48,001	48,001
No special dividend paid (2023: fully franked dividend of 6 cents per share)	-	36,000
	48,001	84,001

A provision is made for the amount of any dividends declared, authorised, and no longer payable at the discretion of the Company on or before the end of the financial year, but not distributed at balance date.

The ability to use franking credits is dependent upon the entity's future ability to declare dividends.

Franking account

The franking credits available for subsequent financial years at a tax rate of 25% (2023: 25%)

107,961	43,829
----------------	---------------

21. Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing the profit or loss attributable to owners of the Company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the year, adjusted for bonus elements in ordinary shares issued during the year.

Basic earnings per share (cents)	20.37	36.84
Earnings used in calculating basic earnings per share	122,213	221,020
Weighted average number of ordinary shares used in calculating basic earnings per share	600,008	600,008

22. Statement of cash flows

a. Cash and cash equivalents balances as shown in the Statement of Financial Position can be reconciled to that shown in the Statement of Cash Flows as follows:

Cash and cash equivalents (Note 5)	261,013	71,199
As per the Statement of Cash Flow	261,013	71,199

22. Statement of cash flows (continued)

	2024 \$	2023 \$
b. Reconciliation of cash flow from operations with profit after income tax		
Profit after income tax	121,834	220,515
Non-cash flows in profit		
- Depreciation	53,696	59,211
Changes in assets and liabilities		
- (Increase) / decrease in trade and other receivables, and other assets	5,052	(23,219)
- (Increase) / decrease in prepayments and other assets	658	(1,581)
- (Increase) / decrease in deferred tax asset	(41,093)	(4,461)
- Increase / (decrease) in deferred tax liability	31,340	-
- Increase / (decrease) in current tax liability	(27,158)	68,345
- Increase / (decrease) in trade and other payables	(61,650)	107,868
- Increase / (decrease) in provisions	(29,278)	11,182
Net cash flows from / (used in) operating activities	<u>53,401</u>	<u>437,860</u>

c. Credit standby arrangement and loan facilities

There were none.

23. Key management personnel and related party disclosures

a. Key management personnel

Any person(s) having authority or responsibility for planning, directing, or controlling the activities of the Company, directly or indirectly including any director (whether executive or otherwise) of that Company is considered key management personnel. In the opinion of the Board, the only key management personnel of the Company are the Directors.

b. Other related parties

Other related parties include close family members of key management personnel and entities that are controlled or jointly controlled by those key management personnel, individually or collectively with their close family members.

c. Transactions with key management personnel and related parties

The Company's charitable donations and sponsorships for 2024 were \$26,513. From time to time the Company sponsors organisations where a DDCDL director is a committee member or responsible person. In such instances the director does not participate in the funding decision. In the 2024 year there was one sponsorship payment of \$2,500 to an organisation of which a Director of the Company was a committee member.

23. Key management personnel and related party disclosures (continued)

d. Key management personnel shareholdings

The number of ordinary shares in Daylesford District Community Developments Limited held by Directors and each key management personnel of the Company, either directly or indirectly, during the financial year is as follows:

	2024	2023
Marek Julius Rak (resigned 30 September 2024)	23,001	23,001
Arthur James Foster	6,000	6,000
Philip Roy Gay	2,500	2,500
Margaret Catherine Hodge	500	500
Joan Mary Janssen	500	500
Catherine Redwood (resigned 4 November 2023)	500	500
Carol Louise Ross	500	500
Phillip Lavelle	-	-
Peter Douglas (resigned 26 September 2024)	-	-
Shanthi Kumar (appointed 6 May 2024)	-	-
Vic Delosa (appointed 25 June 2024)	-	-
	<u>33,501</u>	<u>33,501</u>

e. Other key management transactions

There have been no other transactions involving equity instruments other than those described above.

24. Events after the reporting period

No matter or circumstances have arisen since 30 June 2024 that have significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

25. Contingent liabilities and contingent assets

In July 2024 the Company was notified by Bendigo and Adelaide Bank (BABL) of credit losses arising from a breach of lending procedures. The Company has provisioned \$50,000 to reflect its contractual obligation to cover credit losses. The Company is in discussion with BABL about the credit losses and there is the potential for the Company's liability to exceed \$50,000.

26. Operating segments

The Company operates in the financial services sector where it provides banking services to its clients. The Company operates in one area being Daylesford and surrounding district, in the State of Victoria. The Company has a franchise agreement in place with Bendigo and Adelaide Bank Limited which accounts for 100% of the Company's revenue (2023:100%)

27. Company details

The registered office and principal place of business is: Shop 3, 97 Vincent Street, Daylesford, Victoria, 3460.

28. Financial risk management

Financial risk management policies

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework. The Board has established a Risk Committee which reports regularly to the Board. The Board and Risk Committee are assisted in the area of risk management by an internal audit function conducted by franchise partner Bendigo & Adelaide Bank Limited.

Specific financial risk exposure and management

The main risks the Company is exposed to through its financial instruments are credit risk, liquidity risk, and market risk consisting of interest rate risk and other price risk. There have been no substantial changes in the types of risks the Company is exposed to, how the risks arise, or the Board's objectives, policies, and processes for managing or measuring the risks from the previous period.

The Company's financial instruments consist mainly of deposits with banks, short term investments, account receivables and payables, bank overdraft, and loans. The totals for each category of financial instruments measured in accordance with AASB 139 Financial Instruments: Recognition and Measurement as detailed in the accounting policies are as follows:

	Note	2024 \$	2023 \$
Financial assets			
Cash and cash equivalents	5	261,013	71,199
Trade and other receivables	6	102,151	106,953
Financial assets	7	14,249	13,617
Total financial assets		377,413	191,769
Financial liabilities			
Trade and other payables	12	162,315	213,744
Lease liabilities	13	134,413	182,623
Borrowings	15	452,159	226,496
Total financial liabilities		748,887	622,863

a. Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the Company.

Credit risk is managed through maintaining procedures ensuring, to the extent possible, that clients and counterparties to transactions are of sound credit worthiness. Such monitoring is used in assessing receivables for impairment. Credit terms for normal fee income are generally 30 days from the date of contract. For fees with longer settlement, terms are specified in the individual client contracts. In the case of loans advanced, the terms are specific to each loan.

Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying amount and classification of those financial assets as presented in the table above.

The Company has significant concentrations of credit risk with Bendigo and Adelaide Bank Limited. The Company's exposure to credit risk is limited to Australia by geographic area.

None of the assets of the Company are past due (2023: nil past due) and based on historic default rates, the Company believes that no impairment allowance is necessary in respect of assets not past due.

The Company limits its exposure to credit risk by only investing in liquid securities and therefore credit risk is considered minimal.

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Notes to the Financial Statements

b. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company ensures it will have enough liquidity to meet its liabilities when due under both normal and stressed conditions. Liquidity management is carried out within the guidelines set by the board.

The table below reflects an undiscounted contractual maturity analysis for financial liabilities. The Bank overdraft facility is subject to annual review, may be drawn at any time, and may be terminated by the Bank without notice. Therefore the balance of the overdraft facility outstanding at year end could become repayable within 12 months.

Cash flows realised from financial assets reflect management's expectation as to the timing of realization. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates and does not reflect management's expectations that banking facilities will be rolled forward.

Financial liability and financial asset maturity analysis:

30 June 2024	Total	Within 1 year	1 to 5 years	Over 5 years
	\$	\$	\$	\$
Financial assets				
Cash and cash equivalents	261,013	261,013	-	-
Trade and other receivables	102,151	102,151	-	-
Financial assets	14,249	14,249	-	-
Total anticipated inflows	377,413	377,413	-	-
Financial liabilities				
Trade and other payables	162,315	162,315	-	-
Lease liabilities	134,413	52,914	81,499	-
Borrowings	452,159	31,503	126,012	294,644
Total expected outflows	748,887	246,732	207,511	294,644
Net inflow / (outflow) on financial instruments	(371,474)	130,681	(207,511)	(294,644)
30 June 2023	Total	Within 1 year	1 to 5 years	Over 5 years
	\$	\$	\$	\$
Financial assets				
Cash and cash equivalents	71,199	71,199	-	-
Trade and other receivables	106,953	106,953	-	-
Financial assets	13,617	13,617	-	-
Total anticipated inflows	191,769	191,769	-	-
Financial liabilities				
Trade and other payables	213,744	213,744	-	-
Lease liabilities	182,623	47,709	134,914	-
Borrowings	226,496	-	226,496	-
Total expected outflows	622,863	261,453	361,410	-
Net inflow / (outflow) on financial instruments	(431,094)	(69,684)	(361,410)	-

c. Market Risk

Market risk is the risk that changes in market prices, such as interest rates, will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments.

The financial instruments that primarily expose the Company to interest rate risk are borrowings, fixed interest securities, and cash and cash equivalents.

Sensitivity analysis

The following table illustrates sensitivities to the Company's exposures to changes in interest rates and equity prices. The table indicates the impact on how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities assume that the movement in a particular variable is independent of other variables.

	Profit \$	Equity \$
Year ended 30 June 2024		
+/- 1% in interest rates (interest income)	2,753	2,753
+/- 1% in interest rates (interest expense)	(1,344)	(1,344)
	<u>1,409</u>	<u>1,409</u>
Year ended 30 June 2023		
+/- 1% in interest rates (interest income)	847	847
+/- 1% in interest rates (interest expense)	(1,826)	(1,826)
	<u>(979)</u>	<u>(979)</u>

There have been no changes in any of the methods or assumptions used to prepare the above sensitivity analysis from the prior year.

The Company has no exposure to fluctuations in foreign currency.

d. Price risk

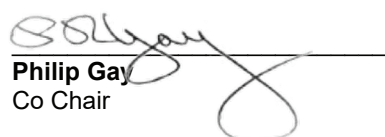

The Company is not exposed to any material price risk.

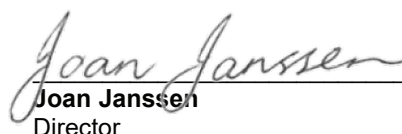

Daylesford District Community Developments Limited
ABN: 72 149 942 067
Directors' Declaration

In accordance with a resolution of the Directors of Daylesford District Community Developments Limited, the Directors of the Company declare that:

1. The Financial Statements and Notes as set out on pages 9 to 31 are in accordance with the *Corporations Act 2001* and:
 - i) comply with Australian Accounting Standards which, as stated in accounting policy Note 1(a) to the Financial Statements, constitutes compliance with International Financial Reporting Standards (IFRS); and
 - ii) give a true and fair view of the Company's financial position as at 30 June 2024 and of the performance for the year ended on that date;
2. In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Philip Gay
Co Chair

Joan Janssen
Director

Independent Auditor's Report

To the Directors of Daylesford District Community Developments Ltd

Opinion

We have audited the financial report of Daylesford District Community Developments Ltd (the Company), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2024 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the Directors of the Company, would be in the same terms if given to the Directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Directors for the Financial Report

The Directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the Directors determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Independent Auditor's Report

To the Directors of Daylesford District Community Developments Ltd

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
