

Sponsorship program guidelines

For eligible organisations in our community

Version 4.0

Prepared: 10 November 2023

This assessment process has been designed to help organisations in our communities to apply for sponsorship funding.

Introduction

Being part of Bendigo Bank is about being part of something bigger. While we provide excellent banking and financial services, we aim to give back to our community. By banking with us, our customers are also helping to support their communities through our sponsorship program.

Our community sponsorship program facilitates mutually beneficial partnerships with eligible organisations in our community.

What is a sponsorship?

A sponsorship is an arrangement with **Community Bank Gingin & Lancelin** to support an event, activity, individual or organisation through the provision of money, goods or services.

Our sponsorships typically provide a tangible benefit to both the recipient (which benefits through receiving material support) and the sponsor (which benefits via enhanced public image and access to a wider audience). The recipient is required to provide some service back to the sponsor, such as advertising or tickets.

Note:

- Charitable donations are not sponsorships. Please talk to us about whether these may qualify via our grants program.
- Direct advertising is not considered a sponsorship.

Sponsorship program objectives

The objectives of our sponsorship program are to:

1. **To distribute part of the bank's profits in the form of Sponsorship & Minor Grants**
2. **To help improve the standards of living in the Shire of Gingin in areas including: recreation, education and entertainment**
3. **To assist members of the community in need**
4. **Provide financial assistance for community groups to develop well-planned events & projects to further benefit their members and the community**

Managing your sponsorship

This may include, but is not limited to, changes to your organisation's name, address, financial situation, senior staffing arrangements, or significant changes to the project initiative.

You must also notify us if:

- any other parties become sponsors of the event
- you are planning any other initiatives in addition to the sponsored event
- if you become aware of any incident that has the potential to damage the reputation or image of the Sponsored Party, the Sponsored Events, the Sponsor, any Related Company of the Sponsor or Sponsored Party (Notifiable Conduct). More information is provided in our funding agreements.

Sponsorship agreement variations

We understand that circumstances change, and things don't always go to according to plan. If there has been a change that will impact your project, you can request a variation to your sponsorship agreement by contacting us.

We will consider your request, and if we decide to accept your proposed changes, we will issue a deed of variation for your signature.

Reporting requirements

You will be required to complete a sponsorship acquittal form within **60 days** of your nominated project end date. The acquittal report must be submitted electronically through the application hub.

The report includes information about how the funds were spent, the benefits delivered, participant/recipient information, achievements of the project, and any lessons learned.

We ask that any photos of your event/season are included in this acquittal form so that we can use them for future marketing/advertising opportunities

You should identify key internal stakeholders who will be responsible for collecting and reporting data from before, during and after your initiative.
