

What motivates you?

We've been in the community now for more than three years, working hard to achieve our business and community goals. The sky will never truly be the limit. Why? We are **bigger** than that.

This community-owned and operated business has more than 300 local shareholders, provides financial and telecommunication services across the region to more than 700 customers and directly provides four staff with a livelihood each year. We are also involved in achieving community outcomes, and encourage everyone in our community to help make Dunkeld and District the best place it can be.

Dunkeld & District **Community Bank**[®] Branch is **Bigger than a bank**. It's part of a national network that has returned more than \$120 million back to Australian communities. Our branch has returned \$85,000 back to our community and is committed to keeping jobs local. We are about thinking locally and acting locally, because big ideas do not have to come from big places.

Our community motivates how we think and what we do. So tell us what motivates you, because we want to be apart of it.

Grampians Golf Club hosted Vic Sand Greens Championship – First since 1993.

Saturday 5 and Sunday 6 July saw the Victorian Men's Sand Greens Championship being held out in the picturesque course of the Grampians Golf Club. This is the first time the club has hosted the championship since 1993, and it has taken more than three years of liaising with Golf Victoria to see its return. Despite the inclement weather on the Saturday, the event received high accolades from all who participated, especially regarding organisation and course condition.

The day was an all round success for the club, raising more than \$8,000, plus having the added benefit of bringing tourists to our region. The event has been fantastic for Dunkeld and surrounds, and Dunkeld & District **Community Bank**® Branch is so proud to have played a helping hand.
