

It's our birthday.

How time flies when you're having fun. It has now been five years since we opened our doors to the communities of Dunkeld, Penshurst, Cavendish, Glenthompson and Braxholme.

The Board and staff would like to thank all the shareholders and customers for their support over the past five years and their continued support into the future. The Dunkeld & District **Community Bank**® Branch has been able to give back \$115,000 to help maintain and improve our local communities.

Grampians Cricket Club looking the part.

The Grampians Cricket Club are looking the part after a five year sponsorship deal from the Dunkeld & District **Community Bank**® Branch. The Club approached The Dunkeld & District **Community Bank**® Branch in 2010 seeking funding for club t-shirts and we willingly offered a five year sponsorship deal. They look like professionals as well as playing like them.

A well needed upgrade for the Glenthompson Community Notice Board.

The Glenthompson Community approached the Dunkeld & District **Community Bank**® Branch seeking some support for their proposition of a new community board for the community. We were more than happy to help out, contributing \$1,000 to assist with the well needed upgrade. The new community board is much more functional, now being larger in size, waterproof and lockable.

Penshurst Boxing Day Races – a great day out.

When Penshurst Racing Club asked for support for their annual race meet, the Dunkeld & District **Community Bank**® Branch was more than happy to help. The \$750 sponsorship assisted with advertising and making it a more family friendly event. There were many things to enjoy at the Boxing Day races including kids' activities and fashions of the field.
