Grampians Golf Club's 51st Annual Tournament a popular event for keen golfers.

Two Competitors enjoying the beautiful surrounds of the Grampians Golf Club at the 51st Annual Tournament.

The Grampians Golf Club held their annual tournament with three days of golf on offer to players. A 4BBB day for men and women was a great success with 84 players competing for the fantastic trophies. Saturday, the traditional men's day, combined a 36 hole stroke competition with the Western District Golf Association Sandgreen Championship and

finished the day with a longest drive 'shoot out' for cash prizes. Sunday consisted of 80 mixed players contending for the ambrose titles with prizes for mixed and standard teams of four players. This is a great event for a small town, bringing many people from across Victoria to Dunkeld for the weekend, in turn supporting the town while they are here. Dunkeld & District **Community Bank**[®] Branch are more than happy to sponsor such a successful event and a great way to support the community.
