

Our big move.

We are happy to report that it all finally happened as scheduled and on 8 December 2015 we completed the move to the new Kingsway **Community Bank®**

Branch within the Kingsway Shopping Centre and opened the door to the general public. On 10 December 2015 we had our official opening which was performed by Tracey Roberts, Mayor of Wanneroo. It was a huge challenge for the staff and the Board but we all came through the 'other side' and really enjoyed having many of our customers, shareholders plus a few past members of the Board attend the afternoon celebration. The staff are now enjoying our new elegant look in the branch which has provided a positive working environment.

New Manager and Customer Service Officer.

We are pleased to introduce our new additions to the team at the new **Community Bank®** Branch, Branch Manager Debbie Hicks

and Customer Service Officer Kellie Lyons. They come to the branch with a world of knowledge and experience and look forward to assisting you with all your banking needs and enquiries. Our strong team is looking at a bright future for our branch and community.

Shares available.

There are currently 21 interested parties looking to sell shares in Kingsway Community Financial Services Limited through the company's low volume market: www.bendigobank.com.au/kingsway.

Thanks Bill.

Many of you in the Northern suburbs are familiar with the name Bill Meredith and many have met him. Bill has been on the Board at Kingsway **Community Bank**® Branch for 12 years. He was one of the founder members of the branch. As the previous Chairperson, he has brought many successful projects to the table. He has guided and been a leader in every way. Bill has stepped down from the Board having decided that retirement was imminent but we all know that he will continue to contribute to the community one

way or another and also attend to his own family business. He will be sorely missed by the Board and staff who all wish Kate and Bill a very happy retirement and lots of adventures in the future.
