

National Conference celebrates 20 years.

The 2018 **Community Bank**® National Conference is in Bendigo in September.

As the network commemorates the 20th anniversary of the **Community Bank**® model, we have much to celebrate.

Bev and Anne will be attending the special event and look forward to hearing what amazing things other **Community Bank**® branches have planned for the future and what they are already doing in their communities as well as sharing our journey.

Olympic Kingsway Sporting Club.

We have sponsored the Junior Football Teams for this season and here are some of our lucky recipients of our player awards presented by Vicki and Anouck.

Calan Williams Racing.

Not sure if you have all been following Calan's amazing journey, but we have as he has been stepping up to some huge challenges on the European circuit. He popped into the Kingsway **Community Bank**® Branch and said hi to the staff and Director Bev Errington while he was back in WA on a quick visit before returning to the UK. He will be competing in Europe again

soon and we wish him well on his journey and "wow" what a journey.

He has managed to get himself in the local newspapers as well. We think, as do many others, that we are looking at the next Daniel Ricciardo. Just one more thing Kingsway **Community Bank**® Branch can be proud of as we support Calan on his journey.

Padbury Netball Club.

Padbury Netball Club are just over halfway through the 2018 winter regular season and they have had some great results from their teams so far. They have two brand new 13 and Under teams, both currently sitting in final contention. The Open teams that have been around the club for some time are also setting some great examples of quality netball.

The clubs Movie Fundraiser event on the 25 June was a great success, raising \$420 towards the end of season gathering and more importantly being able to put more towards development for their members. They currently have numerous umpires that will likely be assessed for badge status in the coming months. The Club wishes them the best of luck as does the Kingsway **Community Bank®** Branch.

As they head on the road to finals, over half of the 10 teams are in a good position on the ladder to make finals. There will be lots of hard work at training to get the results they want on court.

Kingsway Roo's Netball Club.

We welcome Kingsway Roo's Netball Club to our little community. After a three week break from the season the teams are pumped to get back onto the courts. They have been battling it out with not only the other teams but the weather. We wish them good luck with their upcoming games. Look out for their fundraising events as I am sure they would love the support.
