## Bendigo Bank helps transition Carine Cats with sponsorship.

Carine Cats Ball Club has thanked Kingsway **Community Bank**® Branch for our generous sponsorship to help with the club's new transition program. The program aims to help skill and transition players from t-ball to baseball and softball.

Softball now has two Bendigo Bank Little League teams, with one team winning the inaugural season championship. T-ball has new Bendigo Bank uniforms for the teams and coaches. The club is now able to grow on this successful first year to allow players to get to first base in diamond sports. This program is the first of its type in WA and is made possible by Kingsway **Community Bank**® Branch.

## Suza and Thierry's big day.

Friday 25 April 2014 was a memorable day for most Australians and even more so for myself and my husband Thierry – the perfect day for our wedding. The weather was great, the setting at Matilda Bay Reserve was ideal and the city served as the perfect backdrop for our photos. We were fortunate enough to share the day with our family and closest friends. We're now looking forward to a long and happy future together, and hoping to get some time away for our honeymoon.

## Madeley Primary School.

We have agreed to support the Madeley Primary School for a further three years! The Play and Learn program wouldn't be able to run at the school if it wasn't for Kingsway **Community Bank**® Branch. It is an innovative neighbourhood school

program that aims to build the capacity of parents. It enables parents to assist with literacy and numeracy skills development, help build the foundations of social and emotional development, aid in the transition from home to school and identify specific students who may require early intervention before starting school.

## Padbury Netball Club.

We have continued our support of the Padbury Netball club for another season and wish them well on their road to the finals.

## Balga Early Learning Centre.

We got involved with the Balga Early Learning Centre two years ago. Since then we have been able to organise partnerships with the Men's Shed and West Coast TAFE to help fix and maintain the centre, as it

was in need of some love and attention, which it could not afford. The 'You Like' Campaign saw the centre receive much needed funds to establish a fruit and vegetable garden so that the kids can grow and eat food they have grown themselves. Kingsway **Community Bank**® Branch has also helped to fund the kids' Christmas party for the past two years, making sure every child receives a gift. At present we are helping the centre organise and run a Golf Day, set to be held on 6 November 2014. The proceeds will help fund families who cannot afford for their children to attend the centre. If you are interested in attending the Golf Day please contact Jo Ineson at jo.ineson@salvationarmy.org or phone 9349 7488.

## Wanneroo Show – Idol 2013.

Kingsway **Community Bank**® Branch has a long association with the Wanneroo Agricultural Society, which stages the annual Wanneroo Agricultural Show. Demographic changes have seen the area become one of the fastest growing areas in the country. But the focus on this event still

remains the same, an agricultural show with some rural influence. In line with this, our branch supports the premier competitive show event, "Wanneroo Idol", a hugely popular opportunity for talented youngsters to hone their musical and stage performance. The stage is now the Kingsway **Community Bank**® Branch Stage, which gets prime exposure over the two-day event. The finalists all get a voucher redeemable as a new account and the winners and runners-up also get prizes that are vouchers redeemable as new accounts at the branch. We have watched the children grow and develop their skills. Some have come back each year more confident and with better skill sets. It is amazing to see!
