Ku-ring-gai Financial Services Limited

ABN 56 103 129 184

Financial Report - 30 June 2023

The directors present their report, together with the financial statements, on the company for the year ended 30 June 2023.

Directors

The following persons were directors of the company during the whole of the financial year and up to the date of this report, unless otherwise stated:

Name: Title: Experience and expertise:	Jason Conor Grindlay Non-executive director Jason holds a Masters degree in Civil Engineering (Hons) with European Studies (Spanish) from the University of Bristol, U.K. He worked in Investment banking at Credit Suisse in London and New York before moving to the Institutional buy-side in several multi-billion dollar funds. He has invested in companies across all sectors and continents. In recent years he has invested and run private companies and this experience is particularly helpful in his role on the board at KFSL. Models that create multiplier outcomes for social good (for example education) are a focus and the attraction of KFSL is that a profitable enterprise can create perpetual good in its local community by deploying part of its profits. A healthy KFSL means more good and impact in the communities in which it serves.
Special responsibilities:	Chair, Member of Customer and Community Committee
Name: Title: Experience and expertise:	Sara Adams Non-executive director GAICD. Sara has had over 24 years' experience in the ICT industry holding senior leadership roles within sales, marketing and distribution channels for companies such as Apple and Cisco.
Special responsibilities:	Deputy Chair, Chair of Customer and Community Committee, Chair of the HR Committee
Name: Title: Experience and expertise:	Christopher Bradley Williamson Non-executive director BCom. Chris brings business development, marketing and technology experience to the Board, as well as a Gen Y perspective. After working in finance and IT whilst studying for his Bachelor of Commerce majoring in Economics and Business Law at Macquarie University, Chris founded his own marketing agency based in Pymble.
Special responsibilities:	Member of the Finance, Risk and Governance Committee
Name: Title: Experience and expertise:	Adrian Gordon Fong Non-executive director B Com, LLB, LLM, Legal Practitioner of the Supreme Court of NSW, Practising Principal Member of Law Society of NSW, Member of NSW Chamber of Commerce. Adrian resides in St Ives and is involved with local sporting clubs and community groups. He has practised as a commercial lawyer for over 20 years, and was previously a corporate and commercial partner for a large national law firm. Adrian is now the principal of his own corporate and commercial legal practice based in Sydney. He specialises in business acquisitions and divestments, franchise law, finance, corporate governance and corporate restructures, and distribution and consumer law.
Special responsibilities:	Chair of Finance, Risk and Governance Committee

Name: Title: Experience and expertise:	Stephen Peter Brickett Non-executive director (appointed 25 July 2022) BCompt (Honours), Chartered Accountant. Based in Sydney, Stephen has over 20 years' experience in both professional services and listed global financial services organisations in South Africa, the United Kingdom and Australia. Stephen is currently a General Manager: Finance for a leading medical defence organisation. He has previously held the positions of a Division Director and Chief Accountant, leading finance functions at ASX and other listed organisations. In these roles he was responsible for overseeing numerous finance functions, including group reporting (statutory, regulatory and integrated), tax, accounting policy and financial control and serving as a Board Director on a securitisation vehicle. Stephen lives in Turramurra and is an active member in his children's school and sporting activities.
Special responsibilities:	Member of Finance, Risk & Governance Committee
Name: Title: Experience and expertise:	Catherine Anne Harris Non-executive director (appointed 9 March 2023) Catherine Harris is an experienced Human Resources Specialist with over 20 years' experience working across a variety of industries. Her experience has been gained working with multi-national, not-for-profits, Government, and small-to-medium companies. Currently founder and managing director of Project Roar, a coaching and facilitation organisation specialising in talent, career and leadership areas. Prior to her current role, she held positions as Business Manager and Head of Talent Acquisition at SingTel Optus. Dedicated to community engagement and giving back, she's taken on numerous roles, from managing a cricket team to leading as an age manager at Nippers, actively contributing to her local public school's P&C, and enthusiastically participating in a variety of fundraising endeavours. Catherine has a Postgraduate Certificate in Career Development from SRI, Master of Business Administration from Macquarie Graduate School of Management and a Bachelor of Arts majoring in Psychology from Macquarie University. She brings strong understanding of Human Resources, business acumen, strategic awareness, sales and marketing.
Special responsibilities:	Nil
Name: Title: Experience and expertise:	Zoe Gilliland Non-executive director (appointed 5 February 2023) Zoe is a results-driven and optimistic business professional with over 20 years' experience in sales, marketing and retail. Zoe's success in increasing market adoption across Sydney's North Shore and throughout Australia is testament to her expertise in creating and executing highly targeted marketing campaigns. By capitalising on local connections, devising innovative campaigns, and embracing a willingness to try new things, she has consistently demonstrated a track record of enhancing and expanding revenue streams in both corporate and entrepreneurial ventures. Zoe has developed sound commercial and business acumen over many years in senior leadership roles with companies such as Oracle and Optus, where she has overseen a half-billion-dollar enterprise and propelled her own thriving small business to succeed. Combining her wealth of business knowledge with her history in fundraising through her efforts with Fight on the Beaches, the local Lions Club Christmas Carols, her children's schools, and most recently with Bendigo Community Bank Lindfield & Districts, she is excited to continue this work in the local North Shore community.
Special responsibilities:	Member of the HR Committee
Name: Title: Experience and expertise: Special responsibilities:	Himal Suneth Randeniya Non-executive director (resigned 29 May 2023) Himal is a Director of Being Early Education. His life's purpose is helping shape an extraordinary system of education that creates a powerful future for all children and students. Himal is a Director for the Being Group, Work Flows Pty Ltd, and mentor for technology start-ups through Blackbird's Startmate Accelerator. Member of the Customer and Community Committee
· ·	,

Name: Title: Experience and expertise:	Linda June McDonald Non-executive director (retired 3 January 2023) BSc, AFIML, FAITD. Linda has 30 years' experience consulting to medium to large businesses in executive coaching, leadership development and team development. She works from her home in Lindfield where she has lived for over 35 years. Prior to her consulting career she held senior management roles in human resources and organisation development with large corporates in Australia and Canada. She is President of Support Lindfield, a local community group lobbying for a community hub in Lindfield and is Vice President of the North Shore Rowing Club and is a keen rower and cyclist.
Special responsibilities:	Chair of the HR Committee
Name: Title: Experience and expertise:	Alan James Bardwell Non-executive director (resigned 3 January 2023) BA(Hons), CA, SFFin, GAICD. Alan has over 35 years' experience in the banking and finance industry including 16 years with Citigroup and 10 years to February 2017 as Chief Financial Officer and then Chief Risk Officer at ASX Limited. Alan is deputy Chairman of Australian Military Bank and a non-executive director of ClearView Life Nominees Pty Ltd and the Financial Services Institute of Australasia. Alan is also Chairman of the Market Supervision and Compliance Committee that advises the Board of the Sydney Stock Exchange. Alan served as Chairman of RT Health Limited and as a director of Transport Health Pty Ltd until 1 November 2021. Alan was appointed Chairman of Ku-ring-gai Financial Services Ltd in November 2016. Alan has enjoyed strong associations with local Scouts, football and bushcare groups.
Special responsibilities:	Member of the HR Committee and the Finance, Risk and Governance Committee.
Name: Title: Experience and expertise:	Anthony Mostyn Carr Non-executive director (resigned 29 August 2022) Tony Carr is a Non-Executive Director, Councillor, Treasurer, Committee Member & Chair and Director with over twenty years of board level experience across the public, commercial & not for profit sectors with expertise in Banking and Financial Services, and in addition - Local Government and Health Care industries.

No directors have material interest in contracts or proposed contracts with the company.

Company secretary

There have been two company secretaries holding the position during the financial year:

- Joy Lenore Rollason was appointed company secretary on 30 June 2023.
- Viktoriya Kravets was appointed company secretary on 8 February 2021 and resigned on 30 June 2023.

Principal activity

The principal activity of the company during the financial year was facilitating Community Bank services under management rights of Bendigo and Adelaide Bank Limited (Bendigo Bank).

There have been no significant changes in the nature of this activity during the financial year.

Review of operations

The profit for the company after providing for income tax amounted to \$1,336,927 (30 June 2022: \$277,228).

The company has seen a significant increase in its revenue during the financial year. This is a result of the Reserve Bank of Australia (RBA) increasing the cash rate by 3.25% during the financial year moving from 0.85% to 4.10% as at 30 June 2023. The increased cash rate has had a direct impact on the revenue received by the company, increasing the net interest margin income received under the revenue share arrangement the company has with Bendigo Bank.

Dividends

During the financial year, the following dividend was provided for and paid.

2023	
\$	

163,204

Fully franked dividend of 7.25 cents per share (2021: 6.25 cents)

Significant changes in the state of affairs

Other than as mentioned above in the review of operations, there were no other significant changes in the state of affairs of the company during the financial year.

Matters subsequent to the end of the financial year

For the financial year ended 30 June 2023, the Company has declared a final dividend of 19.16c per share comprising of a current year dividend of 7.39c per share and a 11.77c per share special dividend. The dividend is payable to shareholders that are registered with KFSL at the close of business on Friday, 20 October 2023, and will be paid on Wednesday, 8 November 2023.

The Board of Ku-ring-gai Financial Services Limited, operators of the Community Bank branches at Turramurra and Lindfield, decided that it would close its Turramurra branch. This decision was carefully considered and is the result of primary factors that included (i) the growing trend of our customers to move away from in-branch transactions and towards online and phone banking platforms (ii) the rising cost of in-branch transactions and the declining volume of transactions to support such costs, and (iii) the lease that ended in early August 2023. This decision was supported by Bendigo and Adelaide Bank Ltd and the Turramurra branch closed on Friday, 14 July 2023.

No other matter or circumstance has arisen since 30 June 2023 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Likely developments

The company will continue its policy of facilitating banking services to the community.

Environmental regulation

The company is not subject to any significant environmental regulation under Australian Commonwealth or State law.

Meetings of directors

The number of directors meetings attended by each of the directors of the company during the financial year were:

	Boar	ď
	Е	А
Jason Conor Grindlay	11	10
Sara Adams	11	11
Christopher Bradley Williamson	11	11

Linda June McDonald	7	6
Alan James Bardwell	6	6
Anthony Mostyn Carr	2	2

E: Eligible

A: Attended

Eligible: represents the number of meetings held during the time the director held office.

Directors' benefits

No director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the company, controlled entity or related body corporate with a director, a firm of which a director is a member or an entity in which a director has a substantial financial interest except as disclosed in note 25 to the financial statements.

Directors' interests

The interest in company shareholdings for each director are:

	Balance at the start of the year	Balance at the end of the year
Jason Conor Grindlay	-	17,000
Sara Adams	-	-
Christopher Bradley Williamson	-	-
Adrian Gordon Fong	-	-
Stephen Peter Brickett	-	3,000
Catherine Anne Harris	-	-
Zoe Gilliland	-	-
Himal Suneth Randeniya	-	-
Linda June McDonald	6,000	N/A
Alan James Bardwell	1,000	N/A
Anthony Mostyn Carr	-	N/A

Indemnity and insurance of directors and officers

The company has indemnified all directors and the manager in respect of liabilities to other persons (other than the company or related body corporate) that may arise from their position as directors or manager of the company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance.

Proceedings on behalf of the company

No person has applied to the Court under section 237 of the *Corporations Act 2001* for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the *Corporations Act 2001*.

Indemnity and insurance of auditor

The company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the company or any related entity against a liability incurred by the auditor.

During the financial year, the company has not paid a premium in respect of a contract to insure the auditor of the company or any related entity.

Non-audit services

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. Details of the amounts paid or payable to the auditor (Andrew Frewin Stewart) for audit and non-audit services provided during the year are set out in note 27 to the accounts.

The board of directors has considered the non-audit services provided during the year by the auditor and, in accordance with the advice received from the Finance, Risk and Governance Committee, is satisfied that the provision of the non-audit services is compatible with, and did not compromise, the auditor independence requirements of the *Corporations Act 2001* for the following reasons:

- all non-audit services have been reviewed by the Finance, Risk and Governance Committee to ensure they do not
 impact on the impartiality, integrity and objectivity of the auditor; and
- the non-audit services provided do not undermine the general principles relating to auditor independence as set out in APES 110 Code of Ethics for Professional Accountants, as they did not involve reviewing or auditing the auditor's own work, acting in a management or decision making capacity for the company, acting as an advocate for the company or jointly sharing risks and rewards.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 298(2)(a) of the *Corporations Act* 2001.

On behalf of the directors

milleus

Jason Conor Grindlay Chair

25 September 2023

Independent auditor's independence declaration under section 307C of the *Corporations Act 2001* to the Directors of Ku-Ring-Gai Financial Services Limited

As lead auditor for the audit of Ku-Ring-Gai Financial Services Limited for the year ended 30 June 2023, I declare that, to the best of my knowledge and belief, there have been:

- i) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Joshua Griffin

Lead Auditor

Andrew Frewin Stewart 61 Bull Street, Bendigo, Vic, 3550 Dated: 25 September 2023

Note 1. Reporting entity

The financial statements cover Ku-ring-gai Financial Services Limited (the company) as an individual entity which is a forprofit entity for financial reporting purposes under Australian Accounting Standards.

The company is an unlisted public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is 318 Pacific Highway Lindfield NSW 2070.

A description of the nature of the company's operations and its principal activity is included in the directors' report, which is not part of the financial statements.

Note 2. Basis of preparation and statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations adopted by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The financial statements comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB). The financial statements have been prepared on an accrual and historical cost basis and are presented in Australian dollars, which is the company's functional and presentation currency.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25 September 2023. The directors have the power to amend and reissue the financial statements.

Note 3. Changes in accounting policies, standards and interpretations

There are a number of amendments to accounting standards issued by the AASB that became mandatorily effective for accounting periods beginning on or after 1 July 2022, and are therefore relevant for the current financial year. The amendments did not have any impact on the amounts recognised in prior periods and did not have a material impact to the current period.

Note 4. Significant accounting policies

The company has consistently applied the following accounting policies to all periods presented in these financial statements.

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when it is held primarily for the purpose of trading and it is expected to be realised or intended to be sold or consumed in the company's normal operating cycle within 12 months after the reporting period, or the asset is cash or a cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when it is either expected to be settled in the company's normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

Impairment

Financial assets

Expected credit losses (ECL) are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received. At each reporting date, the entity recognises the movement in the ECL (if any) as an impairment gain or loss in the statement of profit or loss.

Note 4. Significant accounting policies (continued)

The company's trade receivables are limited to the monthly profit share distribution from Bendigo Bank, which is received 10 business days post month end. Due to the reliance on Bendigo Bank the company has reviewed credit ratings provided by Standard & Poor's, Moody's and Fitch Ratings to determine the level of credit exposure to the company. The company also performed a historical assessment of receivables from Bendigo Bank and found no instances of default. As a result no ECL has been made in relation to trade receivables as at 30 June 2023.

Non-financial assets

At each reporting date, the company reviews the carrying amounts of its tangible assets and intangible assets to determine whether there is any indication those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of any impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except when the amount of GST incurred on a sale or purchase of assets or services is not payable to or recoverable from the taxation authority. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the revenue or expense item.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which are recoverable from, or payable to, the taxation authority is classified as part of operating cash flows.

Note 5. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events that it believes to be reasonable under the circumstances. Differences between the accounting judgements and estimates and actual results and outcomes are accounted for in future reporting periods. The judgements, estimates and assumptions that could have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives or assets that have been abandoned or sold will be written off or written down.

Impairment of non-financial assets

The company assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined as the higher of its fair value less costs of disposal or value-in-use, each of which incorporate a number of key estimates and assumptions.

Recovery of deferred tax assets

Deferred tax assets are recognised for deductible temporary differences only if the company considers it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Note 5. Critical accounting judgements, estimates and assumptions (continued)

Lease term

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. The company reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the company estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and inflation have been taken into account.

The company uses historical employee attrition rates in determining the probability of an employee, at a given date, achieving continuous employment eligible for entitlement in accordance with long service leave legislation.

Lease make good provision

A provision has been made for the present value of anticipated costs for future restoration of leased premises. The provision includes future cost estimates associated with closure of the premises. The calculation of this provision requires assumptions such as application of closure dates and cost estimates. The provision recognised for each site is periodically reviewed and updated based on the facts and circumstances available at the time. Changes to the estimated future costs for sites are recognised in the statement of financial position by adjusting the asset and the provision. Reductions in the provision that exceed the carrying amount of the asset are recognised in profit or loss.

Note 6. Economic dependency

The company has entered into a franchise agreement with Bendigo Bank that governs the management of the Community Bank. The company is economically dependent on the ongoing receipt of income under the franchise agreement with Bendigo Bank. The directors have no reason to believe a new franchise arrangement under mutually acceptable terms will not be forthcoming following expiry in October 2023.

The company operates as a franchise of Bendigo Bank, using the name "Bendigo Bank" and the logo and system of operations of Bendigo Bank. The company manages the Community Bank on behalf of Bendigo Bank, however all transactions with customers conducted through the Community Bank are effectively conducted between the customers and Bendigo Bank.

All deposits are made with Bendigo Bank, and all personal and investment products are products of Bendigo Bank, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo Bank, must be approved by Bendigo Bank. All credit transactions are made with Bendigo Bank, and all credit products are products of Bendigo Bank.

The company promotes and sells the products and services, but is not a party to the transaction.

The credit risk (i.e. the risk that a customer will not make repayments) is borne by Bendigo Bank as long as the company has complied with the appropriate procedures and relevant obligations and has not exercised a discretion in granting or extending credit.

Note 6. Economic dependency (continued)

Bendigo Bank provides significant assistance in establishing and maintaining the Community Bank franchise operations. It also continues to provide ongoing management and operational support and other assistance and guidance in relation to all aspects of the franchise operation, including advice and assistance in relation to:

- the design, layout and fit out of the Community Bank premises
- training for the branch manager and other employees in banking, management systems and interface protocol
- methods and procedures for the sale of products and provision of services
- security and cash logistic controls
- calculation of company revenue and payment of several operating and administrative expenses
- the formulation and implementation of advertising and promotional programs
- sales techniques and proper customer relations
- providing payroll services.

Note 7. Revenue from contracts with customers

	2023 \$	2022 \$
Margin income Fee income Commission income	3,530,027 102,944 287,319	2,004,006 101,700 223,389
	3,920,290	2,329,095

The company has entered into a franchise agreement with Bendigo Bank. The company delivers banking and financial services of Bendigo Bank to its community. The franchise agreement provides for a share of interest, fee, and commission revenue to be earned by the company. Interest margin share is based on a funds transfer pricing methodology which recognises that income is derived from deposits held, and that loans granted incur a funding cost. Fees are based on the company's current fee schedule and commissions are based on the agreements in place. All margin revenue is recorded as non-interest income when the company's right to receive the payment is established.

The company acts as an agent under the franchise agreement and revenue arises from the rendering of services through its franchise agreement.

Revenue is recognised on an accruals basis, at the fair value of consideration specified in the franchise agreement. Under AASB 15 Revenue from Contracts with Customers (AASB 15), revenue recognition for the company's revenue stream is as follows:

<u>Revenue stream</u>	Includes	its obligation to arrange for	monthly and paid within 10
Franchise agreement profit	Margin, commission, and fee	the services to be provided to	
share	income	the customer by the supplier	
			business days after the end of each month.

All revenue is stated net of the amount of GST. There was no revenue from contracts with customers recognised over time during the financial year.

Revenue calculation

The franchise agreement provides that three forms of revenue may be earned by the company which are margin, commission and fee income. Bendigo Bank decides the form of revenue the company earns on different types of products and services. The revenue earned by the company is dependent on the business that it generates, interest rates and funds transfer pricing and other factors, such as economic and local conditions.

Note 7. Revenue from contracts with customers (continued)

Margin

Margin on core banking products is arrived at through the following calculation:

Interest paid by customers on loans less interest paid to customers on deposits

plus: any deposit returns i.e. interest return applied by Bendigo Bank for a deposit

minus: any costs of funds i.e. interest applied by Bendigo Bank to fund a loan.

The company is entitled to a share of the margin earned by Bendigo Bank. If this reflects a loss, the company incurs a share of that loss.

Commission

Commission revenue is generated from the sale of products and services. This commission is recognised at a point in time which reflects when the company has fulfilled its performance obligation.

The company receives trailing commission for products and services sold. The receipt of ongoing trailing commission income is outside the control of the company and is recognised on receipt as there is insufficient detail readily available to estimate the most likely amount of income without a high probability of significant reversal in a subsequent reporting period.

Fee income

Fee income is a share of what is commonly referred to as 'bank fees and charges' charged to customers by Bendigo Bank including fees for loan applications and account transactions.

Core banking products

Bendigo Bank has identified some products and services as 'core banking products'. It may change the products and services which are identified as core banking products by giving the company at least 30 days notice. Core banking products currently include Bendigo Bank branded home loans, term deposits and at call deposits.

Ability to change financial return

Under the franchise agreement, Bendigo Bank may change the form and amount of financial return the company receives. The reasons it may make a change include changes in industry or economic conditions or changes in the way Bendigo Bank earns revenue.

The change may be to the method of calculation of margin, the amount of margin, commission and fee income or a change of a margin to a commission or vice versa. This may affect the amount of revenue the company receives on a particular product or service.

Bendigo Bank may not reduce the margin and commission the company receives on core banking products and services to less than 50% (on an aggregate basis) of Bendigo Bank's margin at that time. For other products and services, there is no restriction on the change Bendigo Bank may make.

Note 8. Finance revenue

	2023 \$	2022 \$
Interest revenue	74,165	6,351

Finance income is recognised when earned using the effective interest rate method.

Note 9. Expenses

Employee benefits expense

	2023 \$	2022 \$
Wages and salaries	786,884	830,963
Non-cash benefits	2,080	748
Superannuation contributions	89,423	86,386
Expenses related to long service leave	3,823	12,614
Other expenses	129,335	100,332

Expenses relating to low-value leases		
	2023 \$	2022 \$
Expenses relating to low-value leases	24,391	33,858

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases and leases of lowvalue assets. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The company pays for the right to use information technology equipment. The underlying assets have been assessed as low value and exempted from recognition under *AASB 16 Leases*. Expenses relating to low-value leases are included in system costs expenses.

Depreciation and amortisation expense

	2023 \$	2022 \$
Depreciation of non-current assets		
Leasehold improvements	19,260	23,273

Provision for lease make good	16,078	12,339
Income accruals Right-of-use assets	(9,438) (62,204)	(460) (233,366)
Expense accuals	(02,204)	(233,300) 990
	1,109	330
Deferred tax asset	85,290	90,300
	2023 \$	2022 \$
Provision for income tax	374,920	26,139

Accounting policy for income tax

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate, adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Accounting policy for current tax

Current tax assets and liabilities are measured at amounts expected to be recovered from or paid to the taxation authorities. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Note 10. Income tax (continued)

Accounting policy for deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for all deductible temporary differences, carried-forward tax losses, and unused tax credits to the extent that it is probable that future taxable profits will be available against which they can be used.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax is measured at the rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date, and reflects uncertainty related to income taxes, if any.

Note 11. Cash and cash equivalents

	2023 \$	2022 \$
Cash on hand Cash at bank	354 952,729	400 613,228
Term deposits	2,866,187	1,766,187
	3,819,270	2,379,815

Accounting policy for cash and cash equivalents

For the purposes of the Statement of Financial Position and Statement of Cash Flows, cash and cash equivalents comprise cash on hand and deposits held with banks.

Note 12. Trade and other receivables

	2023 \$	2022 \$
Trade receivables	314,265	239,790
Accrued income Prepayments	37,751 5,886 43,637	1,838 7,263 9,101
	357,902	248,891

Accounting policy for trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

Note 13. Property, plant and equipment

	2023 \$	2022 \$
Leasehold improvements - at cost	423,946	420,929
Less: Accumulated depreciation	(414,292)	(395,032)
	9,654	25,897
Furniture and fittings - at cost	94,838	94,838
Less: Accumulated depreciation	(77,596)	(72,420)
	17,242	22,418
Motor vehicles - at cost	26,806	26,806
Less: Accumulated depreciation	(9,290)	(2,589)
	17,516	24,217
Office equipment - at cost	907	-
Less: Accumulated depreciation	(163)	-
	744	-
	45,156	72,532

Reconciliations of the carrying values at the beginning and end of the current and previous financial year are set out below:

	Leasehold improvements \$	Furniture and fittings \$	Office equipment \$	Motor vehicle \$	Total \$
Balance at 1 July 2021 Additions Depreciation	36,285 12,885 (23,273)	27,031 245 (4,858)		- 26,806 (2,589)	63,316 39,936 (30,720)
Balance at 30 June 2022 Additions Depreciation	25,897 3,017 (19,260)	22,418 (5,176)	- 907 (163)	24,217 (6,701)	72,532 3,924 (31,300)
Balance at 30 June 2023	9,654	17,242	744	17,516	45,156

Accounting policy for property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment over their expected useful lives as follows:

Leasehold improvements	4 to 10 years
Furniture and fittings	1 to 40 years
Motor vehicle	4 years
Office equipment	3 to 5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

Leasehold improvements are depreciated over the unexpired period of the lease or the estimated useful life of the assets, whichever is the shorter.

Note 13. Property, plant and equipment (continued)

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Changes in estimates

During the financial year, the company assessed estimates used for property, plant and equipment including useful lives, residual values, and depreciation methods. There were no changes in estimates for the current reporting period.

Note 14. Right-of-use assets

	2023 \$	2022 \$
Land and buildings Less: Accumulated depreciation	1,036,601 (787,788)	1,523,141 (589,679)
	248,813	933,462

Reconciliations of the carrying values at the beginning and end of the current and previous financial year are set out below:

	Land and buildings \$
Balance at 1 July 2021	1,131,570
Depreciation expense	(198,108)
Balance at 30 June 2022	933,462
Remeasurement adjustments	(486,541)
Depreciation expense	(198,108)
Balance at 30 June 2023	248,813

Accounting policy for right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

Following the decision to close the Company's Turramurra branch, the Company remeasured its right-of-use asset for this premises. This remeasurement, together with the remeasurement of the associated lease liability (refer to note 17) has been recognised in other revenue.

Refer to note 17 for more information on lease arrangements.

Note 15. Intangible assets

	2023 \$	2022 \$
Franchise fee	118,992	118,992
Less: Accumulated amortisation	(117,626)	(113,231)
	1,366	5,761
Franchise renewal fee	244,949	244,949
Less: Accumulated amortisation	(238,127)	(216,154 <u>)</u>
	6,822	28,795
	8,188	34,556
		01,000

Reconciliations of the carrying values at the beginning and end of the current and previous financial year are set out below:

	Franchise fee \$	Franchise renewal fee \$	Total \$
Balance at 1 July 2021	10,156	50,768	60,924
Amortisation expense	(4,395)	(21,973)	(26,368)
Balance at 30 June 2022	5,761	28,795	34,556
Amortisation expense	(4,395)	(21,973)	(26,368)
Balance at 30 June 2023	1,366	6,822	8,188

Accounting policy for intangible assets

Intangible assets of the company relate to the franchise fees paid to Bendigo Bank which conveys the right to operate the Community Bank franchise.

Intangible assets are measured on initial recognition at cost. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

Intangible assets are amortised over their useful life and assessed for impairment whenever impairment indicators are present.

The estimated useful life and amortisation method for the current and comparative periods are as follows:

<u>Asset class</u>	<u>Method</u>	<u>Useful life</u>	Expiry/renewal date
Franchise Fee	Straight-line	Over the franchise term (5 years)	October 2023
Franchise renewal fee	Straight-line	Over the franchise term (5 years)	October 2023

Amortisation methods, useful life, and residual values are reviewed and adjusted, if appropriate, at each reporting date.

Change in estimates

During the financial year, the company assessed estimates used for intangible assets including useful lives, residual values, and amortisation methods. There were no changes in estimates for the current reporting period.

Note 16. Trade and other payables

	2023 \$	2022 \$
<i>Current liabilities</i> Trade payables	21,872	17,274
Other payables and accruals	142,185	146,306
	164,057	163,580

Accounting policy for trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Where the company is liable to settle an amount within 12 months of the reporting date, the liability is classified as current. All other obligations are classified as non-current.

Note 17. Lease liabilities

	2023 \$	2022 \$
<i>Current liabilities</i> Land and buildings lease liabilities Unexpired interest	144,733 (10,866)	246,413 (41,460)

Not later than 12 months Between 12 months and 5 years Greater than 5 years	144,733 184,346 -	246,413 783,544 124,705
	329,079	1,154,662

Note 17. Lease liabilities (continued)

Accounting policy for lease liabilities

Lease liabilities were measured at amounts equal to the present value of enforceable future payments of the term reasonably expected to be exercised, discounted at the appropriate incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise fixed lease payments and lease payments in a renewal option if the company is reasonably certain to exercise that option. For leases of property the company has elected not to separate lease and non-lease components when calculating the lease liability.

The company has applied judgement in estimating the remaining lease term including the effects of any extension options reasonably expected to be exercised, applying hindsight where appropriate.

The lease liability is remeasured when there is a change in future lease payments arising from a change in an index or rate, if the company changes its assessment of whether it will exercise an extension option.

The company assesses at the lease commencement date whether it is reasonably certain to exercise extension options. The company reassesses whether it is reasonably certain to exercise the options if there is a significant event or significant change in circumstances within its control.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the rightof-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to nil.

The company's lease portfolio includes:

Lease	Discount rate	Non-cancellable term	Renewal options available	Reasonably certain to exercise options	Lease term end date used in calculations
Lindfield branch	4.40%	5 years	N/A	N/A	November 2025
Turramurra branch	4.40%	N/A	5 years	No	August 2023

Remeasurement adjustments

Following the decision during the year to close the Company's Turramurra branch, the Company remeasured its lease liability for this premises. This remeasurement, together with the remeasurement of the associated its right-of-use asset (refer to note 14) has been recognised in other revenue.

Note 18. Employee benefits

	2023 \$	2022 \$
Current liabilities		
Annual leave	81,807	86,470
Long service leave	82,373	66,120
	164,180	152,590
Non-current liabilities		
Long service leave	144	22,621
	101001	
	164,324	175,211

Accounting policy for employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for salary and wages where the employee has provided the service but payment has not yet occurred at the reporting date. They are measured at amounts expected to be paid. Non-accumulating sick leave is expensed when the leave is taken and measured at the rates paid or payable.

Note 18. Employee benefits (continued)

An annual leave liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be reliably estimated. The company's obligations for short-term employee benefits such as salaries and wages are recognised as part of current trade and other payables in the statement of financial position. The company's obligations for employees' annual leave and long service leave entitlements are recognised in employee benefits in the statement of financial position. Consideration is given to expected future wage and salary levels plus related on-costs.

Superannuation contributions

Contributions to superannuation plans are expensed in the period in which they are incurred.

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior reporting periods.

That benefit is discounted to determine its present value. Consideration is given to expected future wage and salary levels plus related on-costs, experience of employee departures, and years of service achieved. Expected future payments are discounted using market yields at the reporting date on high quality corporate bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

Remeasurements are recognised in profit or loss in the period in which they arise.

Note 19. Provisions (lease make good)

	2023 \$	2022 \$
Lease make good provision	64,310	49,355

Lease make good provision

In accordance with the branch lease agreements, the company must restore the leased premises to their original condition before the expiry of the lease term. The company has estimated the provision based on the expected future costs to remove all fittings and the ATM as well as the cost to remedy any damages caused during the removal process. The leases are due to expire as follows at which time it is expected the costs to restore the premises will fall due.

Lease	Lease term expiry date per AASB 16	Estimated future provisions
Lindfield	November 2025	\$35,000
Turramurra	August 2023	\$32,767

Accounting policy for provisions

Provisions are recognised when the company has a present (legal or constructive) obligation as a result of a past event, it is probable the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. The provisions are discounted using a current pre-tax rate specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost.

Note 20. Issued capital

	2023 Shares	2022 Shares	2023 \$	2022 \$
Ordinary shares - fully paid Bonus shares (1:1) Less: Equity raising costs	1,326,925 924,160 	1,326,925 924,160 -	1,326,925 (68,400)	1,326,925 - (68,400)
	2,251,085	2,251,085	1,258,525	1,258,525

Accounting policy for issued capital

Ordinary shares are recognised at the fair value of the consideration received by the company being \$1 per share. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

Rights attached to issued capital

Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the Community Bank branch have the same ability to influence the operation of the company.

Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo Bank contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (refer later).

<u>Transfer</u>

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the *Corporations Act 2001*.

Prohibited shareholding interest

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 10% or more of the shares in the company (the "10% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company
 predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"), being 343. As at the date of this report, the company had 485 shareholders (2022: 486 shareholders).

Note 20. Issued capital (continued)

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and their associates) has a prohibited shareholding interest in are suspended.

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

Note 21. Retained earnings

	2023 \$	2022 \$
Retained earnings at the beginning of the financial year Profit after income tax expense for the year Dividends paid (note 23)	1,052,195 1,336,927 (163,204)	915,660 277,228 (140,693)
Retained earnings at the end of the financial year	2,225,918	1,052,195

Note 22. Capital management

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board monitors the return on capital and the level of distributions to shareholders. Capital is represented by total equity as recorded in the statement of financial position.

In accordance with the franchise agreement, in any 12 month period the funds distributed to shareholders shall not exceed the distribution limit.

The distribution limit is the greater of:

- 20% of the profit or funds of the company otherwise available for distribution to shareholders in that 12 month period; and
- subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital
 of the company over that 12 month period where the relevant rate of return is equal to the weighted average interest
 rate on 90 day bank bills over that 12 month period plus 5%.

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorships. Charitable donations and sponsorships paid for the financial year can be seen in the statement of profit or loss and other comprehensive Income.

There were no changes in the company's approach to capital management during the year.

Note 23. Dividends

The following dividends were provided for and paid to shareholders during the financial year as presented in the Statement of changes in equity and Statement of cash flows.

	2023 \$	2022 \$
Fully franked dividend of 7.25 cents per share (2021: 6.25 cents)	163,204	140,693
Franking credits	2023 \$	2022 \$
Franking account balance at the beginning of the financial year Franking credits arising from income taxes paid Franking debits from the payment of franked distributions	495,430 95,445 (54,401) 536,474	488,324 54,004 (46,898) 495,430
Franking transactions that will arise subsequent to the financial year end: Balance at the end of the financial year Franking credits (debits) that will arise from payment (refund) of income tax Franking credits available for future reporting periods	536,474 	495,430 26,139 521,569

The ability to utilise franking credits is dependent upon the company's ability to declare dividends. The tax rate at which future dividends will be franked is 25%.

Accounting policy for dividends

Dividends are recognised in the financial year they are declared.

Note 24. Financial instruments

	2023 \$	2022 \$
Financial assets		
Trade and other receivables	352,016	241,628
Cash and cash equivalents	3,819,270	2,379,815
	4,171,286	2,621,443
Financial liabilities Trade and other payables Lease liabilities	164,057 312,565 476,622	163,580 1,034,551 1,198,131

Accounting policy for financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The company's financial instruments include trade debtors and creditors, accruals, cash and cash equivalents, and lease liabilities.

Trade receivables are initially recognised at the transaction price when they originated. All other financial assets and financial liabilities are initially measured at fair value plus transaction costs (where applicable), when the company becomes a party to the contractual provisions of the instrument. These assets and liabilities are subsequently measured at amortised cost using the effective interest method.

Financial assets are derecognised when the contractual rights to receipt of cash flows from the financial asset expires or the rights are transferred to another party whereby the company no longer has any significant continuing involvement in the risks and rewards associated with the asset. Financial liabilities are derecognised when its contractual obligations are discharged, cancelled, or expire. Any gain or loss on derecognition is recognised in profit or loss.

Note 24. Financial instruments (continued)

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the company currently has a legally enforceable right to set off the amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Financial risk management

The company has exposure to credit, liquidity and market risk arising from financial instruments. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company. The company does not use derivative instruments. The implementation and management of the board's risk policy has been delegated to the company's Senior Branch Manager. The board monitors compliance with this Policy to ensure that risks are appropriately mitigated.

Market risk

Market risk is the risk that changes in market prices - e.g. foreign exchange rates, interest rates, and equity prices - will affect the company's income or the value of its holdings in financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The company has no exposure to any transactions denominated in a currency other than Australian dollars.

Interest-bearing assets are held with Bendigo Bank in both fixed rate term (\$2,866,187 (2022: \$1,766,187)) and variable rate products (\$952,729 (2022: \$613,228)). The balances held in fixed rate term products are subject to changes in market interest rates following the expiry and re-investment of those balances, whilst the balances held in variable rate products are subject to changes in variable market interest rates.

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers.

The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo Bank with which it held cash and cash equivalents and term deposits of \$3,818,916 at 30 June 2023 (2022: \$2,379,415). Bendigo Bank is rated BBB+ on Standard & Poor's credit ratings.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities. The contractual cash flow amounts are gross and undiscounted and therefore may differ from their carrying amount in the statement of financial position.

2023	1 year or less \$	Between 1 and 5 years \$	Over 5 years \$	contractual maturities \$
Trade and other payables	164,057	-	-	164,057
Lease liabilities	144,733	184,346		329,079
Total non-derivatives	308,790	184,346	-	493,136
2022	1 year or less \$	Between 1 and 5 years \$	Over 5 years \$	Remaining contractual maturities \$
Trade and other payables	163,580	-	-	163,580
Lease liabilities	246,413	783,544	124,705	1,154,662
Total non-derivatives	409,993	783,544	124,705	1,318,242

Pempining

Note 25. Key management personnel disclosures

The following persons were directors of Ku-ring-gai Financial Services Limited during the financial year and/or up to the date of signing of these Financial Statements.

Jason Conor Grindlay Sara Adams Christopher Bradley Williamson Adrian Gordon Fong Stephen Peter Brickett Catherine Anne Harris Zoe Gilliland Himal Suneth Randeniya Linda June McDonald Alan James Bardwell Anthony Mostyn Carr

No director of the company receives remuneration for services as a company director or committee member.

During the year a Director of the Company provide search and placement services to fill certain Company roles for which a fee of \$13,260 was received.

Note 26. Transactions with related entities

There were no transactions with related parties during the current or previous financial year.

Note 27. Remuneration of auditors

During the financial year the following fees were paid or payable for services provided by Andrew Frewin Stewart, the auditor of the company:

	2023 \$	2022 \$
<i>Audit services</i> Audit or review of the financial statements	7,200	6,400

Net cash provided by operating activities	1,880,830	561,085
Note 29. Earnings per share		
	2023 \$	2022 \$
Profit after income tax attributable to the ordinary shareholders of Ku-ring-gai Financial Services Limited	1,336,927	277,228
	Number	Number
Weighted average number of ordinary shares used in calculating basic earnings per share	2,251,085	2,251,085
Weighted average number of ordinary shares used in calculating diluted earnings per share	2,251,085	2,251,085
	Cents	Cents
Basic earnings per share Diluted earnings per share	59.39 59.39	12.32 12.32

Accounting policy for earnings per share

Basic and diluted earnings per share is calculated by dividing the profit attributable to the ordinary shareholders of Ku-ringgai Financial Services Limited by the weighted average number of ordinary shares outstanding during the financial year.

Note 30. Commitments

The Company has committed community-related expenditure of \$500,000 over the next 3 years.

The company has no other commitments that it has contracted for, other than reflected in the financial statements.

Note 31. Contingencies

There were no contingent liabilities or contingent assets at the date of this report.

Note 32. Events after the reporting period

For the financial year ended 30 June 2023, the Company has declared a final dividend of 19.16c per share comprising of a current year dividend of 7.39c per share and a 11.77c per share special dividend. The dividend is payable to shareholders that are registered with KFSL at the close of business on Friday, 20 October 2023, and will be paid on Wednesday, 8 November 2023.

The Board of Ku-ring-gai Financial Services Limited, operators of the Community Bank branches at Turramurra and Lindfield, decided that it would close its Turramurra branch. This decision was carefully considered and is the result of primary factors that included (i) the growing trend of our customers to move away from in-branch transactions and towards online and phone banking platforms (ii) the rising cost of in-branch transactions and the declining volume of transactions to support such costs, and (iii) the lease that ended in early August 2023. This decision was supported by Bendigo and Adelaide Bank Ltd and the Turramurra branch closed on Friday, 14 July 2023.

No other matter or circumstance has arisen since 30 June 2023 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

In the directors' opinion:

- the attached financial statements and notes comply with the *Corporations Act 2001*, the Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements;
- the attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in the notes to the financial statements;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 30 June 2023 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the Corporations Act 2001.

On behalf of the directors

milles

Jason Conor Grindlay Chair

25 September 2023

Independent auditor's report to the Directors of Ku-Ring-Gai Financial Services Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Ku-Ring-Gai Financial Services Limited (the company), which comprises:

- Statement of financial position as at 30 June 2023
- Statement of profit or loss and other comprehensive income
- Statement of changes in equity
- Statement of cash flows
- Notes to the financial statements, including a summary of significant accounting policies
- The directors' declaration of the company.

In our opinion, the accompanying financial report of Ku-Ring-Gai Financial Services Limited, is in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the company's financial position as at 30 June 2023 and of its financial performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Information

The other information comprises the information included in the company's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon. The annual report may also include "other information" on the company's operations and financial results and financial position as set out in the financial report, typically in a Chairman's report and Manager's report, and reports covering governance and shareholder matters.

The directors are responsible for the other information. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial report does not cover the other information and accordingly we will not express any form of assurance conclusion thereon.

Our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If we identify that a material inconsistency appears to exist when we read the annual report (or become aware that the other information appears to be materially misstated), we will discuss the matter with the directors and where we believe that a material misstatement of the other information exists, we will request management to correct the other information. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that it gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the company's financial reporting process.

Auditor's responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatement can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Andrew Frewin Stewart 61 Bull Street, Bendigo, Vic, 3550 Dated: 25 September 2023

Joshua Griffin Lead Auditor
