Kwinana Community Financial Services Ltd Notes to the Financial Statements

For the half-year ended 31 December 2020

Note 1. Summary of significant accounting policies

Statement of Compliance

This general purpose financial report has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34: *Interim Financial Reporting*.

Basis of preparation

This financial report is intended to provide users with an update on the latest annual financial statements and does not include all the notes of the type normally included in an annual financial report. Accordingly the report shall be read in conjunction with the annual financial report for the year ended 30 June 2020 and any public announcements made by the company during the period.

Accounting policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial report and the previous corresponding interim period.

The half-year financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

Going concern

The net assets of the company as at 31 December 2020 were \$137,206 and the loss made for the half-year was \$80,506, bringing accumulated losses to \$982,912.

In addition:

Total assets 743,481
Total liabilities 606,275
Operating cash flows (12,163)

There was a 36% increase in the loss after tax recorded for the half-year ended 31 December 2020 when compared to the prior year comparative period.

The company meets its day to day working capital requirements through an overdraft facility. The overdraft has an approved limit of \$300,000 and was drawn to \$193,572 as at 31 December 2020.

The company's business activities, together with the factors likely to affect its future development, performance and position are set out in the Directors' Report on page 1. The financial position of the company, its cash flows, liquidity position and borrowing facilities are described in the financial statements.

The current economic environment is difficult and while revenue continues to increase the company has again reported an operating loss for the year. The directors' consider that the outlook presents significant challenges in terms of banking business volume and pricing as well as for operating costs. Whilst the directors have instituted measures to preserve cash and secure additional finance, these circumstances create material uncertainties over future trading results and cash flows.

The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company will be able to continue to operate within the current overdraft facility.

Kwinana Community Financial Services Ltd Notes to the Financial Statements

For the half-year ended 31 December 2020

Note 1. Summary of significant accounting policies (continued)

Going concern (continued)

The company has held discussions with Bendigo and Adelaide Bank Limited about its future borrowing needs. It is likely that these discussions will not be completed for some time but no matters have been drawn to its attention to suggest that renewal may not be forthcoming on acceptable terms. The company has also obtained an undertaking of support from Bendigo and Adelaide Bank Limited that it will continue to support the company and its operations for the 2020/21 financial year. This support is provided on the basis that the company continues to fulfil its obligations under the franchise agreement and continues to work closely with Bendigo and Adelaide Bank Limited to further develop its business.

The directors have concluded that the combination of the circumstances above represents a material uncertainty that casts significant doubt upon the company's ability to continue as a going concern and that, therefore, the company may be unable to realise its assets and discharge its liabilities in the normal course of business.

Nevertheless, after making enquiries and considering the uncertainties described above, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Note 2. Events subsequent to reporting date

There have been no events subsequent to reporting date that would materially affect the financial statements at the reporting date.

Note 3. Contingent assets and liabilities

There were no contingent assets or liabilities at the date of this report to affect the financial statements.

Note 4. Related parties

Arrangements with related parties continue to be in place. For details on these arrangements, refer to the 30 June 2020 annual financial report.

Independent auditor's review report to the directors of Kwinana Community Financial Services Ltd

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Kwinana Community Financial Services Ltd , which comprises the statement of financial position as at 31 December 2020, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Kwinana Community Financial Services Ltd does not comply with the *Corporations Act 2001* including:

- a. giving a true and fair view of the company's financial position at 31 December 2020 and of its performance for the half-year ended on that date
- b. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the company's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
