## Community Bank · Leopold

### Our new teams!

The Board of Leopold Community Enterprises has welcomed 3 new directors - Richard Hockley, Alan Davis and Emma Moore. They join our team of Kylie Clayton (Chairperson), Paul Madden (Treasurer), Bronwyn Shearer (Secretary) and directors Ramona Browne, Kerrie Napoli, Michelle Jones, Tiffany Quick, and John Leach.

At the branch we welcomed back Hannah Masset (our previous Branch Manager) to the role of Assistant Branch Manager. Hannah re-joins our team of Belinda, Robyn, Danielle, Paige, Mandy, Melissa and Kellie.

### Constitution

The company endorsed the new Constitution at an Extraordinary Meeting held on 28 April. In addition to new formatting and changes to reflect law and best practice, the new Constitution includes changes to "close connection" and "base number of shareholders".

### Financial position

Our half yearly audit was approved in February. Although the markets and margins are tightening, the company continues to be in a good financial position with various investments which can be drawn on if required. Our end of financial year statements have been submitted for auditing and will be provided in our Annual Report due out in October.

### Community investments

As promised the purchase of the Dorothy Street premises has opened more funds for community investment. Even with the costs associated with owning the building, our investment now totals over \$3.88 million.

### Policy review

The Board is currently reviewing its' Governance Charter to ensure it reflects the new Constitution and any changes to governance best practice.
