

The Elmore Field Days will take place on 4 - 6 October 2016.

We're proud to sponsor the Elmore Field Days Ag Art Competition.

At Elmore/Lockington/Rochester **Community Bank**[®] branches we recognise that local clubs, projects and community groups are an important part of the community. That's why we show our support in many different ways – like sponsoring Elmore Field Days Ag Art Competition.

"Majestic Blaze" pictured right, was the award winning design by Katrina Christie in 2015. The design featured a black weed mat bodice, a panelled skirt made from flywire and orange safety mesh and a hooped under-skirt made from polypipe and flywire. As part of our support Katrina was awarded a ticket to compete at New Zealand National Agricultural Field Days in Hamilton which was held in June this year. Katrina was crowned champion of the designer section in New Zealand which is great recognition of the standard that is being presented in Elmore each year.

Donate Blood and help save three lives with our new ambassadors.

Elmore/Lockington/Rochester **Community Bank**[®] branches have appointed new Blood Bank ambassadors. Michelle Spence and Claire Hanna are the new ambassadors who will administer and promote the exclusive local program.

“We are very excited to be supporting such a worthwhile cause,” said Michelle Spence, Customer Service Officer for the Elmore/Lockington/Rochester **Community Bank**[®] branches. “We want as many locals to have the opportunity to get on the Rotary Club of Rochester’s bus and be taken to the Bendigo Blood Bank processing centre,” she said.

A great supporter of this program has been the Rotary Club of Rochester. “We are truly appreciative of the support we gain from the Rotary Club of Rochester through the use of their community bus”, said Senior Branch Manager, Tracie Kyne.

Our next buses are scheduled for 11 October and 22 November. If you know a family member or staff member who wants to be involved, tell them it’s a great time to sign up. The bus leaves at 10.00am from Rochester Train Station with a collection point at Oasis Café Elmore.

Campaspe Academy of Sport.

Campaspe News, Tuesday, August 2, 2016 – Page 15

Giving juniors a sporting chance.

The next batch of sporting superstars in the Campaspe region will receive a boost after the launch of a new academy. The Campaspe Academy of Sport was recently launched after Rochester Secondary College signed a partnership agreement with Elmore/Lockington/Rochester **Community Bank**® branches. The academy is a sports education and athlete development program aimed at helping students in their pursuit of sporting and academic success. It emphasises the physical, mental and health benefits of physical activity and will include specialist coaches, guest speakers, sport science services and individualised training programs. Thirty-six students from the Rochester district have been selected to take part in the inaugural program, with sports including football, netball, basketball and running.

“We have allowed students to balance their own personal sporting and educational goals, by providing our student athletes with a flexible and supportive learning environment,”

program director Todd Woodfine said. “There has been a great response to the additional 7.45am training sessions as well as to the specialised coaches that have taken part. The community bank has been fantastic too. They have organised for specialised coaches to come and take sessions including former Australian basketballer Nina Cass and AFL regional development officer Rik Coburn.

“Netball Academy Coach Nicole Donnellon will conduct a specialised netball session in a few weeks’ time. We are absolutely thrilled with their involvement for the betterment of the students.”

Senior Branch Manager Tracie Kyne said supporting the academy was a no brainer. “It’s simple. The more our customers bank with us, the more our **Community Bank**® branches can invest in our local communities,” she said. “This is our demonstration of being able to invest in our communities today.” In the past 13 years, the community bank has returned \$1.2 million back to local communities.

For more details about the academy contact Todd on 5484 1844.
