

# Oh what a wonderful night, \$255,574.87 in community grants

In June, Manningham Community Enterprises Limited (MCEL) presented \$255,574.87 in community grants to 20 local community groups and not-for-profit organisations at our Community Enterprise Foundation™ grants presentation night at Casavini in Jackson Court. The grant presentations were each made by a member of the staff of Doncaster East and Templestowe Village **Community Bank®** branches.

The grants program through the Community Enterprise Foundation™ is about making a real difference on people's everyday lives. In the five years of making grants we have contributed \$709,815 to the local community. These grants are made in addition to our regular sponsorships and partnerships we have developed with local activity and social groups.

Welcoming special guests and recipients to the grants night Chairman Geoff Roberts (pictured left) said, "The Manningham Community Grants Program seeks to assist ordinary people achieving extraordinary things in their local community."

The Hon Mary Wooldridge (pictured below left) opened the presentation and congratulated Doncaster East and Templestowe Village **Community Bank®** branches on the outstanding contribution they have made to the community.

MCHSL CEO Jenny Jackson responded in a most positive and passionate way on behalf of all recipients.

One of the comments received after the event said, "It was extremely humbled to be part of the night when we hear of such great community organisations that operate in the Manningham area. Your staff presented the grants with a great sense of pride, enthusiasm and aestheticism. I am sure that you are all so proud of them and I am sure that they know this given the warmth in the room."

Templestowe Village **Community Bank®** Branch Manager Chris Cahir hosted the presentations and introduced each staff member. The following is the list of grant recipients with the staff member that presented the grant.

# Banking is our business... the Community is our focus

Manningham Community Enterprises Limited (MECL) Chairman Geoff Roberts welcomed 215 guests to our 10th Birthday Celebration at Monte Carlo on Saturday 23 March.

Geoff said that a number of our sponsored groups and CEF recipients together with others are the fabric of our community, they not only provide sports activities and community support, but also provide a social connectivity which is fundamental to the culture and structure of our community. Many of these organisations were represented on the night.

During his welcome Geoff said, "10 years ...what a journey it has been. Some of you have been on board this train ride for the whole 10 years others for part of that journey. No matter what period, you have all contributed to the success on this amazing Community Bank®

"You know the biggest challenge is that Federal, State and local Governments are finding it more and more difficult to fund the needs of community and this is likely to continue as our population ages. This makes the role of the **Community Bank**® model even more important to maintain and grow," Geoff said.

Geoff made the following comment after a very successful and memorable evening of celebration, "What impressed me most was the fact that we had all these community, sporting and not-for-profit organisations in the one room and to think it was our **Community Bank®** branches that were the catalyst for this to happen."

Following the dinner, Geoff received an inspiring letter from Manningham City Council Chief Executive Officer Joe Carbone who made the following comment

in his letter, "It was truly uplifting to hear and appreciate the journey the Community Bank® branches have been on, both commercially and with its Board and strategic leadership. Your organisation sets a high standard of community service enterprise that is a most admirable model for any other that dares to follow. I can best describe it as 'a business with a real point of difference'."

#### Templestowe Village Festival

Templestowe Village Community Bank® Branch was the major sponsor for the 2013 Templestowe Village Festival in April. The Festival was an outstanding success with thousands of people enjoying a wonderful event. The Festival Committee recognised the **Community Bank**® branch contribution by saying, "Without such support this would not be possible."

### Bendigo Bank Summer Series

## **Doncaster Dragons Baseball Club at Deep Creek**

Week one of the three-game Bendigo Bank Summer Series saw an absorbing pitchers' duel with a great outing by the Dragon's Jason Braun. It was a great night for baseball, with a good crowd turning up to see the first game. The whole night was a success apart from the result, a 0 - 2 defeat for the Dragons.

The Dragons beat Upwey Ferntree Gully 8 - 1 in the second game of the series. While the team result was foremost, it was one individual swing of the bat that proved the highlight of the night, Dragon's Andrew Mazzacato's three-run home run over the left field fence that had the large crowd in rapture.

On the final night of the three-game series, a big crowd turned out to watch what turned out to be an enthralling contest with the Dragons winning 1 - 0 in the tightest possible contest against Melbourne.

### Beverley Hills Junior Football Club

#### Season launch

MCEL Chairman Geoff Roberts and Director Ray Lord attended the season launch and family day for BHJFC early in the year.

Beverley Hills Junior Football Club is a successful junior club with kids playing footy from Auskick to Colts. All up, they have almost 500 kids playing footy each week in winter.

Doncaster East and Templestowe Village **Community Bank®** branches have helped the club greatly with sponsorships and in recent years, grants for their successful Social Responsibility Workshops. The Bendigo Bank logo takes pride of place on their home shorts.

#### Fitzroy Doncaster Cricket Club

### Celebrating 150 years – Hall of Fame & Legends Night

Directors and staff attended a wonderful night of cricket memories when Fitzroy Doncaster Cricket Club celebrated their 150th anniversary with a Hall of Fame & Legends Night.

It was certainly 'cricket royalty' with former Australian test player Neil Harvey in attendance with former Victorian representatives Jack Potter and Eddie Illingworth together with many other past and present players from the Fitzroy Doncaster dynasty.

Above: Jack Potter with former pupils Geoff Roberts and Ray Lord.

There was a little irony in the fact that Jack Potter, who appeared in 81 matches for Victoria and led Fitzroy to two Premierships, taught both Geoff Roberts (Heidelberg High) and Ray Lord (Moreland High) at school.

#### It's a new car and truck for Doncare

Thanks to a CEF grant from Doncaster East and Templestowe Village **Community Bank®** branches, Doncare now has a new car and a new truck. The car will be used for Doncare programs six days per week. The car will transport isolated elderly clients to and from social and recreational activities, visiting prospective clients, assessing and supporting clients in-home and transporting clients to medical appointments.

The new truck will be used to collect good quality furniture donations. Doncare's six opportunity shops have become their social enterprise. The shops provide approximately one third of their funding and enable Doncare to supplement a range of community services in Manningham to the extent of \$490,000 annually.
