\$256,600 invested back
into the community

You won't see any other bank so invested in the Mission Beach community, here's why...

Community Bank Mission Beach is a locally owned branch operating under a franchise agreement with Bendigo Bank to offer customers localised service with the security of one of Australia's largest banks.

Established in 2008 by Mission Beach residents who wanted to see their community benefit from banking profits, Community Bank Mission Beach has invested \$256,600 into local organisations and community events.

It's banking with heart that's also good for the hip pocket as Bendigo's competitive products offer a great service to Mission Beach residents and businesses.

Mental Health First Aid Course builds capacity to help those with mental illness

Community Bank Mission Beach was pleased to support Mental Health Month in 2021 with sponsorship for a Mental Health First Aid Course.

The two-day course was hosted by Mission Beach Community Support Inc.

"Thanks to the support of our community bank more people in Mission Beach are able to recognise the warning signs of mental illness and have the skills to offer their support," said President Sheila Lawler.
