

Chairman's report.

Welcome to the November 2016 Newsletter.

Thank you to all that attended our Annual General Meeting on 27 October, and a special thanks to our guest speaker Menslink CEO Martin Fisk and our hosts Snowy Hydro SouthCare.

Molonglo Financial Services Limited was pleased to announce a profit of \$69,234 and declare a 2 cent dividend in October. The 2016 Annual Report is available on our website for all shareholders to view. I am confident our performance will continue to improve in the coming years.

As a company, we have this confidence because we have a great staff team who are well supported by the Board and that share a common mission; to deliver customer-focussed banking services and provide a sustainable return to our shareholders and the community.

So far this year, we have seen over \$35,000 returned to local community groups, charities and organisations. We provide jobs for 18 staff who want to find the right financial solution for you. Our banking products are as competitive as they have ever been, so please take some time over the holidays to visit your local branch and find the right solution for you and your community.

Fearless Initiative.

We are proud to announce that the Fearless Comedy Gala was a resounding success!

Following our \$5,000 grant in August, the Fearless Initiative was able to entertain all attendees at the gala and raise much needed funds for the Domestic Violence Crisis Service (DVCS). The DVCS is an essential Canberra based organisation that seeks to address violence and abuse in family and intimate partner relationships. The total amount raised from the evening was \$30,238.

Next year the Fearless Initiative is looking to take the Comedy Gala on the road to Adelaide and Melbourne. We have been encouraging other **Community Bank**[®] branches around the network to help grow the program, and grow the amount of money that is raised to help address such an important cause.
