A long way across

We were proud to sponsor the Integra Service Dogs Australia (ISDA) coast-to-coast bike ride by brother's Brian and Ian Schumacher. They departed Fremantle on 1 April and finished in Sydney on 15 May, stopping at our Curtin Branch (pictured) along the way.

The purpose of ISDA is to help support Veterans and First Responders sugaring from Post-Traumatic Stress Disorder. ISDA trains service dogs to provide security, assistance, and friendship.

Chairman's report

Welcome to our Winter Newsletter.

After an unpredictable 12 months, I am pleased to advise that MFSL had another good year in 2020/21, growing our business by record levels. Our decision to invest in mobile lenders continues to provide excellent growth for the company, and we have now recruited a third to further develop our mobile lending channel.

At the Board level, I would like to acknowledge Alison Bleathman and Radmila Noveska, who have both stepped away, after many years with the company. I thank them for their work and wish them all the best in their future endeavours. I also welcome two new Directors. Pui Cheung, Chief Accountant at ARENA, and Pierre Huetter, Associate Director at Purdon Planning. I look forward to their contributions in the coming years.

Brian Brown
Chairman

Welcome Steven

In April, we welcomed Steven, our third Mobile Lender to the team.

Before banking, Steven worked in hotel management where he gained his advanced diploma. Wanting a new career challenge, Steven started in banking back in 2007. He worked his way up from a Teller position to Mobile Lender and now has 11 years experience in this role.

In his spare time, Steven enjoys indoor cricket, home renovations and socialising.

Steven knows banking. He can meet you when and where it suits you; at the Wanniasa branch, over the phone, or via video call.

If you need help with your banking, call Steven James, Mobile Relationship Manager on 0401 108 038 or email Steven.James@bendigoadelaide.com.au

A special branch visit

In April, we were delighted to host Jan Harris, Director of Bendigo and Adelaide Bank, at our Calwell branch. Jan discussed trends in banking and answered many questions from the Calwell staff and our Chairman.

More ways to bank

We love seeing you in the branch, but in these times, managing your money online or via your phone whenever you can is a safer option.

You can access your accounts at home at anytime with our secure e-banking service or phone banking. Or when you're on an essential shop, using our ATM to get cash out and check balances.

Need help with your internet banking, the app or phone banking? Call your local branch and we'll guide you through.
