AUDITOR'S INDEPENDENT REVIEW REPORT

To the members of Mount Gambier & District Financial Services Limited

Scope

The financial report and directors' responsibility

The financial report comprises the balance sheet, income statement, cash flow statement, statement of changes in equity and accompanying notes to the financial statements for Mount Gambier & District Financial Services Limited and the director's declaration for the company, for the period ended 31 December 2014.

The directors of the company are responsible for preparing a financial report that gives a true and fair view of the financial position and performance of the company, and that complies with Accounting Standard AASB 134 "Interim Financial Reporting", in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting estimates inherent in the financial report.

Review approach

We conducted an independent review of the financial report in order to make a statement about it to the members of the company, and in order for the company to lodge the financial report with the Australian Securities and Investments Commission.

Our review was conducted in accordance with Australian Auditing Standards applicable to review engagements, in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report is not presented fairly in accordance with the Corporations Act 2001, Accounting Standard AASB 134 "Interim Financial Reporting" and other mandatory financial reporting requirements in Australia, so as to present a view which is consistent with our understanding of the consolidated entity's financial position, and of its performance as represented by the results of its operations and cash flows.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Independence

We are independent of the company, and have met the independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Director's Report. In addition to our review of the financial report, we were engaged to undertake other services. The provision of these services has not impaired our independence.
