## **Welcome to our Community Bank Mount Martha Funding booklet!**

Since the release of our first booklet, we've received fantastic feedback from many community groups.

Our community is made up of dedicated groups and volunteers who work tirelessly in various ways to enhance our beautiful community. Their hard work enables numerous community support groups, sports and recreational activities, benefiting everyone from our younger generations to our seniors, fostering connections in many ways.

A special shout-out to our branch team for assisting with banking needs, the directors who attend many activities, and Gary Sanford, our Community Liaison Officer, for his dedication, passion, and drive to bring everything together.

*In the 2023/24 year, Mount Martha Community Bank has contributed just over \$500,000 (including \$100,000 set aside for a major community project), into the community through various activities, including grants, sponsorships, donations, marketing and events.*

Please feel free to reach out to our Branch Manager, Stacey Wakeman, and her team, who will be more than happy to assist with any banking needs or connect you with Gary to discuss potential sponsorships or grants.

Regards

I'm Stacey your Branch Manager at your local Community Bank Mount Martha Branch.

I know what it's like being a volunteer with a local group and the work it takes to make sure everything comes together. I took on an executive role as treasurer in 2023 for the Mornington Peninsulas only rugby league club. In August I was lucky enough to be awarded the clubs Inaugural club person of the year for 2024. So I know what it takes to build up and maintain clubs just like yours. It's about the people and communities within communities.

Being with the branch for nearly 9 years now I have seen a lot of these group starting out or simply going from strength to strength.

We have an amazing team of staff to help you with all your needs. Jess our newest staff member is your digital specialist, knowing everything digital and ebanking. Narelle is your wealth specialist. Jen is our account specialist from personal to business and Amye is your home lending specialist. She is in branch 5 days a week for everything home lending from a health check on your existing loan to helping you through that next purchase. Gary is your local community liaison officer and is out and about in the community with the local sporting clubs and community groups.

Our team offer face to face service 5 days per week and love helping you our customers through all your banking needs. Call the branch and make an appointment today with one of our team members today on 59 74 4518.
